33       days of receipt of the request for access under subsection  
34       (a).

35       (2) The notice shall include a statement notifying the  
36       requester that the request for access is being reviewed, the  
37       reason for the review, a reasonable date that a response is  
38       expected to be provided and an estimate of applicable fees  
39       owed when the record becomes available. If the date that a  
40       response is expected to be provided is in excess of 30 days,  
41       following the five business days allowed for in section 901,  
42       the request for access shall be deemed denied unless the  
43       requester has agreed in writing to an extension to the date  
44       specified in the notice.

45       (3) If the requester agrees to the extension, the  
46       request shall be deemed denied on the day following the date

specified in the notice if the agency has not provided a response by that date.
