7 IMPORTANT NOTICE ABOUT MEDICAL MARIJUANA
8 AND OPERATING A MOTOR VEHICLE

9 Before starting a medical marijuana regimen, talk to your
10 doctor or health care practitioner about how medical marijuana
11 may impact your ability to safely operate a motor vehicle.
12 Under Pennsylvania law, even a small amount of marijuana in your
13 blood could result in conviction for DUI (Driving Under the
14 Influence), also called Impaired Driving or Drugged Driving.
15 Conviction for DUI can result in serious penalties, including
16 fines, jail and losing your driver's license for a period of
17 time. If you have any questions about how the DUI law could
18 potentially impact you, contact your attorney for legal advice.
