Section 513. Prohibitions. 6

The following prohibitions shall apply:

8 (1) A patient may not operate or be in physical control 9 of any of the following while under the influence with a blood content of more than 10 nanograms of active 10 tetrahydrocannabis per milliliter of blood in serum: 11

> (i) Chemicals which require a permit issued by the Federal Government or a state government or an agency of the Federal Government or a state government.

(ii) High-voltage electricity or any other public utility.

17 (2) A patient may not perform any employment duties at 18 heights or in confined spaces, including, but not limited to, 19 mining while under the influence of medical marijuana.

20 (3) A patient may be prohibited by an employer from 21 performing any task which the employer deems life-22 threatening, to either the employee or any of the employees 23 of the employer, while under the influence of medical 24 marijuana. The prohibition shall not be deemed an adverse 25 employment decision even if the prohibition results in 26 financial harm for the patient.

27 (4) A patient may be prohibited by an employer from performing any duty which could result in a public health or 28 29 safety risk while under the influence of medical marijuana. 30 The prohibition shall not be deemed an adverse employment 31 decision even if the prohibition results in financial harm 32 for the patient.
