8 (1) The following shall apply:

9 (i) A transportation network company shall disclose  
10 the notice under this subparagraph prominently and with a  
11 separate acknowledgment of acceptance to each prospective  
12 transportation network company driver in the  
13 transportation network company's written terms of service  
14 for drivers. The disclosure shall be provided before a  
15 driver is allowed to offer prearranged rides on a  
16 transportation network company's digital network. The  
17 notice shall be as follows:

18 [name of transportation network company] will provide  
19 you with a notice explaining whether it provides  
20 insurance to repair your personal vehicle if you have  
21 an accident when using your vehicle in a  
22 transportation network. If [name of transportation  
23 network company] does not provide coverage for damage  
24 to your car, your personal automobile insurance  
25 policy might not provide the coverage and you may be  
26 required to pay all costs to repair the vehicle  
27 yourself in the event of an accident unless you  
28 purchase extra insurance. If you financed the  
29 purchase of the vehicle or lease the vehicle, you  
30 must notify your lender or lessor that you will use  
31 your vehicle to provide transportation network  
32 service. Your lender or lessor may require you to  
33 purchase extra insurance coverage or, if you do not  
34 do so, may purchase insurance on your behalf and bill  
35 you for the costs of the policy. The failure to  
36 notify a lender or lessor or to have insurance to  
37 cover the cost of damage to the vehicle may cause  
38 your vehicle to be repossessed or your lease to be  
39 revoked. If you have questions about this notice, you  
40 should contact your insurance agent, your lender or  
41 lessor or the Pennsylvania Insurance Department.

42 (ii) A transportation network company shall provide  
43 the notice required under subparagraph (i) upon any  
44 subsequent material reduction in insurance coverage by  
45 the company. For purposes of this subparagraph, "material  
46 reduction in insurance coverage" shall not include the

1 replacement of insurance coverage with substantially  
2 similar insurance coverage from a different insurer by a  
3 transportation network company.

4 (iii) A transportation network company shall notify  
5 drivers in writing whether the transportation network  
6 company is providing comprehensive and collision coverage  
7 during service.

8 (2) If a transportation network company's insurer makes  
9 a payment for a claim covered under comprehensive or  
10 collision coverage, the transportation network company shall  
11 cause the transportation network company's insurer to issue  
12 the payment directly to the business repairing the vehicle or  
13 jointly to the owner of the vehicle and the primary  
14 lienholder or lessor.

15 (3) If a driver of a personal vehicle used in  
16 transportation network service that is subject to a lien or  
17 lease fails to maintain comprehensive or collision damage  
18 coverage required by the lienholder or lessor or to show  
19 evidence to the lienholder or lessor of the coverage upon  
20 reasonable request, the lienholder or lessor may obtain the  
21 coverage at the expense of the driver without prior notice to
