Sponsor: SENATOR RESCHENTHALER

Printer's No. 3676

1 Amend Bill, page 3, line 7, by inserting after "easement."

2 The condemnation approval specified by this subsection shall
3 not be required for any public utility facility or other project
4 that is subject to approval by a Federal agency, the necessity
5 for the propriety and environmental effects of which has been
6 reviewed and ratified or approved by the Pennsylvania Public
7 Utility Commission or the Federal Energy Regulatory Commission,
8 regardless of whether the right to establish and maintain such
9 underground or other public utility facility is obtained by
10 condemnation or by agreement with the owner.
