AMENDMENTS TO HOUSE BILL NO. 2468

Sponsor: SENATOR RESCHENTHALER

Printer's No. 3676

- Amend Bill, page 3, line 7, by inserting after "easement." 1
- The condemnation approval specified by this subsection shall
- not be required for any public utility facility or other project
- that is subject to approval by a Federal agency, the necessity
- 5 for the propriety and environmental effects of which has been
- reviewed and ratified or approved by the Pennsylvania Public
- <u>Utility Commission or the Federal Energy Regulatory Commission</u>,
- regardless of whether the right to establish and maintain such
- underground or other public utility facility is obtained by
- 10 condemnation or by agreement with the owner.
