16           (8) A grower/processor facility owned by a clinical  
17 registrant may sell its medical marijuana products only to  
18 the clinical registrant's dispensary facilities and the  
19 dispensary facilities of other clinical registrants. The  
20 facility may sell seeds and medical marijuana plants to, or  
21 exchange seeds and medical marijuana plants with, any other  
22 grower/processor facility holding a permit under Chapter 6 or  
23 this chapter.

24           (9) A clinical registrant may petition the department,  
25 on a form prescribed by the department, for approval to sell  
26 certain of the medical marijuana products grown and processed  
27 by its grower/processor facility to other medical marijuana  
28 organizations holding dispensary permits under Chapter 6.  
29 The petition must be accompanied by a written report of the  
30 clinical registrant's research findings with respect to the  
31 medical marijuana products which are the subject of the  
32 petition. The department shall approve the petition if it has  
33 been demonstrated that the medical marijuana products have a  
34 practical effect on patients which changes a recommendation  
35 within the medical field as indicated in the report submitted  
36 by the clinical registrant.

37           (10) A dispensary owned by a clinical registrant may
