| 10 11 12 13 | Section 1. Title 57 of the Pennsylvania Consolidated Statutes is amended by adding a section to read: § 314.1. Notarial act performed by a remotely located individual. |
| 14 | (a) Definitions Terms are defined in subsection (i). |
| 15 | (b) Use of communication technology A notary public |
| 16 | located in this Commonwealth may perform a notarial act |
| 17 | facilitated by communication technology relating to a statement |
| 18 | made in or signature executed on a record by a remotely located |
| 19 | individual if all of the following paragraphs apply: |
| 20 | (1) The notary public: |
| 21 | (i) has personal knowledge under section 307(a) |
| 22 | (relating to identification of individual); or |
| 23 | (ii) reasonably can identify the individual by at_ |
| 24 | least two identity proofing processes or services. |
| 25 | (2) The notarial act relates to an: |
| 26 | (i) electronic record or signature; or |
| 27 | (ii) acknowledgment of a signature on a tangible |
| 28 | record. |
| 29 | (3) The notary public is able to reasonably identify the |
| 30 | record before the notary public as the same record: |
| 31 | (i) in which the remotely located individual made |
| 32 | the statement; or |
| 33 | (ii) on which the remotely located individual |
| 34 | executed the signature. |
| 35 | (4) The notary public, or a person acting on behalf of |

1 the notary public, creates an audio-visual recording of the 2 performance of the notarial act. 3 (5) If the remotely located individual is located 4 outside the United States, all of the following subparagraphs 5 apply: 6 (i) The record: 7 (A) is to be filed with or relates to a matter 8 before a court, governmental entity, public official 9 or other entity under the jurisdiction of the United 10 States; or 11 (B) involves: 12 (I) property located in the territorial 13 jurisdiction of the United States; or (II) a transaction substantially connected 14 15 with the United States. 16 (ii) The act of making the statement or signing the record is not prohibited by the foreign state where the 17 18 remotely located individual is located. (c) Notarial certificate. -- If a notarial act involves a 19 20 statement made in or a signature executed on a record by a remotely located individual, the certificate of notarial act 21 required by section 315 (relating to certificate of notarial 22 23 act) and the certificate under section 316 (relating to short form certificates) must indicate that the individual was 24 remotely located. 25 (d) Sufficiency. -- A certificate under section 316 for a 26 notarial act subject to this section is sufficient if either of 27 28 the following paragraphs apply: 29 (1) The certificate is in the form provided by section 30 316 and contains a statement substantially as follows: 31 "This notarial act involved a statement made in or a 32 signature executed on a record by a remotely located 33 individual using communication technology." (2) The certificate complies with the regulations 34 promulgated under subsection (g) (1). 35 36 (e) Audio-visual recording. --37 (1) This subsection applies to: 38 (i) a notary public; 39 (ii) a quardian, a conservator or an agent of a notary public; or 40 (iii) the personal representative of a deceased 41 42 notary public. 43 (2) A person under paragraph (1) shall retain the audio-44 visual recording created under subsection (b) (4) or cause the recording to be retained by a repository designated by or on 45 behalf of the notary public. The person shall retain the 46 recording: 47 (i) for at least 10 years after the recording is 48 49 m<u>ade; or</u> 50 (ii) as otherwise required by the regulations 51 promulgated under subsection (g) (4).

- (1) Before a notary public performs the notary public's initial notarial act under this section, the notary public must notify the department that the notary public will be performing notarial acts facilitated by communication technology and identify the communication technology.
- (2) If the department has established standards for approval of communication technology or identity proofing under subsection (g) and section 327 (relating to regulations), the communication technology and identity proofing must conform to the standards.
- (g) Regulations.--In addition to matters listed in section 327, the department may promulgate regulations regarding performance of a notarial act with respect to a remotely located individual. The regulations may do all of the following:
 - (1) Prescribe the means of performing a notarial act involving communication technology to communicate with a remotely located individual.
 - (2) Establish standards for communication technology and identity proofing. This paragraph includes the use of credential analysis, dynamic knowledge-based authentication, biometrics and other means of identification.
 - (3) Establish requirements or procedures to approve providers of communication technology and the process of identity proofing.
 - (4) Establish standards and periods for the retention of an audio-visual recording under subsection (b) (4) of the performance of a notarial act and establish a procedure to preserve the recording if the notary public dies or is incapacitated or if the notary public's commission or authority to perform notarial acts is otherwise suspended or terminated.
- (h) Promotion of uniformity. -- Before promulgating or deleting regulations about the performance of a notarial act with respect to a remotely located individual, the department shall consider, if consistent with this chapter, all of the following:
 - (1) The most recent standards regarding the performance of a notarial act with respect to remotely located individuals promulgated by a national standard-setting organization. This paragraph includes the National Association of Secretaries of State.
 - (2) Standards, practices, and customs of other jurisdictions which enact a statutory provision substantially similar to this section.
 - (3) The views of governmental officials and entities and other interested persons.
- (i) Definitions. -- As used in this section, the following words and phrases shall have the meanings given to them in this subsection unless the context clearly indicates otherwise:
 - "Communication technology." An electronic device or process

| 1 | which: |
