8 (b.1) Records to be retained by businesses that dispose of
9 waste tires.--A business entity in a city of the first class
10 that accepts used tires for disposal shall maintain a list of
11 how many tires the business entity accepted and retain proof of
12 disposal in the form of a receipt from an authorized waste tire
13 recycling facility, as evidence of proper disposal of any tires
14 accepted by the business entity. The business entity shall
15 maintain all records for a minimum of 5 years and make the
16 records available to the city at the city's request. The
17 business entity shall retain the records electronically.

18 (b.2) Record review.--A city of the first class may review
19 the records of a business entity that accepts waste tires for
20 disposal. The city may request that the business entity submit a
21 copy of the business entity's records electronically or provide
22 the city with a hard copy of the records as proof that the
23 business entity complied with this act through the proper
24 disposal of all waste tires received by the business entity.

25 (b.3) Appeal.--A business entity fined by a city of the
26 first class under this section shall have the right to appeal a
27 fine levied by the city to the court of common pleas.

"Waste tire recycling facility." As defined in section 104
of the act of December 19, 1996 (P.L.1478, No.190), entitled "An
act relating to the recycling and reuse of waste tires;
providing for the proper disposal of waste tires and the cleanup
of stockpiled tires; authorizing investment tax credits for
utilizing waste tires; providing remediation grants for the
cleanup of tire piles and for pollution prevention programs for
small business and households; establishing the Small Business
and Household Pollution Prevention Program and management
standards for small business hazardous waste; providing for a
household hazardous waste program and for grant programs; making
appropriations; and making repeals."
