16 through 28 and inserting  
17 order to be granted this exemption, the milk bank must  
18 satisfy the following:  
19 (1) The milk bank may not sell, donate or distribute  
20 donor milk and donor-milk-derived products for which the  
21 donor has been remunerated without testing for controlled  
22 substances as determined by the department. The department  
23 may, at any time, require additional testing for donor milk  
24 and donor-milk-derived products.  
25 (2) The milk bank may not sell, donate or distribute  
26 donor milk and donor-milk-derived products for which the  
27 donor has been remunerated without obtaining medical  
28 verification that the donor's biological infant is achieving  
29 adequate growth.  
30 (3) The milk bank must meet or exceed any additional  
31 standards required by the department reasonably necessary to  
32 protect public health and the recipient of the donor milk,  
33 the donor and the donor's baby.  
34 (b) Construction.--If the milk bank is exempt under  
35 subsection (a), the donor of the human milk shall be considered  
36 a "donor" as defined in section 3 and the human milk provided by  
37 the donor shall be considered "donor milk" as defined in section  
38 3.  
39 (c) Penalties.--A violation of this section shall constitute  
40 a misdemeanor of the third degree.

(d) Applicability.--The provisions of subsection (a)(1) and (2) shall not apply to milk banks that do not remunerate donors.

Amend Bill, page 15, line 29, by striking out "10" and inserting  
11

Amend Bill, page 16, lines 19 through 28, by striking out all of said lines and inserting

Section 12. Licensure application.

Upon the effective date of this section, the department shall create an application for the licensure of milk banks. The department shall begin accepting applications for licensure of milk banks 120 days after the effective date of this section.

Section 13. Regulations.

The department may promulgate rules and regulations to administer and enforce this act.
