8 (d) Auditor General audit of airport authority.--The Auditor
9 General, through agents as the Auditor General may select, shall
10 perform an audit of an airport authority operating in a county
11 of the second class. The audit shall be a thorough review of all
12 financial information and examine the effectiveness, economy and
13 efficiency of the authority, including, but not limited to, a
14 review of billing systems, contract processes and transparency,
15 management practices, conflicts of interest and compliance with
16 relevant Federal and State statutes by the authority, its board
17 members and its contractors. For the purpose of this subsection,
18 the Auditor General may employ consultants, experts, accountants
19 or investigators as the Auditor General deems advisable and
20 conduct the audit independently of any other audits. The audit
21 shall be concluded by December 31, 2020, and may include
22 recommendations on how to improve procedures and activities to
23 enhance economy, efficiency and effectiveness in any areas
24 covered by the audit.
