5 (13) An authorized employee of a county or municipal
6 health department may query the system if the employee has a
7 unique identifier when accessing the system and the employee
8 accesses the system for any of the following purposes:

9 (i) Developing educational programs relating to
10 prescribing practices and controlled substance abuse.

11 (ii) Identifying at-risk individuals for the purpose
12 of connecting them with addiction treatment professionals
13 and programs, including single county authorities.

14 (iii) Compiling epidemiological data to ensure that
15 security of the system when an authorized employee of a
16 county of municipal health department accesses the
17 system.

18 (14) Political subdivisions of the Commonwealth may not
19 establish a database requiring the submission and query of
20 prescription data by prescribers and dispensers in addition
21 to the database established under section 6.
