7 Section 703. Storage and transportation.

8 The department shall develop regulations relating to the  
9 storage and transportation of medical marijuana among  
10 grower/processors, testing laboratories and dispensaries which  
11 ensure adequate security to guard against in-transit losses. The  
12 tracking system developed by the department shall include all  
13 transportation and storage of medical marijuana. The regulations  
14 shall provide for the following:

15 \* \* \*

16 (8) Requirements to utilize any electronic tracking  
17 system required by the department, which shall allow for the  
18 two-way communication and application-programming interface  
19 between a medical marijuana organization's inventory,  
20 accounting and point-of-sale software and the software of the  
21 department or the department's vendor.
