15 Section 4. COVID-19 At-Home Testing Distribution Program.

16 (a) Establishment.--The COVID-19 At-Home Testing
17 Distribution Program is established within the department.

18 (b) Acquisition of COVID-19 at-home tests.--The department
19 shall acquire COVID-19 at-home tests for distribution to
20 counties under this section.

21 (c) Application.--No later than 30 days after the effective
22 date of this section, the department shall receive applications
23 from counties for COVID-19 at-home tests. An application by a
24 county under this subsection shall include the number of COVID-
25 19 at-home tests requested and a proposed distribution plan.

26 (d) Review and approval.--No later than 45 days after the
27 effective date of this section, the department shall review and
28 approve applications under subsection (c).

29 (e) Distribution to counties.--The department shall begin
30 distributing COVID-19 at-home tests to approved counties no
31 later than 60 days after the effective date of this section.

32 (f) Distribution by counties.--A county which receives
33 COVID-19 at-home tests under this section may distribute the
34 tests to individuals in the county at publicly accessible mobile

1 testing sites and nontraditional testing sites, including county
2 buildings, municipal buildings, libraries, community centers,
3 police stations and fire stations. A county shall publicize the
4 distribution locations.

5 (g) Prohibition.--An individual that receives a COVID-19 at-
6 home test from a county under this section may not resell the
7 test.

8 (h) Use of funds.--The department shall use no less than
9 \$10,000,000 of money available to the department for the purpose
10 of the program, including money from the Federal Government
11 available from an appropriation for COVID - Epidemiology and
12 Laboratory Surveillance and Response.
