

## AMENDMENTS TO HOUSE BILL NO. 2079

Sponsor: REPRESENTATIVE COX

Printer's No. 2402

1 Amend Bill, page 1, lines 14 through 19, by striking out "A  
2 provision under this act that prohibits" in line 14 and all of  
3 lines 15 through 19 and inserting

4 (1) If a provision of the Uniform Construction Code or  
5 related technical standards prohibit the use of a refrigerant  
6 that is authorized in accordance with section 612 of the  
7 Clean Air Act (69 Stat. 322, 42 U.S.C. § 7671k), the  
8 refrigerant may be used if:

9 (i) the refrigerant is permitted for the applicable  
10 use conditions by the United States Environmental  
11 Protection Agency; and

12 (ii) the equipment containing the refrigerant is  
13 listed and installed in accordance with the applicable  
14 use conditions imposed in accordance with section 612 of  
15 the Clean Air Act.

16 (2) This subsection shall expire upon the effective date  
17 of the final-omitted regulation promulgated by the department  
18 under section 304(a)(1) to adopt the council's report  
19 following its review of the 2024 model codes developed by the  
20 International Code Council.
