Sponsor: SENATOR STEFANO

Printer's No. 1512

1 Amend Bill, page 2, lines 6 through 9, by striking out "The  
2 Washington/Baltimore High Intensity Drug" in line 6, all of  
3 lines 7 and 8 and "(2)" in line 9

4 Amend Bill, page 2, line 10, by striking out "(3)" and  
5 inserting

6 (2)

7 Amend Bill, page 3, by inserting between lines 18 and 19

8 (3) Ensure access to collected data, in the form of raw  
9 data, dashboards and useful exportable reports, by State,  
10 county and local governmental, public health and public  
11 safety stakeholders to real time data that may be used to  
12 make actionable decisions in as close to real-time as  
13 possible.

14 (4) Send automatic and immediate overdose spike-alerts  
15 to preapproved State, county and local governmental, public  
16 health and public safety leaders who may use the notification  
17 to make decisions regarding how to respond to overdose  
18 anomalies in their areas of responsibility. Initial  
19 recommended spike thresholds shall be established using  
20 relevant public health data. Local leaders shall have the  
21 option to adjust the local spike threshold to fit the local  
22 response plan needs.

23 (5) Share examples of the spike-response framework with  
24 State, county and local leaders and support the leaders in  
25 the implementation of the responses by providing access to  
26 overdose data and useful reports based on the data.

27 (6) Using an application programming interface, connect  
28 the data in the Pennsylvania State Police system with the  
29 Overdose Mapping Application Program created by the  
30 Washington-Baltimore High Intensity Drug Trafficking Areas.
