9 (b) Applicability.--This section shall apply to Federal aid
10 highways only under the jurisdiction of the department and the
11 Pennsylvania Turnpike Commission. An automated speed enforcement
12 system may not be used unless:

14 (2) At least one of the signs under paragraph (1):

15 (i) indicates if the automated speed enforcement
16 system is active or not active[.]; and

17 (ii) is placed at least 1,000 feet before the active
18 work zone, unless the department determines that a lesser
19 distance is necessary to ensure the safety of the work
20 zone, comply with Federal regulations or provide adequate
21 traffic control in the work zone. If the department
22 determines that a lesser distance is necessary under this
23 subparagraph, the department shall place the sign prior
24 to the active work zone at a distance that provides
25 motorists with the maximum feasible advanced notification
26 of the automated speed enforcement system prior to
27 entering the active work zone.
