
THE GENERAL ASSEMBLY OF PENNSYLVANIA

HOUSE BILL

No. 850 Session of
1999

INTRODUCED BY CASORIO, VAN HORNE, TANGRETTI, BELFANTI, TRELLO,
WOJNAROSKI, PETRARCA, HARHAI, LAUGHLIN, SANTONI, STURLA,
SCRIMENTI AND CURRY, MARCH 10, 1999

REFERRED TO COMMITTEE ON LOCAL GOVERNMENT, MARCH 10, 1999

AN ACT

1 Amending Titles 24 (Education) and 71 (State Government) of the
2 Pennsylvania Consolidated Statutes, adding and amending
3 certain definitions; prohibiting creation of local government
4 employee retirement systems; providing for mandatory
5 membership of local government employees; revising and
6 continuing general municipal pension system State aid; and
7 providing for supplemental local government benefit
8 accumulation plans and for local government contributions and
9 guarantees.

10 The General Assembly finds and declares as follows:

11 (1) That a number of public employee retirement systems
12 established and administered by local governments in this
13 Commonwealth are encountering serious problems of rising
14 costs caused, in part, by the lack of sufficient members to
15 provide a sound basis for computing contribution requirements
16 over an extended period of time.

17 (2) That divergent provisions among these systems
18 preclude the opportunity of local government employees to
19 transfer from one local government employer to another.

20 (3) That similarly situated local government employees
21 are eligible for dissimilar retirement benefits.

1 (4) That there are substantial inefficiencies in the
2 administration of local government employee retirement
3 systems.

4 (5) That the great number of local government employee
5 retirement systems make adequate monitoring difficult and
6 expensive.

7 (6) That the anticipated gains from consolidation are
8 found to exceed expected costs.

9 (7) That it is the purpose of this act to provide for
10 the systematic transition of existing individual local
11 government employee retirement systems into a single State-
12 administered system of a size, scope and structure that will
13 assure:

14 (i) Fiscal and actuarial stability.

15 (ii) An adequate, uniform, and certain level of
16 financial security protections for public employees.

17 (iii) A properly funded public employee retirement
18 system.

19 (iv) An economy of scale in administrative costs.

20 (v) Improved public employee mobility.

21 (vi) A pooled and prudent investment of assets.

22 (vii) Procedures for an orderly and equitable
23 transfer of assets and liabilities from any superseded
24 local government employee systems into the Government
25 Employees' Retirement System.

26 (viii) An adequate and consistent level of
27 membership services for local government employees.

28 The General Assembly of the Commonwealth of Pennsylvania
29 hereby enacts as follows:

30 Section 1. The definitions of "eligibility points,"

1 "inactive member," "multiple service," "State Employees'

26 entrance into the system shall result in the forfeiture of the
27 right of the member to subsequently assert any right to benefits
28 based on erroneous information or on any of the required

14 amount that would have been contributed had employer
15 contributions been made to the system concurrently with the
16 rendering of the service, plus valuation interest to the day of
17 the crediting of the service. Notwithstanding the provisions of
18 section 5504, the amount due as member contributions and

30 government shall not provide retirement benefits to its local

1 government employees except as provided in this part.

2 (b) Definition.--As used in this section, the term
3 "retirement benefits" means an annuity, pension, health or
4 welfare benefit, insurance coverage, retirement allowance or
5 other retirement benefit provided to an annuitant or beneficiary
6 after the retirement of the annuitant except benefits provided
7 through participation in a postemployment hospital, medical,

13 monies, and for other purposes," or section 457 of the Internal
14 Revenue Code of 1986 (Public Law 99-154, 26 U.S.C. § 457).
15 § 5402. Establishment of local government employee retirement
16 systems restricted.

17 (a) Establishment of new retirement systems for full-time
18 local government employees prohibited.--After December 31, 1996,
19 a local government shall not establish a retirement or pension
20 fund, plan or system for its full-time employees except through

29 employees).

30 (c) Effective date for new retirement systems.--If a local

1 government establishes a retirement or pension fund, plan or
2 system after December 31, 1996, the local government shall
3 establish the retirement or pension fund, plan or system only as
4 of January 1 of the year in which the resolution or ordinance
5 creating the fund, plan or system is passed in final form.

6 § 5403. Continuation of existing local government employee
7 retirement systems.

8 A local government employee retirement system established and
9 maintained by a local government and created before January 1,
10 1997, may continue to operate until all its members and
11 beneficiaries have been transferred into the system under the
12 terms and conditions set forth in section 5406 (relating to
13 optional transfer of members and beneficiaries) or until it has
14 no members or beneficiaries representing actual or potential
15 liabilities, whichever occurs earlier. Upon the occurrence of
16 either circumstance, the local government employee retirement
17 system shall be terminated under section 5406(d).

18 § 5404. Application for participation required.

19 (a) Submission of application for participation.--After
20 December 31, 1996, a local government shall submit an
21 application for participation in the system no later than 15
22 days after the employment of a local government employee unless
23 no retirement system exists for previously hired employees of
24 the applicable type and the local government has no plans to
25 provide retirement benefits for employees of the applicable
26 type. Local governments shall submit separate applications for
27 participation for firefighters, nonuniformed employees and
28 police officers. Where a local government declines to submit an
29 application for participation under the provision of this
30 section and subsequently elects to provide retirement benefits

1 for employees of the applicable type, the local government shall
2 submit an application for participation in the system to be
3 effective on the following January 1 on a prospective basis for
4 all employees of the applicable type who were employed after
5 December 31, 1996.

6 (b) Designation of class of service multiplier.--Each
7 application for participation submitted by a local government
8 under this section shall designate the class of service
9 multiplier to be applied to the employees of the type specified
10 in the application for participation. A local government may
11 designate a higher class of service multiplier for the
12 applicable type of employee on any subsequent January 1 by
13 submitting a revised application for participation.

14 (c) Specification of procedures.--Local governments shall
15 adhere to the procedures adopted by the Local Government
16 Employees' Retirement Board regarding the content and submission
17 of applications for participation in the system.

18 § 5405. Designation of class of service multiplier.

19 (a) Local government employee retirement system with defined
20 benefits exists.--When a local government employee retirement
21 system for the firefighters, nonuniformed employees or police
22 officers of a local government exists on December 31, 1996, the
23 local government shall designate the class of service multiplier
24 as follows:

25 (1) If the local government transfers the members and
26 beneficiaries of a local government employee system to the
27 system under section 5406 (relating to optional transfer of
28 member and beneficiaries), the local government shall
29 designate a class of service multiplier in the system for the
30 transferred members and beneficiaries and for employees

1 entering local government service as firefighters,
2 nonuniformed employees or police officers after December 31,
3 1996, that provides aggregate benefits not less than those
4 provided under the local government employee retirement
5 system as determined under subsection (d), except as provided
6 in paragraph (3).

7 (2) If the local government does not transfer the
8 members and beneficiaries of a local government employee
9 retirement system to the system under section 5406, the local
10 government may designate any class of service multiplier in
11 the system for employees entering local government service as
12 firefighters, nonuniformed employees or police officers after
13 December 31, 1996, unless a collective bargaining agreement,
14 mediation agreement or arbitration award between the local
15 government and its employees in that particular group or
16 their collective bargaining representatives restricts the
17 class of service multiplier that may be designated for
18 employees entering local government service after December
19 31, 1996, in that particular group.

20 (3) If the aggregate benefits provided under the local
21 government employee retirement system exceed the highest
22 applicable class of service multiplier for firefighters,
23 nonuniformed employees or police officers, the local
24 government shall designate the highest applicable class of
25 service multiplier in the system for employees entering local
26 government service in that particular group of employees
27 after December 31, 1996 and for any members and beneficiaries
28 in that particular group transferred to the system under
29 section 5406.

30 (b) No local government employee retirement system or a

1 local government employee retirement system without defined
2 benefits exists.--When a local government employee retirement
3 system for the firefighters, nonuniformed employees or police
4 officers of a local government has no defined benefits or does
5 not exist on December 31, 1996:

6 (1) The local government may designate any of the four
7 class of service multipliers in the system for employees
8 entering local government service in the particular group
9 after December 31, 1996.

10 (2) If individuals who are active, full-time employees
11 of the local government in that particular group on December
12 31, 1996, later become members of the system as employees in
13 that particular group of that local government, the local
14 government shall designate the same class of service
15 multiplier in the system for those employees as it designated
16 for employees entering local government service in that
17 particular group after December 31, 1996, under paragraph
18 (1).

19 (c) Subsequent modification of designation of class of
20 service multiplier.--After the designation of a class of service
21 multiplier under subsection (a) or (b), a local government may
22 designate a higher class of service multiplier for that
23 particular group effective on any subsequent January 1, subject
24 to any collective bargaining agreement, mediation agreement or
25 arbitration award between the local government and its employees
26 in that particular group or their collective bargaining
27 representatives, provided that the local government agrees to
28 pay an amount equal to the increase in the actuarial accrued
29 liability over not more that a 20-year period based on a level
30 dollar amortization schedule. The amortization payments so

1 incurred shall be added to the employer contributions of the
2 individual local government determined under section 5508(a.1)
3 (relating to actuarial cost method).

4 (d) Benefit structure.--Before the January 1 transfer date
5 of full-time local government employees under subsection (a)(1),
6 the Local Government Employees' Retirement Board shall cause the
7 actuary of the system to value both the benefit structure of the
8 local government employee retirement system and the benefit
9 structure of the system using the system's standard methodology
10 and the demographic data for the prospective members to
11 determine actuarial present value of future benefits under each
12 system. The resulting values shall determine the lowest class of
13 service multiplier that may be designated by the local
14 government.

15 § 5406. Optional transfer of members and beneficiaries.

16 (a) Optional transfer of members and beneficiaries
17 permitted.--On any January 1 after December 31, 1997, a local
18 government may transfer all of the members and beneficiaries of
19 one or more of its local government employee retirement systems
20 to the system under the conditions provided in subsections (b)
21 and (c).

22 (b) Conditions for optional transfer.--The optional transfer
23 of members and beneficiaries of a local government employee
24 retirement system shall require, among other conditions, all of
25 the following:

27 the local government employee retirement system in an
28 election conducted by the Local Government Employees'
29 Retirement Board;

30 (2) a duly passed resolution of the governing body of

1 the local government under which the local government
2 employee retirement system is operating declaring the
3 governing body's desire and intent to transfer all of the
4 members and beneficiaries to and to participate in the
5 system;

6 (3) prepayment to the Local Government Employees'
7 Retirement Fund by the local government of the amount equal
8 to the actuarial accrued liabilities attributable to the
9 members and beneficiaries of the local government employee
10 retirement system on the January 1 the transfer is effective
11 as determined by the actuary;

12 (4) agreement by the local government to pay to the
13 Local Government Employees' Retirement Fund the pickup
14 contributions and employer contributions under Chapter 55
15 (relating to contributions); and

16 (5) approval by the Local Government Employees'
17 Retirement Board of an application for transfer of the
18 members and beneficiaries to and participation of the local
19 government and its full-time employees in the system.

20 (c) Six months limitation of time for civil actions and
21 proceedings.--

22 (1) A civil action or proceeding at law or in equity
23 seeking to prohibit or rescind the optional transfer to or
24 subsequent participation in the system of one or more members
25 or beneficiaries of the local government employee retirement
26 system shall be commenced within 6 months of the January 1
27 the transfer is to be or was effective.

28 (2) If, as a result of a civil action or proceeding, the
29 transfer to or participation in the system of one or more
30 members or beneficiaries of the local government employee

1 retirement system is prohibited or rescinded before the
2 January 1 the transfer is to be effective, the transfer to
3 and participation in the system by all members and
4 beneficiaries of the local government employee retirement
5 system shall not occur.

6 (3) If, as a result of a civil action or proceeding, the
7 transfer to or participation in the system of one or more
8 members or beneficiaries of the local government employee
9 retirement system is prohibited or rescinded on or after the
10 January 1 the transfer was effective, the transfer to and
11 participation in the system by all members and beneficiaries
12 of the local government employee retirement system shall be
13 permanently rescinded and the assets transferred and
14 contributed by the local government and the members of the
15 local government employee retirement system shall be refunded
16 with statutory interest to the public employee pension trust
17 fund of the local government employee retirement system.

18 (4) If a civil action or proceeding at law or in equity
19 seeking to prohibit or rescind the optional transfer to or
20 subsequent participation in the system of one or more members
21 or beneficiaries of a local government employee retirement
22 system is not commenced within six months of the January 1
23 the transfer is effective, any civil action or proceeding

6 5421. Revision of general municipal pension system State aid
7 program.

8 § 5421. Revision of general municipal pension system State aid
9 program.

10 (a) Maximum allocation.--Notwithstanding the provisions of
11 section 402(e)(5) of the act of December 18, 1984 (P.L.1005,
12 No.205), known as the Municipal Pension Plan Funding Standard
13 and Recovery Act, each eligible municipality participating in
14 the distribution of general municipal pension system State aid
15 under Chapter 4 of the Municipal Pension Plan Funding Standard
16 and Recovery Act during calendar year 1986 and thereafter whose
17 allocation is capped at the aggregate actual employer financial
18 requirements of its employee pension plans under section
19 402(f)(2) of the Municipal Pension Plan Funding Standard and
20 Recovery Act shall be entitled to receive an allocation equal to
21 the lesser of its allocation of general municipal pension system
22 State aid calculated under section 402(e)(5)(ii) of the
23 Municipal Pension Plan Funding Standard and Recovery Act or its
24 State aid stabilization amount. The State aid stabilization
25 amount for each eligible municipality shall be determined on a
26 pension plan by pension plan basis by applying the employer
27 pension costs, expressed as a percentage of payroll and reported
28 under the Municipal Pension Plan Funding Standard and Recovery
29 Act in the actuarial valuation reports prepared as of the plan
30 year commencing in 1995, to the respective payrolls used in

1 calculating the allocation under section 402(e)(5) of the
2 Municipal Pension Plan Funding Standard and Recovery Act for the
3 current year and then adding the resulting employer costs for
4 all of the pension plans of the municipality. For pension plans
5 initiated after 1995, the State aid stabilization amount shall
6 be determined using the percentage of payroll cost reported in
7 the initial actuarial valuation report filed with the Public
8 Employee Retirement Commission.

9 (b) Use of allocation in excess of costs.--Notwithstanding
10 the provisions of section 402(g) of the Municipal Pension Plan
11 Funding Standard and Recovery Act, an eligible municipality that
12 receives an allocation of general municipal pension system State
13 aid determined by its State aid stabilization amount under this
14 section shall use the general municipal pension system State aid
15 in excess of its aggregate employer pension costs to offset the
16 costs of employee benefits other than pension or retirement
17 benefits. The Department of the Auditor General shall determine
18 the aggregate employer pension costs to be applied in the
19 administration of this subsection in conjunction with its
20 administration of section 402(f)(2) of the Municipal Pension
21 Plan Funding Standard and Recovery Act, and shall issue two
22 warrants for each affected municipality under section 402(i) of
23 the Municipal Pension Plan Funding Standard and Recovery Act
24 representing the municipality's annual allocation of general
25 municipal pension system State aid comprised of:

26 (1) the portion determined under section 402(f)(2) of
27 the Municipal Pension Plan Funding Standard and Recovery Act
28 to be equal to the amount of the aggregate employer pension
29 costs that shall be used under section 402(g) of the
30 Municipal Pension Plan Funding Standard and Recovery Act; and

1 (2) the portion determined under subsection (a) to be
2 equal to the amount in excess of the aggregate employer
3 pension costs that shall be used under the provisions of this
4 subsection.

5 Within 15 days of receipt, the portion of a municipality's
6 annual allocation of general municipal pension system State aid
7 that represents the amount in excess of its aggregate employer
8 pension costs shall be deposited in a restricted revenue account
9 of the general fund of the municipality. The moneys deposited in
10 the restricted revenue account shall be expended only for the
11 provision of nonpension employee benefits before December 31 of
12 the year in which they are received. All or any fractional part
13 of the portion of a municipality's annual allocation of general
14 municipal pension system State aid that represents the amount in
15 excess of its aggregate employer pension costs that is not
16 expended under the provisions of this subsection shall be
17 recouped by the Department of the Auditor General and
18 redistributed in the following year. For the purposes of this
19 subsection, the term "expended" may include a direct expenditure
20 or a reimbursement transaction to credit other accounts for
21 expenses incurred in the provision of nonpension employee
22 benefits within the portion of the calendar year elapsing prior
23 to the receipt of the general municipal pension system State
24 aid.

25 (c) Construction of section.--Nothing in this section shall
26 be construed to repeal any of the provisions of Chapters 5 and 6
27 of the Municipal Pension Plan Funding Standard and Recovery Act.

28 (d) Definition.--As used in this section, the terms
29 "municipality," "pension plan" and "plan year" have the meanings

10 § 5445. Losses, expenses and obligations.

11 Neither the Commonwealth, the Local Government Employees'
12 Retirement Board nor any local government shall be responsible
13 for any investment loss incurred in the plan or for the failure
14 of any investment to earn any specific or expected return or to
15 earn as much as any other investment opportunity, whether such
16 other investment opportunity was offered to participants in the
17 plan. The expenses arising from allowing individual members to

8 Any interest earned on such funds pending investment shall be
9 allocated to the Local Government Employees' Retirement Board
10 and credited to the accounts of individual members who are then
11 participating in the plan unless such interest is used to defray
12 administrative costs and fees that would otherwise be required
13 to be borne by individual members who are then participating in
14 the plan.

15 § 5447. No assignment or alienation.

16 Except as provided in section 5953 (relating to taxation,

24 A participating individual member may withdraw from the
25 agreement in accordance with the plan by notice, in writing,
26 signed by the member and chief administrative officer of the
27 local government. Such withdrawal shall discontinue future
28 withholdings from the individual member's compensation by the
29 local government and future contributions by the local
30 government, but shall not operate to withdraw any funds

1 theretofore contributed, except as provided under section 5452

17 Insurance Law, insurance companies selected as qualified fund
18 managers by eligible individual members may pay commissions to
19 agents or brokers licensed to transact business in this
20 Commonwealth in accordance with their standard practice followed
21 in other similar plans as if the premium had been paid by such
22 eligible individual member.

23 § 5451. Eligibility for vesting.

24 Any participant who terminates local government service with
25 ten or more eligibility points shall be eligible until
26 attainment of superannuation age to vest his supplemental local
27 government benefit accumulation plan benefits.

10 by an active member or eligible school employee for credit for
11 total previous [State] government service or to become a full
12 coverage member shall be sufficient to provide an amount equal
13 to the regular and additional accumulated deductions which would
14 have been standing to the credit of the member for such service
15 had regular and additional member contributions been made with
16 full coverage in the class of service and at the rate of
17 contribution applicable during such period of previous service
18 and had his regular and additional accumulated deductions been
19 credited with statutory interest during all periods of
20 subsequent [State] government and school service up to the date
21 of purchase.

20 employee during his period of service as a magistrate of the
21 City of Philadelphia. The amount so determined by the State
22 Employees' Retirement Board or the Local Government Employees'
23 Retirement Board to be paid into the [State] Government
24 Employees' Retirement System shall be the obligation of the
25 judge who requested credit for previous service as a magistrate
26 of the City of Philadelphia; in no event shall such amount be an
27 obligation of the City of Philadelphia or the City of
28 Philadelphia retirement system.

1 In the event that a member terminates [State] government
2 service before the agreed upon payments for credit for previous

15 before the agreed upon payments have been completed, the present
16 value of the benefit otherwise payable shall be reduced by the
17 balance due, including interest, and the benefit payable shall
18 be calculated as the actuarial equivalent of such reduced
19 present value.

16 [board] State Employees' Retirement Board. The total employer
17 contribution rate on behalf of all active members in State
18 service shall consist of the employer normal contribution rate,
19 as defined in subsection (b), and the accrued liability
20 contribution rate as defined in subsection (c). The total
21 employer contribution rate for the Commonwealth and other
22 employers, except for local governments, shall be modified by
23 the experience adjustment factor as calculated in subsection (f)
24 but in no case shall it be less than zero.

19 the basis of his [prospective] compensation through his entire
20 period of active [State] government service, would be sufficient
21 to fund the liability for any prospective benefit payable to
22 him, except for the supplemental benefits provided for in
23 sections 5708 (relating to supplemental annuities), 5708.1
24 (relating to additional supplemental annuities), 5708.2
25 (relating to further additional supplemental annuities) and
26 5708.3 (relating to supplemental annuities commencing 1994), in
27 excess of that portion funded by his [prospective] member
28 contributions.

29 (c) Accrued liability contribution rate.--For the fiscal
30 year beginning July 1, 1991, the accrued liability contribution

1 rate shall be computed as the rate of total compensation of all
2 active members which shall be certified by the actuary as
3 sufficient to fund over a period of 20 years from July 1, 1991,
4 the present value of the liabilities for all prospective
5 benefits, except for the supplemental benefits as provided in
6 sections 5708, 5708.1, 5708.2 and 5708.3, in excess of the total
7 assets in the fund (calculated recognizing all investment gains
8 and losses over a five-year period), excluding the balance in
9 the supplemental annuity account, and the present value of
10 employer normal contributions and of member contributions
11 payable with respect to all active members on July 1, 1991. The
12 amount of each annual accrued liability contribution shall be 5%
13 greater than the amount of such contribution for the previous
14 fiscal year, except that, if the accrued liability is increased
15 by legislation enacted subsequent to July 1, 1991, such
16 additional liability shall be funded over a period of 20 years
17 from the first day of July, coincident with or next following
18 the effective date of the increase, provided that the liability
19 for any additional benefits created by this act shall be funded
20 over a period of 20 years commencing July 1, 1992. The amount of
21 each annual accrued liability contribution for such additional
22 legislative liabilities shall be 5% greater than the amount of
23 such contribution for the previous fiscal year.

24 (d) Special provisions on calculating contributions.--In
25 calculating the contributions required by subsections (a), (b)
26 and (c), the active members of Class C shall be considered to be
27 members of Class A. In addition, the actuary shall determine the
28 Commonwealth or other employer contributions required for active
29 members of Class C and officers of the Pennsylvania State Police
30 and enforcement officers and investigators of the Pennsylvania

1 Liquor Control Board who are members of Class A to finance their
2 benefits in excess of those to which other members of Class A
3 are entitled. Such additional contributions shall be determined
4 separately for officers and employees of the Pennsylvania State
5 Police and for enforcement officers and investigators of the
6 Pennsylvania Liquor Control Board. Such contributions payable on
7 behalf of officers and employees of the Pennsylvania State
8 Police shall include the amounts received by the system under
9 the provisions of the act of May 12, 1943 (P.L.259, No.120),
10 referred to as the Foreign Casualty Insurance Premium Tax
11 Allocation Law, and on behalf of enforcement officers or
12 investigators of the Pennsylvania Liquor Control Board, the
13 amounts received by the system under the provisions of the act
14 of April 12, 1951 (P.L.90, No.21), known as the Liquor Code.

15 (e) Supplemental annuity contribution rate.--Contributions
16 from the Commonwealth required to provide for the payment of
17 supplemental annuities as provided in sections 5708, 5708.1 and
18 5708.2 shall be paid over a period of 20 years from July 1,
19 1991. The amount of each annual supplemental annuities
20 contribution shall be 5% greater than the amount of such
21 contribution for the previous fiscal year. In the event that
22 supplemental annuities are increased by legislation enacted
23 subsequent to July 1, 1991, the additional liability for the
24 increase in benefits shall be funded in annual installments
25 increasing by 5% each year over a period of 20 years from the
26 July first, coincident with or next following the effective date
27 of such legislation. Notwithstanding the preceding, the funding
28 for the supplemental annuities commencing 1994 provided for in
29 section 5708.3 shall be as provided in section 5708.3(f).

30 (f) Experience adjustment factor.--For each year after the

1 establishment of the accrued liability contribution rate for the
2 fiscal year beginning July 1, 1991, any increase or decrease in
3 the accrued liability, including liability for supplemental
4 annuities, due to actual experience differing from assumed
5 experience, changes in actuarial assumptions, changes in the
6 terms and conditions of the benefits provided by the system by
7 judicial, administrative or other processes other than
8 legislation, including, but not limited to, reinterpretation of
9 the provisions of this part, shall be amortized in annual
10 installments increasing by 5% each year over a period of 20
11 years beginning with the July 1 succeeding the actuarial
12 valuation.

13 (g) Determination of liability for special vestee.--
14 Notwithstanding any other provision of this part or other law,
15 the total additional accrued actuarial liability resulting from
16 eligibility of special vestees for benefits upon the attainment
17 of superannuation age shall be determined by the actuary as part
18 of the first annual valuation made after June 30, 1997. The
19 resulting additional accrued actuarial liability shall be paid
20 by The Pennsylvania State University to the board in one lump
21 sum payment within 90 days of the board's certification of the
22 amount to The Pennsylvania State University.

23 § 5509. Appropriations and assessments by the Commonwealth.

24 (a) Annual submission of budget.--The [board] boards shall
25 prepare and submit annually an itemized budget consisting of the
26 amounts necessary to be appropriated by the Commonwealth out of
27 the General Fund and special operating funds and the amounts to
28 be assessed the other employers required to meet the obligations
29 accruing during the fiscal period beginning the first day of
30 July of the following year.

1 (b) Appropriation and payment.--The General Assembly shall
2 make an appropriation sufficient to provide for the obligations
3 of the Commonwealth. Such amount shall be paid by the State
4 Treasurer through the Department of Revenue into the [fund]
5 State Employees' Retirement Fund in accordance with requisitions
6 presented by the [board] State Employees' Retirement Board. The
7 contributions by the Commonwealth on behalf of active members
8 who are officers of the Pennsylvania State Police shall be
9 charged to the General Fund and to the Motor License Fund in the
10 same ratios as used to apportion the appropriations for salaries
11 of members of the Pennsylvania State Police. The contributions
12 by the Commonwealth on behalf of active members who are
13 enforcement officers and investigators of the Pennsylvania
14 Liquor Control Board shall be charged to the General Fund and to
15 the State Stores Fund.

16 (c) Contributions from funds other than General Fund.--The
17 amounts assessed other employers, except for local governments,
18 who are required to make the necessary contributions out of
19 funds other than the General Fund shall be paid by such
20 employers into the [fund] State Employees' Retirement Fund in
21 accordance with requisitions presented by the [board] State
22 Employees' Retirement Board. The General Fund of the
23 Commonwealth shall not be held liable to appropriate the moneys
24 required to build up the reserves necessary for the payment of
25 benefits to employees of such other employers. In case any such
26 other employer shall fail to provide the moneys necessary for
27 such purpose, then the service of such members for such period
28 for which money is not so provided shall be credited and pickup
29 contributions with respect to such members shall continue to be
30 credited to the members' savings account. The annuity to which

1 such member is entitled shall be determined as actuarially
2 equivalent to the present value of the maximum single life
3 annuity of each such member reduced by the amount of employer
4 contributions payable on account and attributable to his
5 compensation during such service.

6 Section 8. Title 71 is amended by adding sections to read:
7 § 5510. Payments by local governments.

8 (a) General rule.--Not later than 30 days after the end of
9 the quarter, each local government shall make payments to the
10 Local Government Employees' Retirement Fund each quarter in an
11 amount equal to the percentages, as determined under section
12 5508 (relating to actuarial cost method), applied to the total
13 compensation during the pay periods in the preceding quarter of
14 all its employees who were members of the system during such
15 period.

16 (b) Deduction from intergovernmental revenue.--To facilitate
17 the payment of amounts due from any local government to the
18 Local Government Employees' Retirement Fund through the State
19 Treasurer and to permit the exchange of credits between the
20 State Treasurer and any local government, the Local Government
21 Employees' Retirement Board and the State Treasurer shall cause
22 to be deducted and paid into the Local Government Employees'
23 Retirement Fund from any moneys due to any local government from
24 the Commonwealth such amount due to the Local Government
25 Employees' Retirement Fund adjusted at the valuation interest
26 rate as certified by the Local Government Employees' Retirement
27 Board and as remains unpaid for a period of 90 days on the date
28 such intergovernmental revenue would otherwise be paid to the
29 local government, and such amount shall be credited to the local
30 government's account in the Local Government Employees'

1 Retirement Fund. The General Fund shall not be held liable to
2 appropriate the moneys required to build up the reserves
3 necessary for the payment of benefits to employees of such local
4 governments.

5 (c) Exceptions to the deductions from Commonwealth
6 intergovernmental revenue.--Notwithstanding the provisions of
7 subsection (b), deductions shall not be made from the following
8 intergovernmental revenues due to a local government:

9 (1) Capital projects under contract in progress.

10 (2) Moneys received by a local government from an agency
11 of the Commonwealth or the Federal Government under a
12 declaration of a disaster resulting from a catastrophe.

13 § 5511. Enforcement of local government contributions or
14 payments by mandamus action.

15 (a) Legislative finding and declaration.--The General
16 Assembly finds and declares that any actual or potential failure
17 by a local government to make contributions or payments
18 established by section 5405 (relating to designation of class of
19 service multiplier), 5501 (relating to regular member
20 contributions for current service), 5502 (relating to Social
21 Security integration member contributions), 5503 (relating to
22 joint coverage member contributions), 5503.1 (relating to pickup
23 contributions), 5504 (relating to member contributions for the
24 purchase of credit for previous government service or to become
25 a full coverage member), 5505 (relating to contributions for the
26 purchase of credit for creditable nonstate service), 5505.1
27 (relating to additional member contributions), 5507 (relating to
28 contributions by the Commonwealth and other employers), 5508
29 (relating to actuarial cost method), 5509 (relating to
30 appropriations and assessments by the Commonwealth) or 5510

1 (relating to payments by local governments) threatens serious
2 injury to the affected local government employees, the system
3 and the Commonwealth itself. By expressly authorizing the remedy
4 of mandamus in this section, the General Assembly intends to
5 assist all persons with a beneficial or special interest in the
6 system in addition to all persons or entities with a special
7 responsibility or duty in relation to the system in securing
8 that compliance.

9 (b) Generally.--In the event that a local government fails
10 to comply with its duty to pay the full amount of the
11 contributions or payments as specified in Chapter 54 (relating
12 to local government retirement) or this chapter, the failure may
13 be remedied by the institution of legal proceedings for
14 mandamus. Every local government is by this part on notice as to
15 its duty to make its contributions or payments to the system.
16 The provisions of this part shall be deemed to be sufficient
17 demand to the local government for it to comply with its duty,
18 and the failure by the local government to pay the full amount
19 of the contribution or payment to the system shall be deemed to
20 be sufficient refusal by the local government to comply with its
21 duty antecedent to the commencement of the action. No other
22 remedy at law shall be deemed to be sufficiently adequate and
23 appropriate to bar the commencement of this action. The system
24 shall be deemed to have been damaged by the failure of the local
25 government to comply with its legal duty to make its
26 contribution or payment to the system and that damage shall be
27 deemed to be immediate. No issuance of mandamus in connection
28 with the legal duty of a local government to make its
29 contribution or payment to the system shall be deemed to
30 threaten the creation of confusion, disorder or excessive burden

1 on the local government or to threaten a result that is
2 detrimental to the public interest.

3 (c) Boards beneficially interested.--The boards are
4 beneficially interested in the affairs of the system and either
5 or both shall have standing to institute a legal proceeding for
6 mandamus as provided in this section.

7 (d) Scope of remedy.--Any mandamus under this section shall
8 compel the payment of any delinquent contribution or payment to
9 the system with interest at the applicable compound rate.

10 Section 9. Sections 5702(a)(1), 5704(a), (c) and (e),
11 5705(a), 5706, 5707(c), 5708.1(a) and (f), 5708.2(f), 5708.3(g)
12 and 5901(a) of Title 71 are amended to read:

13 § 5702. Maximum single life annuity.

14 (a) General rule.--Any full coverage member who is eligible
15 to receive an annuity pursuant to the provisions of section
16 5308(a) or (b) (relating to eligibility for annuities) shall be
17 entitled to receive a maximum single life annuity attributable
18 to his credited service and equal to the sum of the following
19 single life annuities beginning at the effective date of
20 retirement:

21 (1) A standard single life annuity multiplied by the sum
22 of the products, determined separately for each class of
23 service, obtained by multiplying the appropriate class of
24 service multiplier by the ratio of years of service credited
25 in that class to the total credited service. In case the
26 member on the effective date of retirement is under
27 superannuation age for any service, a reduction factor
28 calculated to provide benefits actuarially equivalent to an
29 annuity starting at superannuation age shall be applied to
30 the product determined for that service. The class of service

1 multiplier for any period of concurrent service shall be
2 multiplied by the proportion of total [State] government and
3 school compensation during such period attributable to
4 [State] government service. In the event a member has two
5 multipliers for one class of service the class of service
6 multiplier to be used for calculating benefits for that class
7 shall be the average of the two multipliers weighted by the
8 proportion of compensation attributable to each multiplier
9 during the three years of highest annual compensation in that
10 class of service: Provided, That in the case of a member of
11 Class E-1, a portion but not all of whose three years of
12 highest annual judicial compensation is prior to January 1,
13 1973, two class of service multipliers shall be calculated on
14 the basis of his entire judicial service, the one applying
15 the judicial class of service multipliers effective prior to
16 January 1, 1973 and the second applying the class of service
17 multipliers effective subsequent to January 1, 1973. The
18 average class of service multiplier to be used for
19 calculating benefits for his judicial service shall be the
20 average of the two calculated multipliers weighted by the
21 proportion of compensation attributable to each of the
22 calculated multipliers during the three years of highest
23 annual compensation in that class of service.

25 § 5704. Disability annuities.

26 (a) Amount of annuity.--A member who has made application
27 for a disability annuity and has been found to be eligible in
28 accordance with the provisions of section 5905(c)(1) (relating
29 to duties of the [board] boards regarding applications and
30 elections of members) shall receive a disability annuity payable

1 from the effective date of disability as determined by the board
2 and continued until a subsequent determination by the board that
3 the annuitant is no longer entitled to a disability annuity. The
4 disability annuity shall be equal to a standard single life
5 annuity multiplied by the class of service multiplier applicable
6 to the class of service at the time of disability if the product
7 of such class of service multiplier and the total number of
8 years of credited service is greater than 16.667, otherwise the
9 standard single life annuity shall be multiplied by the lesser
10 of the following ratios:

11 MY^*/Y or $16.667/Y$

12 where Y = number of years of credited service, Y* = total years
13 of credited service if the member were to continue as a [State]
14 government employee until attaining superannuation age as
15 applicable at the time of disability, or if the member has
16 attained superannuation age, as applicable at the time of
17 disability, then the number of years of credited service and M =
18 the class of service multiplier as applicable at the effective
19 date of disability. A member of Class C shall receive, in
20 addition, any annuity to which he may be eligible under section
21 5702(a)(3) (relating to maximum single life annuity). The member
22 shall be entitled to the election of a joint and survivor
23 annuity on that portion of the disability annuity to which he is
24 entitled under section 5702.

25 * * *

26 (c) Reduction on account of earned income.--Subsequent to
27 January 1, 1972, payments on account of disability shall be
28 reduced by that amount by which the earned income of the
29 annuitant, as reported in accordance with section 5908(b)
30 (relating to rights and duties of annuitants), for the preceding

1 calendar quarter together with the disability annuity payments
2 provided in this section other than subsection (b), for the
3 quarter, exceeds the product of:

4 (i) the greater of \$1,250 or one-quarter of the last
5 year's salary of the annuitant as a [State] government
6 employee;

7 (ii) the ratio of the current monthly payment to the
8 monthly payment at the effective date of disability; and

9 (iii) the percentage factor determined by the
10 following table for the calendar year of the member's
11 effective date of disability:

12	Calendar Year of	
13	Effective Date of	Percentage
14	Disability	Factor
15	1966 or earlier	135%
16	1967	130%
17	1968	125%
18	1969	120%
19	1970	115%
20	1971	110%
21	1972	105%

22 Provided, That the annuitant shall not receive less than his
23 member's annuity or the amount to which he may be entitled under
24 section 5702 whichever is greater.

25 * * *

26 (e) Termination of [State] government service.--Upon
27 termination of disability annuity payments in excess of an
28 annuity calculated in accordance with section 5702, a disability
29 annuitant who does not return to [State] government service may
30 file an application with the board for an amount equal to the

1 excess, if any, of the sum of the regular and additional
2 accumulated deductions standing to his credit at the effective
3 date of disability over one-third of the total disability
4 annuity payments received. If the annuitant on the date of
5 termination of service was eligible for an annuity as provided
6 in section 5308(b) (relating to eligibility for annuities), he
7 may file an application with the board for an election of an
8 optional modification of his annuity.

10 § 5705. Member's options.

11 (a) General rule.--Any special vestee who has attained
12 superannuation age, any vestee having ten or more eligibility
13 points or any other eligible member upon termination of State
14 service who has not withdrawn his total accumulated deductions
15 as provided in section 5701 (relating to return of total
16 accumulated deductions) may apply for and elect to receive
17 either a maximum single life annuity, as calculated in
18 accordance with the provisions of section 5702 (relating to
19 maximum single life annuity), or a reduced annuity certified by
20 the actuary to be actuarially equivalent to the maximum single
21 life annuity and in accordance with one of the following
22 options; except that no member shall elect an annuity payable to
23 one or more survivor annuitants other than his spouse or
24 alternate payee of such a magnitude that the present value of
25 the annuity payable to him for life plus any lump sum payment he
26 may have elected to receive is less than 50% of the present
27 value of his maximum single life annuity:

28 (1) Option 1.--A life annuity to the member with a
29 guaranteed total payment equal to the present value of the
30 maximum single life annuity on the effective date of

1 retirement with the provision that, if, at his death, he has
2 received less than such present value, the unpaid balance
3 shall be payable to his beneficiary.

4 (2) Option 2.--A joint and survivor annuity payable
5 during the lifetime of the member with the full amount of
6 such annuity payable thereafter to his survivor annuitant, if
7 living at his death.

8 (3) Option 3.--A joint and fifty percent (50%) survivor
9 annuity payable during the lifetime of the member with one-
10 half of such annuity payable thereafter to his survivor
11 annuitant, if living at his death.

12 (4) Option 4.--Some other benefit which shall be
13 certified by the actuary to be actuarially equivalent to the
14 maximum single life annuity, subject to the following
15 restrictions:

16 (i) any annuity shall be payable without reduction
17 during the lifetime of the member;

18 (ii) the sum of all annuities payable to the
19 designated survivor annuitants shall not be greater than
20 one and one-half times the annuity payable to the member;
21 and

22 (iii) a portion of the benefit may be payable as a
23 lump sum, except that such lump sum payment shall not
24 exceed an amount equal to the total accumulated
25 deductions standing to the credit of the member. The
26 balance of the present value of the maximum single life
27 annuity adjusted in accordance with section 5702(b) shall
28 be paid in the form of an annuity with a guaranteed total
29 payment, a single life annuity, or a joint and survivor
30 annuity or any combination thereof but subject to the

1 restrictions of subparagraphs (i) and (ii) under this
2 option.

4 § 5706. Termination of annuities.

5 (a) General rule.--If the annuitant returns to [State]
6 government service or enters school service and elects multiple
7 service membership, any annuity payable to him under this part
8 shall cease and in the case of an annuity other than a
9 disability annuity the present value of such annuity, adjusted
10 for full coverage in the case of a joint coverage member who
11 makes the appropriate back contributions for full coverage,
12 shall be frozen as of the date such annuity ceases. An annuitant
13 who is credited with an additional 10% of Class A and Class C
14 service as provided in section 5302(c) (relating to credited
15 [State] government service) and who returns to [State]
16 government service shall forfeit such credited service and shall
17 have his frozen present value adjusted as if his 10% retirement
18 incentive had not been applied to his account. In the event that
19 the cost-of-living increase enacted December 18, 1979 occurred
20 during the period of such [State] government or school
21 employment, the frozen present value shall be increased, on or
22 after the member attains superannuation age, by the percent
23 applicable had he not returned to service. This subsection shall
24 not apply in the case of any annuitant who may render services
25 to the Commonwealth or a local government in the capacity of an
26 independent contractor or as a member of an independent board or
27 commission or as a member of a departmental administrative or
28 advisory board or commission when such members of independent or
29 departmental boards or commissions are compensated on a per diem
30 basis for not more than 150 days per calendar year.

1 (a.1) Return to [State] government service during
2 emergency.--When, in the judgment of the employer, an emergency
3 creates an increase in the work load such that there is serious
4 impairment of service to the public, an annuitant may be
5 returned to [State] government service for a period not to
6 exceed 95 days in any fiscal year without loss of his annuity.
7 In computing the number of days an annuitant has returned to
8 [State] government service, any amount of time less than one-
9 half of a day shall be counted as one-half of a day. For
10 agencies, boards and commissions under the Governor's
11 jurisdiction, the approval of the Governor that an emergency
12 exists shall be required before an annuitant may be returned to
13 State service.

14 (b) Subsequent discontinuance of service.--Upon subsequent
15 discontinuance of service, such member other than a former
16 annuitant who had the effect of his frozen present value
17 eliminated in accordance with subsection (c) or a former
18 disability annuitant shall be entitled to an annuity which is
19 actuarially equivalent to the sum of the present value as
20 determined under subsection (a) and the present value of a
21 maximum single life annuity based on years of service credited
22 subsequent to reentry in the system and his final average salary
23 computed by reference to his compensation during his entire
24 period of [State] government and school service.

25 (c) Elimination of the effect of frozen present value.--

26 (1) An annuitant who returns to [State] government
27 service and earns three eligibility points by performing
28 credited [State] government service following the most recent
29 period of receipt of an annuity under this part, or an
30 annuitant who enters school service and:

1 (i) is a multiple service member; or
2 (ii) who elects multiple service membership, and
3 earns three eligibility points by performing credited [State]
4 government service or credited school service following the
5 most recent period of receipt of an annuity under this part,
6 and who had the present value of his annuity frozen in
7 accordance with subsection (a), shall qualify to have the
8 effect of the frozen present value resulting from all
9 previous periods of retirement eliminated, provided that all
10 payments under Option 4 and annuity payments payable during
11 previous periods of retirement plus interest as set forth in
12 paragraph (3) shall be returned to the fund from which they
13 were paid in the form of an actuarial adjustment to his
14 subsequent benefits or in such form as the board may
15 otherwise direct.

16 (2) Upon subsequent discontinuance of service and the
17 filing of an application for an annuity, a former annuitant
18 who qualifies to have the effect of a frozen present value
19 eliminated under this subsection shall be entitled to receive
20 the higher of either:

21 (i) an annuity (prior to optional modification)
22 calculated as if the freezing of the former annuitant's
23 account pursuant to subsection (a) had not occurred,
24 adjusted according to paragraph (3), provided that a
25 former annuitant of the system or a former annuitant of
26 the Public School Employees' Retirement System who
27 retired under a provision of law granting additional
28 service credit if termination of [State] government or
29 school service or retirement occurred during a specific
30 period of time shall not be permitted to retain the

1 additional service credit under the prior law when the
2 annuity is computed for his most recent retirement; or
3 (ii) an annuity (prior to optional modification)
4 calculated as if the former annuitant did not qualify to
5 have the effect of the frozen present value eliminated,
6 unless the former annuitant notifies the board in writing by
7 the later of the date the application for annuity is filed or
8 the effective date of retirement that the former annuitant
9 wishes to receive the lower annuity.

10 (3) In addition to any other adjustment to the present
11 value of the maximum single life annuity that a member may be
12 entitled to receive that occurs as a result of any other
13 provision of law, the present value of the maximum single
14 life annuity shall be reduced by all amounts paid or payable
15 to him during all previous periods of retirement plus
16 interest on these amounts until the date of subsequent
17 retirement. The interest for each year shall be calculated
18 based upon the annual interest rate adopted for that fiscal

21 individual member account such amount, together with the
22 statutory interest thereon, as will cause the member's total

7 occupation and such other information as may be required by the
8 appropriate board. On failure, neglect, or refusal to furnish
9 such information for the period of the preceding quarter, the
10 board may refuse to make further payments due to disability to
11 such annuitant until he has furnished such information to the
12 satisfaction of the board. Should such refusal continue for six
13 months, all of his rights to the disability annuity payments in

12 however, to the exercise of that degree of judgment, skill and
13 care under the circumstances then prevailing which persons of
14 prudence, discretion and intelligence, who are familiar with
15 such matters, exercise in the management of their own affairs
16 not in regard to speculation, but in regard to the permanent
17 disposition of the funds, considering the probable income to be
18 derived therefrom as well as the probable safety of their
19 capital. The trustees shall have the power to hold, purchase,

11 [the] a board, employees of the board and agents thereof shall
12 stand in a fiduciary relationship to the members of the system
13 regarding the investments and disbursements of any of the moneys

21 and its citizens, including, but not limited to, investments
22 that increase and enhance the employment of Commonwealth
23 residents, encourage the construction and retention of adequate
24 housing and stimulate further investment and economic activity
25 in this Commonwealth. The [board] boards shall, through the
26 Governor, submit to the General Assembly annually, at the same
27 time the [board submits its] boards submit their budget covering
28 administrative expenses, a report identifying the nature and
29 amount of all existing investments made pursuant to this
30 subsection.

1 (f) Name for transacting business.--By the name of ["The
2 State Employees' Retirement System or "The State Employees'
3 Retirement System"] the Government Employees' Retirement System
4 all of the business of the system shall be transacted, its
5 [fund] funds invested, all requisitions for money drawn and
6 payments made, and all of its cash and securities and other
7 property shall be held, except that, any other law to the
8 contrary notwithstanding, [the] a board may establish a nominee
9 registration procedure for the purpose of registering securities
10 in order to facilitate the purchase, sale or other disposition
11 of securities pursuant to the provisions of this law.

12 (g) Deposits in banks and trust companies.--For the purpose
13 of meeting disbursements for annuities and other payments in
14 excess of the receipts, there shall be kept available by the
15 State Treasurer an amount, not exceeding 10% of the total amount
16 in [the] a fund, on deposit in any bank or banks in this
17 Commonwealth organized under the laws thereof or under the laws
18 of the United States or with any trust company or companies
19 incorporated by any law of this Commonwealth, provided any of
20 such banks or trust companies shall furnish adequate security

25 limited to not more than 2% of the book value of the total
26 assets of [the] a fund as determined for financial statement
27 purposes as of December 31 next preceding the date of
28 investment. An investment shall be deemed a venture capital
29 investment if it results in the acquisition of equity interests
30 or a combination of debt and equity interests in a business

1 which is expected to grow substantially in the future and in
2 which the expected return on investment is to come predominantly
3 from an increase in value of the equity interests and are not
4 interests in or secured by real estate. A venture capital
5 investment may be made only if, in the judgment of [the] a
6 board, the investment is reasonably likely to enhance the
7 general welfare of this Commonwealth and its citizens and meets
8 the standard of prudence set forth in subsection (a). In
9 determining whether the investment meets the standard of
10 prudence, [the] a board may consider, together with the expected
11 return on and the risk characteristics of the particular
12 investment, the actual and expected future returns and the risk
13 characteristics of the total venture capital investments held by
14 the board at the time and the degree to which the proposed new
15 investment would promote further diversification within the
16 venture capital asset class.

18 its prudent discretion may make any investments which meet the
19 standard of prudence set forth in subsection (a) by becoming a
20 limited partner in partnerships that will hold such investments;
21 or by acquiring shares or units of participation or otherwise
22 participating beneficially in bank collective trusts or in the
23 separate accounts of any insurance company authorized to do
24 business in this Commonwealth; or by acquiring stocks or shares
25 or units of participation or otherwise participating
26 beneficially in the fund of any corporation or trust organized
27 or created and existing under the laws of the United States or
28 of any state, district or territory thereof, which fund is
29 maintained for and consists of assets of employees' benefit
30 trusts, including governmental plans as defined in IRC § 414(d)

1 or which meet the requirements for qualification under IRC §
2 401, provided that, in any such case, the liability of the Local
3 Government Employees' Retirement Fund or the State Employees'
4 Retirement Fund shall be limited to the amount of its
5 investment.

6 (j) Legislative declaration concerning certain authorized
7 investments.--The General Assembly finds and declares that
8 authorized investments of [the] a fund made by or on behalf of
9 [the] a board under this section whereby [the] a board becomes a
10 joint owner or stockholder in any company, corporation or
11 association are outside the scope of the original intent of and
12 therefore do not violate the prohibition set forth in section 8
13 of Article VIII of the Constitution of Pennsylvania.

14 § 5932. State Employees' Retirement Fund.

15 The [fund] State Employees' Retirement Fund shall consist of
16 all balances in the several separate accounts set apart to be
17 used under the direction of the [board] State Employees'
18 Retirement Board for the benefit of members of the system; and

20 received from the Department of Revenue arising from the
21 contributions required under the provisions of Chapter 55
22 (relating to contributions), and any income earned by the
23 investments or moneys of said fund. There shall be established
24 and maintained by the board the several ledger accounts
25 specified in sections 5933 (relating to members' savings

4 pension trust fund comprising a fiscal and accounting entity
5 with a self-balancing set of accounts recording cash and other

17 The interest reserve account shall be the ledger account to
18 which shall be credited all income earned by the fund and to

23 the provisions of this subchapter. In addition, at the end of
24 each accounting period, the interest reserve account shall be
25 credited or charged with all recognized changes in the market

27 and investment expenses of the trustee board shall be paid from
28 the fund out of earnings. Any surplus or deficit in the interest
29 reserve account at the end of each year shall be transferred to
30 the State accumulation account.

1 § 5940. Northern Ireland-related investments.

2 (a) General rule.--Notwithstanding any other provision of
3 law, on and after the effective date of this section, any moneys
4 or assets of the [fund] funds which shall remain or be invested
5 in the stocks, securities or other obligations of any
6 institution or company doing business in or with Northern
7 Ireland or with agencies or instrumentalities thereof shall be
8 invested subject to the provisions of subsection (c).

9 (b) Annual review.--On or before January 1 of each year,
10 [the] each board shall determine the existence of affirmative
11 action taken by institutions or companies doing business in
12 Northern Ireland to eliminate ethnic or religious discrimination
13 based on actions taken for:

14 (1) Increasing the representation of individuals from
15 underrepresented religious groups in the work force,
16 including managerial, supervisory, administrative, clerical
17 and technical jobs.

18 (2) Providing adequate security for the protection of
19 minority employees, both at the workplace and while traveling
20 to and from work.

21 (3) The banning of provocative religious or political
22 emblems from the workplace.

23 (4) Publicly advertising all job openings and making
24 special recruitment efforts to attract applicants from
25 underrepresented religious groups.

26 (5) Providing that layoff, recall and termination
27 procedures should not in practice favor particular religious
28 groupings.

29 (6) The abolition of job reservations, apprenticeship
30 restrictions and differential employment criteria which

1 discriminate on the basis of religion or ethnic origin.

2 (7) The development of training programs that will
3 prepare substantial numbers of current minority employees for
4 skilled jobs, including the expansion of existing programs
5 and the creation of new programs to train, upgrade and
6 improve the skills of minority employees.

7 (8) The establishment of procedures to assess, identify
8 and actively recruit minority employees with potential for
9 further advancement.

10 (9) The appointment of senior management staff members
11 to oversee affirmative action efforts and the setting up of
12 timetables to carry out affirmative action principles.

13 (c) Investments.--Consistent with sound investment policy,
14 [the] each board shall invest the assets of [the] its fund in
15 such a manner that the investments in institutions doing
16 business in or with Northern Ireland shall reflect the advances
17 made by such institutions in eliminating discrimination as
18 established pursuant to subsection (b).

19 § 5951. [State guarantee] Employer guarantees.

20 (a) State guarantee.--The required interest charges payable,
21 the maintenance of reserves in the [fund] State Employees'
22 Retirement Fund, and the payment of all annuities and other
23 benefits granted by the [board] State Employees' Retirement
24 Board under the provisions of this part as to State service in
25 accordance with this part are hereby made obligations of the
26 Commonwealth.

27 (b) Local government guarantee.--The required interest
28 charges payable, the maintenance of reserves in the Local
29 Government Employees' Retirement Fund and the payment of all
30 annuities and other benefits granted by the Local Government

1 Employees' Retirement Board under the provisions of this part,
2 as to local government service in accordance with this part, are
3 hereby made obligations of the local government.

4 (c) Use of income interest and dividends.--All income,
5 interest, and dividends derived from deposits and investments
6 authorized by this part shall be used for the payment of the
7 said obligations of the Commonwealth and local governments.

8 § 5952. State supervision.

9 The [fund] funds and ledger accounts provided for by this
10 part shall be subject to the supervision of the State Insurance
11 Department.

12 § 5953. Taxation, attachment and assignment of funds.

13 (a) General rule.--

14 (1) Except as provided in paragraphs (2), (3) and (4),
15 the right of a person to any benefit or right accrued or
16 accruing under the provisions of this part and the moneys in
17 the [fund] funds are hereby exempt from any State or
18 municipal tax, levy and sale, garnishment, attachment,
19 spouse's election, or any other process whatsoever except for
20 a set-off by the Commonwealth in the case provided in
21 subparagraph (i) or a local government in the case provided
22 in subparagraph (iii), and shall be unassignable except:

23 (i) To the Commonwealth in the case of a member who
24 is terminating State service and has been determined to
25 be obligated to the Commonwealth for the repayment of
26 money owed on account of his employment or to the fund on
27 account of a loan from a credit union which has been
28 satisfied by the board from the fund.

29 (ii) To a credit union as security for a loan not to
30 exceed \$750 and interest not to exceed 6% per annum

1 discounted and/or fines thereon if the credit union is
2 now or hereafter organized and incorporated under the
3 laws of this Commonwealth and the membership of such
4 credit union is limited solely to officials and employees
5 of the Commonwealth or the officer or employees of a
6 local government and if such credit union has paid to the
7 fund \$3 for each such assignment.

8 (iii) To a local government in the case of a member
9 who is terminating local government service and has been
10 determined to be obligated to the local government for
11 the repayment of money owed on account of his employment
12 or to either fund on account of a loan from a credit
13 union which has been satisfied by the board from the
14 fund.

15 (2) Rights under this part shall be subject to
16 forfeiture as provided by the act of July 8, 1978 (P.L.752,
17 No.140), known as the Public Employee Pension Forfeiture Act,
18 and by or pursuant to section 16(b) of Article V of the
19 Constitution of Pennsylvania. Forfeitures under this
20 subsection or under any other provision of law may not be
21 applied to increase the benefits that any member would
22 otherwise receive under this part.

23 (3) Rights under this part shall be subject to
24 attachment in favor of an alternate payee as set forth in an
25 approved domestic relations order.

26 (4) Effective with distributions made on or after
27 January 1, 1993, and notwithstanding any other provision of
28 this part to the contrary, a distributee may elect, at the
29 time and in the manner prescribed by the appropriate board,
30 to have any portion of an eligible rollover distribution paid

1 directly to an eligible retirement plan by way of a direct
2 rollover. For purposes of this paragraph, a "distributee"
3 includes a member and a member's surviving spouse and a
4 member's former spouse who is an alternate payee under an
5 approved domestic relations order. For purposes of this
6 paragraph, the term "eligible rollover distribution" has the
7 meaning given such term by IRC § 402(f)(2)(A), and "eligible
8 retirement plan" has the meaning given such term by IRC §
9 402(c)(8)(B), except that a qualified trust shall be
10 considered an eligible retirement plan only if it accepts the
11 distributee's eligible rollover distribution; however, in the
12 case of an eligible rollover distribution to a surviving
13 spouse, an eligible retirement plan is an "individual
14 retirement account" or an "individual retirement annuity" as
15 those terms are defined in IRC § 408(a) and (b).

16 (b) Authorized payments from [fund] funds.--[The] A board
17 shall be authorized to pay from [the] its fund:

18 (1) In the case of a member who is terminating service,
19 the amount determined after certification by the head of the
20 department that the member is so obligated, and after review
21 and approval by the department or agency's legal
22 representative or upon receipt of an assignment from the
23 member in the amount so certified.

24 (2) In the case of a loan the amount of the loan and any
25 fine or interest due thereon to the credit union except 5% of
26 the total amount due which is to be retained in the fund as a
27 collection fee:

28 (i) if the member obtaining the loan shall have been
29 in default in required payments for a period of not less
30 than two years; or

1 (ii) at such time as the Department of Banking shall
2 require the credit union to charge the amount of the loan
3 against the reserve fund of such credit union.

4 Any member who shall have pledged such rights as security for
5 a loan from a credit union and, on whose behalf [the] a board
6 shall have made any payment by reason of that member's
7 default, may not thereafter pledge or assign such rights to a
8 credit union.

9 § 5955. Construction of part.

10 Regardless of any other provision of law, pension rights of
11 [State] government employees shall be determined solely by this
12 part or any amendment thereto, and no collective bargaining
13 agreement nor any arbitration award between the Commonwealth and
14 its employees or their collective bargaining representatives or
15 between a local government and its employees or their collective
16 bargaining representatives shall be construed to change any of
17 the provisions herein, to require the board to administer
18 pension or retirement benefits not set forth in this part, or
19 otherwise require action by any other government body pertaining
20 to pension or retirement benefits or rights of [State]
21 government employees. Notwithstanding the foregoing, any pension
22 or retirement benefits or rights previously so established by or
23 as a result of an arbitration award shall remain in effect after
24 the expiration of the current collective bargaining agreement
25 between the State employees so affected and the Commonwealth.
26 The provisions of this part insofar as they are the same as
27 those of existing law are intended as a continuation of such
28 laws and not as new enactments. The provisions of this part
29 shall not affect any act done, liability incurred, right accrued
30 or vested, or any suit or prosecution pending or to be

1 instituted to enforce any right or penalty or to punish any
2 offense under the authority of any repealed laws.

3 § 5955.1. Construction of part with respect to older workers
4 protection.

5 It is hereby found and declared that the provisions of this
6 part constitute a bona fide retirement or pension plan within
7 the meaning of the Age Discrimination in Employment Act of 1967
8 (Public Law 90-202, 29 U.S.C. § 621 et seq.) and the act of
9 October 27, 1955 (P.L.744, No.222), known as the Pennsylvania
10 Human Relations Act, and that the intent of section 5955
11 (relating to construction of part) as originally enacted and as
12 subsequently amended is to require the pension rights of [State]
13 government employees to be determined solely by this part and
14 any amendments thereto, regardless of any other provision of
15 State law, subject only to such further requirements, exceptions
16 or limitations as may be set forth in section 5955 or as may be
17 imposed by reason of any provision of the Federal or State
18 Constitution. Any provision of this part which is not
19 inconsistent with the provisions of the Age Discrimination in
20 Employment Act of 1967 as amended by the Older Workers Benefit
21 Protection Act (Public Law 101-433, 104 Stat. 978) and the rules
22 and regulations of the Federal Equal Employment Opportunity
23 Commission under such Federal laws shall be deemed not
24 inconsistent with such provisions of the Pennsylvania Human
25 Relations Commission Act as relate to discrimination on the
26 basis of age with respect to the terms, conditions or privileges
27 of employment.

28 Section 14. This act shall be construed and administered in
29 such manner that the Government Employees' Retirement System
30 will satisfy the requirements necessary to qualify as a

1 qualified pension plan under section 401(a)(8), (17) and (25) of
2 the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C.
3 § 401(a)(8), (17) and (25). The rules, regulations and
4 procedures adopted and promulgated by the Local Government
5 Employees' Retirement Board and the State Employees' Retirement
6 Board under 71 Pa.C.S. § 5902(h) shall include those necessary
7 to accomplish the purpose of this section.

8 Section 15. This act shall take effect in 60 days.
