Section 108. Effect of Act on Existing Laws.--The provisions
of this act, so far as they are the same as those of existing
laws, shall be construed as a continuation of such laws and not

law shall not revive any law heretofore repealed or superseded,
nor shall such repeal affect any act done, liability incurred,
or any right accrued or vested, or any suit or prosecution
pending or to be instituted to enforce any right or penalty or

provisions of this act shall not limit the jurisdiction and
authority of the Office of Attorney General, including, but not

the act of October 15, 1980 (P.L.950, No.164), known as the
"Commonwealth Attorneys Act."

investments, as determined for annual statement purposes but not
in excess of cost, in all subsidiaries under this subsection to
an amount in excess of ten per centum (10%) of its total
admitted assets as of the immediately preceding thirty-first day
of December. In determining the amount of investments of any
domestic life insurance company in subsidiaries for purposes of
this subsection, there shall be included investments made
directly by such insurance company and, if such investment is
made by another subsidiary, then to the extent that funds for
such investments are provided by the insurance company for such
purpose.

(1.1) A domestic life insurance company may increase the
aggregate value of its investments, as determined for annual
statement purposes, but not in excess of cost, in all
subsidiaries under this subsection to an amount in excess of ten
per centum (10%) but at no time in excess of fifteen per centum
(15%) of its total admitted assets as of the immediately
preceding thirty-first day of December if the increase has been
approved in writing by the Insurance Department prior to making
the investment. If the Insurance Department does not approve or
disapprove the increased investment within thirty (30) days of
receipt of a request for approval, the increased investment
shall be deemed approved. In determining the amount of
investments of any domestic life insurance company in
subsidiaries for purposes of this subsection, there shall be
included investments made directly by such insurance company
and, if such investment is made by another subsidiary, then to
the extent that funds for such investments are provided by the

(iv) A company engaged in any combination of the activities described in subclauses (i), (ii) and (iii) of this clause.

Investments made pursuant to subclause (i) shall not be restricted in amount provided that after such investment, as calculated for NAIC annual statement purposes, the insurer's surplus will be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

Investments made pursuant to subclause (ii), or to the extent applicable in this subclause, shall in addition not be subject to any limitations on the amount of a domestic life insurance company's assets provided for under any other provision of this act and which might otherwise be applicable: Provided, however, that such life insurance company's investments, to the extent that such life insurance company provided the funds therefor, in each of the subsidiaries of such holding company shall be subject to the limitations, if any, applicable to such investment as if the holding company's interest in each such subsidiary were instead owned directly by the life insurance
company. Investments made pursuant to subclause (iii), or, to
the extent applicable, this clause, shall be counted in
determining the limitations contained in applicable subsections
of sections 404.2 and 406: Provided, however, That the value as
calculated for annual statement purposes, but not in excess of

investments made by the insurance company only to the extent the

(B) the merger, consolidation or other acquisition of control shall not be disapproved if the department finds that any of the situations meeting the criteria provided by section 1403(d)(3) exist; and

(C) the department may condition the approval of the merger, consolidation or other acquisition of control on the removal of the basis of disapproval within a specified period of time.

(iii) The financial condition of any acquiring party is such
as might jeopardize the financial stability of the insurer or prejudice the interest of its policyholders.

(iv) The plans or proposals which the acquiring party has to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair and unreasonable [to policyholders of the insurer and not in the public interest.] and fail to confer benefit on policyholders of the insurer and are not in the public interest.

(v) The competence, experience and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer and of the public to permit the merger, consolidation or other acquisition of control.

(vi) The [acquisition] merger, consolidation or other acquisition of control is likely to be hazardous or prejudicial to the insurance buying public.

(vii) The merger, consolidation or other acquisition of control is not in compliance with the laws of this Commonwealth, including Article VIII-A.

(2) If the merger, consolidation or other acquisition of control is approved, the department shall so notify the person filing the statement and the insurer [whose stock] that is proposed to be acquired, and such a determination is hereafter referred to as an approving determination. Notice shall also be given by the department of any determination which is not an approving determination. If an approving determination is made by the department and not otherwise, the proposed offer and acquisition may thereafter be made and consummated on the terms and conditions and in the manner described in the statement and...
subject to such conditions as may be prescribed by the
department as hereinafter provided. An approving determination
by the department shall be deemed to extend to offers or
acquisitions made pursuant thereto within one year following the
date of determination. The department may, as a condition of its
approving determination, require the inclusion in any offer of
provisions requiring the offer to remain open a specified
minimum length of time, permitting withdrawal of shares
deposited prior to the time the offeror becomes bound to
consummate the acquisition and requiring pro rata acceptance of
any shares deposited pursuant to the offer. The department shall
hold a hearing before making the determination required by this
subsection if, within ten (10) days following the filing with
the department of the statement, written request for the holding
of such hearing is made either by the person proposing to make
the acquisition, by the insurer [whose stock] that is proposed
to be acquired or, if [such] the issuer of stock proposed to be
acquired is not an insurer, by the [insurance company] insurer
controlled by such issuer. Otherwise, the department shall
determine in its discretion whether such a hearing shall be
held. Thirty (30) days' notice of any such hearing shall be
given to the person proposing to make the acquisition, to the
issuer whose stock is proposed to be acquired and, if such
issuer is not an insurer, to the insurance company controlled by
such issuer. Notice of any such hearing shall also be given to
such other persons, if any, as the department may determine.
(3) The department may retain at the acquiring person's
expense any attorneys, actuaries, accountants and other experts
not otherwise a part of the department's staff as may be
reasonably necessary to assist the department in reviewing the
proposed acquisition of control.

(g) The provisions of this section shall not apply to any offer, request, invitation, agreement or acquisition which the department by order shall exempt therefrom as:

(1) not having been made or entered into for the purpose and not having the effect of changing or influencing the control of a domestic insurer; or

(2) as otherwise not comprehended within the purposes of this section.

(h) The following shall constitute a violation of this section:

(1) the failure to file any statement, amendment or other material required to be filed pursuant to subsection (a) or (b);

(2) the effectuation or any attempt to effectuate an acquisition of control of or merger or consolidation with a domestic insurer unless the department has given its approval thereto; or

(3) a violation of section 819-A.

(i) The department shall, within seventy-two hours of receiving a statement filed under this section, provide notification to the Office of Attorney General that the filing was received.

(j) As used in this section, the term "annual statement" shall mean the annual report of the financial condition required to be filed under 40 Pa.C.S. § 6331 (relating to reports and examinations).

Section 6. Section 1403(a), (b) and (d), added December 18, 1992 (P.L.1519, No.178), are amended to read:

Section 1403. Acquisitions Involving Insurers not Otherwise Covered.--(a) As used in this section the following words and
1 phrases shall have the meanings given to them in this  
2 subsection:
3     
4     "Acquisition." Any agreement, arrangement or activity the  
5 consummation of which results in a person acquiring, directly or  
6 indirectly, the control of another person and includes, but is  
7 not limited to, the acquisition of voting securities, the  
8 acquisition of assets, bulk reinsurance [and] mergers and  
9 consolidations.
10     "Involved insurer." Includes an insurer which either  
11 acquires or is acquired, is affiliated with an acquirer or  
12 acquired or is the result of a merger or consolidation.
13     
14 (b) (1) Except as exempted in paragraph (2), this section  
15 applies to any acquisition in which there is a change in control  
16 of an insurer authorized to do business in this Commonwealth.  
17 (2) This section shall not apply to any of the following:  
18 (i) An acquisition subject to approval or disapproval by the  
19 department pursuant to section 1402.
20 (ii) A purchase of securities solely for investment purposes  
21 so long as such securities are not used by voting or otherwise  
22 to cause or attempt to cause the substantial lessening of  
23 competition in any insurance market in this Commonwealth. If a  
24 purchase of securities results in a presumption of control as  
25 described in the definition of "control" in section [1301] 1401,  
26 it is not solely for investment purposes unless the insurance  
27 department of the insurer's state of domicile accepts a  
28 disclaimer of control or affirmatively finds that control does  
29 not exist and such disclaimer action or affirmative finding is  
30 communicated by the domiciliary insurance department to the  
31 Insurance Department of the Commonwealth.
32 (iii) The acquisition of a person by another person when
both persons are neither directly nor through affiliates primarily engaged in the business of insurance, if preacquisition notification is filed with the department in accordance with subsection (c)(2) thirty (30) days prior to the proposed effective date of the acquisition. However, such preacquisition notification is not required for exclusion from this section if the acquisition would otherwise be excluded from this section by this paragraph.

(iv) The acquisition of already affiliated persons.

(v) An acquisition if, as an immediate result of the acquisition:

(A) in no market would the combined market share of the involved insurers exceed five per centum (5%) of the total market;

(B) there would be no increase in any market share; or

(C) in no market would:

(I) the combined market share of the involved insurers exceeds twelve per centum (12%) of the total market; and

(II) the market share increases by more than two per centum (2%) of the total market.

For the purpose of this subparagraph, a market means direct written insurance premium in this Commonwealth for a line of business as contained in the annual statement required to be filed by insurers licensed to do business in this Commonwealth.

(vi) An acquisition for which a preacquisition notification would be required pursuant to this section due solely to the resulting effect on the ocean marine insurance line of business.

(vii) An acquisition of an insurer whose domiciliary insurance department affirmatively finds that such insurer is in failing condition; there is a lack of feasible alternative to
improving such condition; the public benefits of improving such insurer's condition through the acquisition exceed the public benefits that would arise from not lessening competition; and such findings are communicated by the domiciliary insurance department to the Insurance Department of the Commonwealth.

(3) Sections 1409(b) and (c) and 1411 shall not apply to acquisitions provided for in this subsection.

* * *

(d) (1) The department may enter an order under subsection (e)(1) with respect to an acquisition if there is substantial evidence that the effect of the acquisition may be substantially to lessen competition in any line of insurance in this Commonwealth or tend to create a monopoly therein or if the insurer fails to file adequate information in compliance with subsection (c).

(2) In determining whether a proposed acquisition would violate the competitive standard of paragraph (1), the department shall consider the following:

(i) Any acquisition covered under subsection (b) involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standards as follows:

(A) if the market is highly concentrated and the involved insurers possess the following shares of the market:

<table>
<thead>
<tr>
<th>Insurer A</th>
<th>Insurer B</th>
</tr>
</thead>
<tbody>
<tr>
<td>4%</td>
<td>4% or more</td>
</tr>
<tr>
<td>10%</td>
<td>2% or more</td>
</tr>
</tbody>
</table>
| 15%       | 1% or more; or

(B) if the market is not highly concentrated and the involved insurers possess the following shares of the market:
A highly concentrated market is one in which the share of the four largest insurers is seventy-five per centum (75%) or more of the market. Percentages not shown in the tables are interpolated proportionately to the percentages that are shown.

If more than two insurers are involved, exceeding the total of the two columns in the table is prima facie evidence of violation of the competitive standard in paragraph (1). For the purpose of this subparagraph, the insurer with the largest share of the market shall be deemed to be insurer A.

(ii) There is a significant trend toward increased concentration when the aggregate market share of any grouping of the largest insurers in the market, from the two largest to the eight largest, has increased by seven per centum (7%) or more of the market over a period of time extending from any base year five (5) to ten (10) years prior to the acquisition up to the time of the acquisition. Any acquisition [or merger, merger or consolidation] covered under subsection (b) involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standard in paragraph (1) if:

(A) there is a significant trend toward increased concentration in the market;

(B) one of the insurers involved is one of the insurers in a grouping of such large insurers showing the requisite increase in the market share; and

(C) another involved insurer's market is two per centum (2%) or more.
(iii) For the purposes of this paragraph:

(A) The term "insurer" includes any company or group of companies under common management, ownership or control.

(B) The term "market" means the relevant product and geographical markets. In determining the relevant product and geographical markets, the department shall give due consideration to, among other things, the definitions or guidelines, if any, promulgated by the NAIC and to information, if any, submitted by parties to the acquisition. In the absence of sufficient information to the contrary, the relevant product market is assumed to be the direct written insurance premium for a line of business, such line being that used in the annual statement required to be filed by insurers doing business in this Commonwealth and the relevant geographical market is assumed to be this Commonwealth.

(C) The burden of showing prima facie evidence of violation of the competitive standard rests upon the commissioner.

(iv) Even though an acquisition is not prima facie violative of the competitive standard under subparagraphs (i) and (ii), the department may establish the requisite anticompetitive effect based upon other substantial evidence. Even though an acquisition is prima facie violative of the competitive standard under subparagraphs (i) and (ii), a party may establish the absence of the requisite anticompetitive effect based upon other substantial evidence. Relevant factors in making a determination under this paragraph include, but are not limited to, the following: market shares, volatility of ranking of market leaders, number of competitors, concentration, trend of concentration in the industry and ease of entry and exit into the market.
An order may not be entered under subsection (e)(1) if:
  (i) the acquisition will yield substantial economies of scale or economies in resource utilization that cannot be feasibly achieved in any other way, and the public benefits which would arise from such economies exceed the public benefits which would arise from not lessening competition; or
  (ii) the acquisition will substantially increase the availability of insurance, and the public benefits of such increase exceed the public benefits which would arise from not lessening competition.

(b) The Banking and Insurance Committee of the Senate and the Insurance Committee of the House of Representatives shall have the following powers and duties:

(1) To convene the committee for purposes of reviewing an application for approval of a merger, consolidation or other acquisition of control under this section.

deemed confidential or proprietary by the department.

(3) To consult experts, hold hearings and obtain additional information relating to the merger, consolidation or other acquisition of control.

(4) To develop written comments and recommendations on the merger, consolidation or acquisition of control and submit them to the department within forty-five (45) days of the close of the public comment period established under this paragraph, developed by the department on the merger, consolidation or other acquisition of control. The department shall publish the date of the close of the public comment period in the Pennsylvania Bulletin prior to final closure of the public comment period. The department may issue a final order and determination on or after one hundred five (105) days following the public comment period.

(c) The commissioner, the department and its attorneys and experts, including experts employed or retained by the department, shall be available to provide testimony to each committee relating to the merger, consolidation or other acquisition of control. Nothing in this act shall affect any privileges or immunities of the department or its attorneys, experts or consultants. The department or its attorneys, experts or consultants shall not be required to appear before either committee within thirty (30) days following the department's issuance of a final order and determination.

(d) The department shall provide a detailed written response to each comment and recommendation submitted by the Banking and Insurance Committee of the Senate or the Insurance Committee of the House of Representatives in its final order. The order and determination shall not be issued before sixty (60) days have
elapsed following receipt of the comments and recommendations under subsection (b)(4).

(e) If no comments and recommendations are received under subsection (b)(4), the department may issue a final order and determination on or after one hundred five (105) days following the close of the public comment period.

Section 1403.2. Insurance Restructuring Restricted Receipt Account.--(a) There is established in the State Treasury a restricted receipt account to be known as the Insurance Restructuring Restricted Receipt Account. Interest earned on money in the account shall be deposited into the account.

(b) All net economic benefits, including proceeds, savings, funds or moneys derived from and any agreement related to or from the merger, consolidation or other acquisition of control of a hospital plan corporation or professional health services plan corporation which are to be paid to the Commonwealth or a Commonwealth program shall be deposited into the account for purposes as determined by the General Assembly.

(c) No contract or written agreement between a hospital plan corporation or professional health services plan corporation and the Commonwealth or any other entity relating to the disbursement or spending of money in the account may be entered into until moneys that may exist or are to be derived from any contract or written agreement for deposit into the account are appropriated by the General Assembly.

(d) No moneys or funds may be transferred or paid from the account unless appropriated by the General Assembly.

Section 8. Section 1405(c) of the act, amended February 17, 1994 (P.L.92, No.9), is amended to read:

Section 1405. Standards and Management of an Insurer within
a Holding Company System.--* * *

(c) (1) Notwithstanding the control of a domestic insurer by any person, the officers and directors of the insurer shall not thereby be relieved of any obligation or liability to which they would otherwise be subject by law, and the insurer shall be managed so as to assure its separate operating identity consistent with this article.

(2) Nothing herein shall preclude a domestic insurer from having or sharing a common management or cooperative or joint use of personnel, property or services with one or more other persons under arrangements meeting the standards of subsection (a)(1).

(3) (i) Not less than one-third of the directors of a domestic insurer [and not less than one-third of the members of each committee of the board of directors of any domestic insurer] shall be persons who are not officers or employes of such insurer or of any entity controlling, controlled by or under common control with such insurer and who are not beneficial owners of a controlling interest in the voting stock of such insurer or any such entity. At least one such person must be included in any quorum for the transaction of business at any meeting of the board of directors [or any committee thereof].

(ii) Not less than one-third of the members of each committee of the board of directors of any domestic insurer shall be persons who are not officers or employes of such insurer or of any entity controlling, controlled by or under common control with such insurer. At least one such person must be included in any quorum for the transaction of business at any meeting of each committee.
(4) The board of directors of a domestic insurer shall establish [one or more committees] a committee comprised solely of directors who are not officers or employees of the insurer or of any entity controlling, controlled by or under common control with the insurer and who are not beneficial owners of a controlling interest in the voting stock of the insurer or any such entity. The committee [or committees] shall have responsibility for recommending the selection of independent certified public accountants[,] and reviewing the insurer's financial condition, the scope and results of the independent audit and any internal audit[, nominating candidates for director for election by shareholders or policyholders, evaluating the performance of officers deemed to be principal officers of the insurer and recommending to the board of directors the selection and compensation of the principal officers]. The committee may also have the responsibilities described in paragraph (4.1) if one or more committees described in paragraph (4.1) are not separately established.

(4.1) The board of directors of a domestic insurer shall establish one or more committees comprised solely of directors who are not officers or employees of the insurer or of any entity controlling, controlled by or under common control with the insurer.
