The plan shall be submitted to the Department of Public Instruction not less than thirty (30) days nor more than sixty (60) days after it is prepared. Any school district which considers itself aggrieved
by the plan may set forth its specific objections in a petition
which shall be served by registered or certified mail on the
secretary of the county board of school directors. All such
petitions filed shall be appended to the plan prior to
submission to the Department of Public Instruction. No plan of

of administrative units shall be deemed to violate a written
agreement entered into by several school districts for the
establishment of a joint school or department only when it
formulates an administrative unit, which in whole or in part
comprises less than all of the school districts joined by such
agreement. In preparing its plans, a county board of school
directors shall confer with school directors and administrators
of all school districts of the county, and may confer with the
staff of the Department of Public Instruction and upon written

for the county, shall, in compliance with the provisions hereof,
reconsider such plan and submit the same or a revised plan on or
before July 1, 1964, irrespective of the action taken on the
prior plan. In those cases where the prior plan was approved by
the State Council of Education, the plan submitted when approved
by the Council of Basic Education shall supersede the prior
approved plan as the plan of organization of administrative
units for the county.

Section 293. Approval of Plans.--(a) When any plan of
organization of administrative units for a county is found to
conform to the standards for approval of administrative units
adopted by the State Board of Education, the Department of
Public Instruction shall cause such plan to be placed upon the
agenda of the Council of Basic Education. The Council of Basic
Education shall review all plans placed upon its agenda, and
approve such plans as it deems wise in the best interests of the
educational system of the Commonwealth. Except as hereinafter
provided, no plan of organization of administrative units shall

pupil population of less than four thousand (4,000), unless when
factors of topography, pupil population, community
characteristics, transportation of pupils, use of existing
school buildings, existing administrative units, potential
population changes and the capability of providing a
comprehensive program of education are considered by the Council
of Basic Education as requiring the approval of a plan of
organization of administrative units in which one or more
proposed school districts contains a pupil population of less
than four thousand (4,000). (b) A plan of organization of
administrative units for a county shall be approved by the
Council of Basic Education, if the plan contains (i) no unit
with a pupil population less than that of the unit with the
smallest pupil population in the last previous county-wide plan submitted to and approved by the State Council of Education prior to September 12, 1961, and (ii) no more units than were in the aforesaid county-wide plan plus an additional unit for each second class district which was not required to be a part of such county-wide plan and which was not included in an administrative unit thereof. When approved by the Council of Basic Education, such plan shall be deemed the approved plan of organization of administrative units for the county.

Any school district which considers itself aggrieved by a plan of organization of administrative units approved by the Council of Basic Education may appeal to the State Board of Education by filing a petition, within thirty (30) days after
approval of the plan, setting forth the grounds for such appeal. A copy of such petition shall be served by registered or certified mail on the secretary of the county board of school directors. The State Board of Education, or its representative, shall fix a day and time for hearing, shall give written notice to all parties interested, and may hear and consider such testimony as it may deem advisable to enable it to make a decision. After reaching its decision, the State Board of Education shall enter such order as appears to it just and proper, either directing the Council of Basic Education to approve the plan in an amended form or confirming the plan in the form previously approved by the Council of Basic Education. The decision of the State Board of Education shall be final, unless an appeal is taken as now provided under the provisions of the "Administrative Agency Law."
