Section 1. The act of March 10, 1949 (P.L.30, No.14), known as the Public School Code of 1949, is amended by adding a section to read:

Section 1501.11. Option Year of Education Due to COVID-19.--

(a) The welfare of this Commonwealth requires that the present generation of school age children be provided ample opportunity to develop to their fullest intellectual capacities. It is the intent of the General Assembly to ensure that the present generation of school age children do not lose educational
opportunities due to the proclamation of disaster emergency
issued by the Governor on March 6, 2020, published at 50 Pa.B.
1644 (March 21, 2020).

(b) Notwithstanding any other provision of law, for the
2021-2022 school year, a parent may elect to have a child in a
school entity repeat a grade level to make up for any lost
educational opportunities during the 2019-2020 and 2020-2021
school years regardless of whether the child met the
requirements to be promoted to the next grade level. The
parental election under this subsection shall include
participation in all academic or extracurricular activities.

(c) A school entity shall create a process for a parent to
make the election under subsection (b) and post the process on
its publicly accessible Internet website.

(d) As used in this section, the term "school entity" shall
mean a school district, intermediate unit, area career and
technical school, charter school, cyber charter school, regional
charter school or nonpublic school entity.

Section 2. This act shall take effect immediately.
