The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The act of April 9, 1929 (P.L.343, No.176), known as The Fiscal Code, is amended by adding a section to read:

Section 134-C. Public utility assistance.

(a) Department of Human Services.--From money appropriated from the CARES Act, the amount of $100,000,000 shall be distributed through the Low-Income Energy Assistance Program to provide utility security for residential utility customers. In making the distribution under this subsection, the Department of Human Services shall:

(1) Extend the enrollment period for applications until all funds allocated under this section are expended.

(2) Amend crisis grant requirements to accept past-due utility bills as evidence of a crisis.

(3) Allow a public utility to establish flexible verification procedures.

(4) Permit applicants to calculate their income based on recent changes to income or unemployment.

(5) Establish a temporary program of crisis grant assistance equal to $600 utilizing paragraphs (1), (2), (3) and (4) for households with dwelling units occupied by persons with annual income at or below 200% of the Federal poverty guidelines.

(6) Include the distribution under this subsection in the LIHEAP annual report.

(b) Pennsylvania Public Utility Commission.--From money appropriated from the CARES Act, the amount of $25,000,000 shall be distributed by the Pennsylvania Public Utility Commission to
public utilities to provide small business assistance grants to qualifying small business for the payment of utility expenses. To qualify for a small business assistance grant, the small business must meet the definition of a "small business customer" under 52 Pa. Code Ch. 54 (relating to electricity generation customer choice) or 62 (relating to natural gas supply customer choice). In making the distribution under this subsection, the Pennsylvania Public Utility Commission shall administer the temporary grant program by:

(1) Requiring each public utility to submit within 15 days, the number of and total arrearages for qualifying small business customers in their service territory for the period of April 1, 2020, to July 31, 2020.

(2) Distributing the money to each public utility on a pro rata basis from the calculation determined under paragraph (1) within 15 days.

(3) Requiring each public utility to submit within 30 days a plan to the Pennsylvania Public Utility Commission detailing the distribution of funds to qualifying small businesses. Upon approval of the plan, the public utility may distribute the grant funding according to the plan.

(4) Requiring each public utility to report within three months of receipt of the money to the Pennsylvania Public Utility Commission how the money was allocated, how many businesses were assisted, how much assistance was received, the remaining arrearages from paragraph (1) and new arrearages since the assistance was provided.

(5) Compiling the reports and posting the compilation on the Pennsylvania Public Utility Commission's publicly accessible Internet website.
(c) PennVEST.—From the money appropriated from the CARES Act, the amount of $25,000,000 shall be distributed to PennVEST to assist individual and small businesses with payment of delinquent water and wastewater utility payments. In making the distribution under this subsection and notwithstanding the provisions of section 10(e) of the act of March 1, 1988 (P.L. 82, No. 16), known as the Pennsylvania Infrastructure Investment Authority Act, or any other law, PennVEST shall:

1. Receive from each water and wastewater provider within 15 days, the number of and total arrearages for residential customers in their service territory for the period of April 1, 2020, to July 31, 2020. The amount of arrearages shall be signed and verified by a representative of the water and wastewater provider and shall be subject to audit upon request by PennVEST.

2. Distribute CARES funding to each water or wastewater provider on a pro rata basis from the calculation determined under paragraph (1) within 15 days.

3. Require each water and wastewater provider to submit within 30 days a plan to PennVEST detailing the distribution of funds to residential customers. Upon approval of the plan, the water or wastewater provider may distribute the grant funding according to the plan and, in the event of remaining grant funds, use funds for small business customers.

4. Require each water or wastewater provider to report within three months of receipt of the money to PennVEST how the money was allocated, how many customers were assisted, how much assistance was received, the remaining arrearages from paragraph (1) and new arrearages since the assistance was provided.
(5) Compile the reports and post the compilation on PennVEST's publicly accessible Internet website.

Section 2. This act shall take effect immediately.
