(d) Exception to court approval during COVID-19 disaster
emergency.--The following shall apply:

(1) A local government unit that is also a municipality
may issue bonds or notes to fund unfunded debt without
petition or court approval after the effective date of this
subsection, subject to the following:

(i) The governing body shall, by resolution,
authorize the issuance of bonds or notes with findings
that, due to the COVID-19 pandemic:

(A) there has been an unforeseeable decline or
delay in revenues or that taxes levied have not
produced the revenues anticipated or that it was not
reasonable to foresee the obligation;

(B) paying the debt by curtailing municipal
services will be dangerous to the public health or
safety;

(C) additional Federal or Commonwealth funds are
not available or sufficient to defray the obligation;

and

(D) it is not feasible or not in the public
interest to levy additional taxes in the current
fiscal year.

(ii) The resolution under subparagraph (i) shall
also set forth the amount of the unfunded debt to be
funded by the bonds or notes.
(iii) The funding debt shall be charged against the nonelectoral debt limits of the local government unit under section 8022 (relating to limitations on incurring of other debt), and shall mature over a number of years not to exceed 10. Nothing in this subsection shall preclude the issuance of emergency debt to the extent authorized by this subpart during the COVID-19 disaster emergency.

(iv) In addition to the requirements of section 8204 (relating to certificate of approval of transcript), the department shall examine any bond or note transcripts or other filings and shall only certify approval if the municipality certifies to the department that the unfunded debt amount is equal to or less than the decline or delay in revenue reasonably attributable to the COVID-19 pandemic.

(2) A local government unit that issues bonds or notes under this subsection shall report the amount of unfunded debt funded and the terms of the issue to the Pennsylvania Local Government Commission within 30 days of the issuance. The Commission shall prepare a report for the General Assembly within one year of the expiration of this subsection.

(3) As used in this section, the term "COVID-19 disaster emergency" means the proclamation of disaster emergency issued by the Governor on March 6, 2020, published at 50 Pa.B. 1644 (March 21, 2020), any renewal of the proclamation of disaster emergency or any other proclamation of disaster emergency related to the novel coronavirus, known as COVID-19, issued by the Governor in accordance with 35 Pa.C.S. §
(4) This subsection shall expire December 31, 2021.

Section 2. This act shall take effect immediately.
