AN ACT

Amending the act of March 10, 1949 (P.L.30, No.14), entitled "An act relating to the public school system, including certain provisions applicable as well to private and parochial schools; amending, revising, consolidating and changing the laws relating thereto," in school health services, further providing for health services; and, in reimbursements by Commonwealth and between school districts, further providing for State reimbursement for health services.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Sections 1402(a.1) and 2505.1(b.1) of the act of March 10, 1949 (P.L.30, No.14), known as the Public School Code of 1949, are amended and the sections are amended by adding subsections to read:

Section 1402. Health Services.--* * *

(a.1) [Every child of school age shall be provided with school nurse services: Provided, however, That the number of pupils under the care of each school nurse shall not exceed one thousand five hundred (1,500).] The following shall apply:

(1) In addition to the services specifically enumerated in this section, every child of school age shall be provided with
school nurse services, including, but not limited to, those defined by the Department of Health.

(2) Except as provided in subsection (a.2), the number of pupils under the care or supervision of each certificated school nurse shall not exceed one thousand five hundred (1,500).

(3) When it is medically appropriate to do so, school nurse services may be provided by means of a virtual or remote connection, by which the student and the nurse may both see and hear one another, provided that a nurse remains on call at all times to promptly provide in-person services at the school when medically indicated.

(a.2) The following shall apply to recovery from the pandemic of 2020:

(1) This subsection applies only to the 2020-2021 school year as a result of the need for the safety and health of students while reopening schools during the global pandemic declared by the World Health Organization on March 11, 2020.

(2) The following shall apply:

(i) Notwithstanding subsection (a.1), the number of pupils under the care or supervision of each certificated school nurse shall not exceed five hundred (500).

(ii) School nurse services shall be provided to public and nonpublic school students in the schools which they attend on each day when that school is in session, if at least one hundred (100) students are enrolled in the school building of attendance. School nurse services that shall be provided under this subsection are the services specifically enumerated in this section, subsection (a.1) and any other special needs or services related to the pandemic of 2020, including, but not limited to, a quarantine room.
(iii) When appropriate, school nurse services that are provided by a school district or joint school board to public and nonpublic school children may be furnished by any of the following:

(A) A registered nurse or licensed practical nurse who is employed by a school district or joint school board and who is acting under the supervision of and in consultation with a certificated school nurse employed by a school district or joint school board.

(B) A registered nurse or licensed practical nurse who is employed by a licensed health care services provider, if the school district or joint school board contracts for the services with the licensed health care provider.

(C) A registered nurse or licensed practical nurse employed by the nonpublic school at which the services are provided, if the school district or joint school board contracts for the services with the nonpublic school. Notwithstanding any provision of law to the contrary, should this option be chosen, the department shall reimburse the school district or joint school board for the full amount of the contracted services.

Section 2505.1. State Reimbursement for Health Services.--*

* *

(b.1) Every school district which renders health services to children shall be reimbursed by the Commonwealth on account of health services which conform to standards approved by the Secretary of Health. Reimbursement shall be paid by the Secretary of Health. For the school year 1990-1991, the amount of this reimbursement for this subsection shall be the sum of five dollars and ninety cents ($5.90) multiplied by the average
daily membership of each school district. For the school year 1991-1992 and each school year thereafter, the amount of this reimbursement for this subsection shall be the sum of nine dollars and seventy cents ($9.70) multiplied by the average daily membership of each school district, provided that the number of full-time nurses contracted for the 2020-2021 school year that is greater than the number of full-time nurses contracted for and included in the 2019-2020 school year reimbursement shall not be included in the reimbursement calculated under this subsection for the 2020-2021 school year.

If the additional full-time nurses were contracted for the purpose of rendering health services in accordance with section 1402(a.2) for the 2020-2021 school year, those additional full-time nurses for the 2020-2021 school year shall be reimbursed by additional payment made by the Commonwealth under subsection (b.2).

(b.2) The following shall apply to recovery from the pandemic of 2020:

(1) This subsection applies only to the 2020-2021 school year as a result of the need for the safety and health of students while reopening schools during the global pandemic declared by the World Health Organization on March 11, 2020.

(2) Notwithstanding subsection (b.1), every school district and joint school district that contracts for health services for public or nonpublic school students in accordance with section 1402(a.2) and that incurs an increase in expenditures in rendering health services due to a need to increase the number of full-time nurses contracted for services for a public or nonpublic school shall receive a reimbursement for the additional full-time nurse expenditure as follows:
(i) Thirty-eight million dollars ($38,000,000) is hereby appropriated from the COVID-19 Response Restricted Account under section 110-C of the act of April 9, 1929 (P.L.343, No.176), known as The Fiscal Code.

(ii) Each school district or joint school district shall determine the increase in its expenditures for the cost of increase in the number of full-time nurses contracted for the purpose of rendering health services in accordance with section 1402(a.2) for the 2020-2021 school year.

(iii) A one-time payment to each school district or joint school district seeking reimbursement under this subsection shall be made by the Secretary of Health.
