6 The General Assembly of the Commonwealth of Pennsylvania  
7 hereby enacts as follows:

8 Section 1. The act of June 3, 1937 (P.L.1225, No.316), known  
9 as "The Game Law," is amended by adding a section to read:

10 Section 803. Damage to Trees.--It shall be unlawful while  
11 hunting or while preparing to hunt for any wild bird or wild  
12 animal, to cause damage to any tree or trees located upon any  
13 public or privately owned lands as a result of constructing any  
14 tree stand, platform, or any other man-made support of any  
15 description, or as a result of using any portable tree stand or  
16 any other implement or device of any description to climb any  
17 tree. The provisions of this section shall not apply to a  
18 private landowner upon land which he owns or to any person to  
19 whom he has given written permission in advance.

1     A person who shall damage a tree contrary to the provisions  
2     of this section shall, upon summary conviction, be sentenced to  
3     pay a penalty of twenty-five dollars (\$25.00) plus costs of  
4     prosecution. He shall be liable to pay to the one in control of  
5     a tree the value of any damage done by him to the tree as shall  
6     be determined by a court of competent jurisdiction. The court

11    the person or governmental agency having legal control over the  
12    land where the damage occurred. The court appointed appraiser  
13    shall be entitled to a reasonable fee for services rendered  
14    which shall be assessed against the defendant as additional  
15    costs for delivery to the appraiser by the court.

16     Section 2. This act shall take effect immediately.
