A RESOLUTION

1 Memorializing Congress to extend the energy conservation and
2 renewable energy tax credits beyond 1985.

3 WHEREAS, Billions of State dollars are being sent out-of-

7 energy systems which use resources native to this State, thus
8 retaining State income and contributing to our economic
9 development; and

10 WHEREAS, Federal energy tax incentives have supported and
11 helped to foster the growth and development of alternative
12 energy programs and energy conservation measures which, at a
13 minimal cost, currently supply the nation with approximately 28%
14 of its energy needs; and

15 WHEREAS, By further developing our nation's renewable energy
16 industry and encouraging energy conservation, we can reduce our

1 dependency on expensive foreign oil and can strengthen our
2 energy security; and

3 WHEREAS, The Federal law granting energy conservation and
4 renewable energy tax credits is scheduled to expire on December
5 31, 1985; therefore be it

6 RESOLVED, That the members of the House of Representatives of

8 expiration date of the Federal energy conservation and renewable
9 energy tax credit program so that the tax credits will be
10 available beyond December 31, 1985; and be it further

11 RESOLVED, That copies of this resolution be transmitted to
