4 The General Assembly of the Commonwealth of Pennsylvania
5 hereby enacts as follows:

11 (b) Allocation of assessment.--On or before March 31 of each
12 year, every public utility shall file with the commission a
13 statement under oath showing its gross intrastate operating
14 revenues for the preceding calendar year. If any public utility
15 shall fail to file such statement on or before March 31, the
16 commission shall estimate such revenues, which estimate shall be
17 binding upon the public utility for the purposes of this
18 section. For each fiscal year, the allocation shall be made as

1 follows:

2 (1) The commission shall determine for the preceding
3 calendar year the amount of its expenditures directly
4 attributable to the regulation of each group of utilities
5 furnishing the same kind of service, and debit the amount so
6 determined to such group. The commission may, for purposes of
7 the assessment, deem utilities rendering water, sewer or
8 water and sewer service, as defined in the definition of
9 "public utility" in section 102 (relating to definitions), as
10 a utility group.
