## A RESOLUTION

1 Commemorating the tenth anniversary of the North Country  
2 National Scenic Trail and commending the many people who have  
3 assisted in building it.

4 WHEREAS, Ten years ago, the dream of many came a step closer  
5 to reality with the passage of legislation that created the  
6 North Country National Scenic Trail, which will wend its way  
7 from New York to North Dakota through 3,200 miles of  
8 breathtaking splendor. In recognition of this milestone, we  
9 extend official praise to the members of the North Country Trail  
10 Association as well as to the many volunteers, organizations and  
11 government agencies that have joined forces to make this modern  
12 wonder possible. Pennsylvania is proud to be such a significant  
13 part of this scenic marvel and to offer the beauty of the  
14 Alleghenies to citizens nationwide; and

15 WHEREAS, The North Country National Scenic Trail is a  
16 monument to the natural beauty of our great nation, wending its  
17 way across the pleasant mountains of one of our nation's most  
18 scenic states. From the Ohio border to the New York border,

1 Pennsylvania offers scenic diversity through this awe-inspiring  
2 journey. Of course, each of the seven states on this path across  
3 America offers panoramic views, serenity and an opportunity to  
4 experience wilderness and to see wildlife. Although there is  
5 much work yet to be done, there have been many miles completed  
6 and many goals accomplished in its brief but impressive history;  
7 and

8 WHEREAS, The cooperative efforts that have made the North  
9 Country National Scenic Trail possible are almost as impressive  
10 as the natural beauty that this trail preserves. Excellent  
11 illustrations of the teamwork include the trail maintenance  
12 outings in Pennsylvania in 1989 and 1990. Sponsored by the North  
13 Country Trail Association and the Allegheny Outdoor Club and  
14 supported by the United States Forest Service, these successful  
15 projects drew volunteers from Pennsylvania, Ohio and New York.  
16 Many people worked hard to improve the existing trails and signs  
17 on the North Country National Scenic Trail. Inspiring efforts  
18 like these are occurring throughout the trail, ensuring the  
19 success of this vast undertaking. Clearly, we are grateful to  
20 all who have contributed to a wonderful gift that future  
21 generations will long treasure; therefore be it

22 RESOLVED, That the House of Representatives commemorate the  
23 tenth anniversary of the North Country National Scenic Trail and  
24 commend the many people who have assisted in building it; and be
