INTRODUCED BY MUNDY, LLOYD, O'DONNELL, DeWEESE, FAJT, BLAUM AND
CARONE, MAY 29, 1991

REFERRED TO COMMITTEE ON STATE GOVERNMENT, MAY 29, 1991

AN ACT

1 Amending the act of December 22, 1981 (P.L.508, No.142),
2 entitled "An act requiring the termination of certain
3 agencies of State Government under certain circumstances,
4 creating a Leadership Committee with certain powers and
5 duties and imposing powers and duties upon the Legislative
6 Budget and Finance Committee," further providing for the
7 scope of the act, for powers and duties of the Leadership
8 Committee, for evaluation of agencies, for termination of
9 agencies, for continuation of agencies, and for newly
10 established agencies; and eliminating provisions on
11 termination.

12 The General Assembly of the Commonwealth of Pennsylvania
13 hereby enacts as follows:

14 Section 1. The definition of "agency" in section 2 of the
15 act of December 22, 1981 (P.L.508, No.142), known as the Sunset
16 Act, is amended to read:

17 Section 2. Definitions.

18 The following words and phrases when used in this act shall
19 have, unless the context clearly indicates otherwise, the
20 meanings given to them in this section:

21 "Agency." Any statutory authority, agency, board, bureau,
22 commission, committee, council, department, division, office or

1 any similar unit of State Government. The term shall not include
2 an agency whose function is to provide service or management
3 assistance to the General Assembly, which does not have the
4 authority to administer a statute and which is not subject to
5 direction from the executive branch.

7 Section 2. Sections 4 and 5 of the act, amended December 16,
8 1982 (P.L.1355, No.310), are amended to read:

9 Section 4. Powers and duties of the Leadership Committee.

10 The committee shall have the power and its duty shall be:

11 (1) To direct and coordinate the implementation of the
12 sunset review procedure.

13 (2) To assign the responsibility for the review and
14 evaluation of each agency scheduled for such review and
15 evaluation under the provisions of this act to an appropriate
16 standing committee of the Senate or the House of
17 Representatives or to appropriate standing committees of both
18 Houses who shall operate jointly to review and evaluate the
19 agency, if such joint operation is authorized by the rules of
20 the House and Senate. The assignments for review and
21 evaluation shall be made in January of the year in which the
22 agency is scheduled to be terminated. If any committee which
23 has been assigned an agency for review and evaluation fails
24 to complete its duties within a reasonable period of time as
25 determined by the Leadership Committee, it shall be
26 discharged from further review or consideration of the
27 agency. The Leadership Committee shall then reassign the
28 agency to another committee for review and evaluation
29 pursuant to this act.

30 (3) To assign tasks to the Legislative Budget and

1 Finance Committee for the purpose of conducting performance
2 audits. Such tasks shall receive priority from the
3 Legislative Budget and Finance Committee. The Leadership
4 Committee may waive, by majority vote, the requirement that
5 the performance audit be completed in accordance with United
6 States General Accounting Office standards as described in
7 section 2 under the following circumstances:

8 (i) the agency has not held any meetings or
9 considered any cases for a period of three years or more;
10 or

11 (ii) the agency has a budget of less than \$100,000
12 annually unless the agency is a departmental board or
13 commission within the Bureau of Professional and
14 Occupational Affairs, Department of State.

15 In the event that the United States General Accounting Office
16 standards are waived, the Leadership Committee shall direct
17 the Legislative Budget and Finance Committee to complete a
18 summary audit in lieu of the performance audit, and specify
19 the scope of such audit by September 1 of the year prior to
20 the agency's termination.

21 [(4) To authorize, if necessary, a postponement of the
22 review or termination of an agency for a period not exceeding
23 one year.]

24 Section 5. Evaluation and review.

25 [(a) The standing committee designated by the Leadership
26 Committee shall develop a plan for the evaluation and review of
27 an agency in conjunction with the Legislative Budget and Finance
28 Committee and representatives of the agency being evaluated.]

29 (b) The standing committee shall hold at least one public
30 hearing for each evaluation and review of an agency. At the

1 hearing, the highest ranking officer of the agency or an
2 individual appointed by him shall bear the burden to testify
3 concerning the need for continued existence of the agency. The
4 committee shall receive other testimony at the public hearing as
5 it shall deem appropriate.

6 (c) The standing committee shall elicit information in each
7 evaluation and review of an agency from the Office of the
8 Auditor General and the Offices of Budget and Administration as
9 to the financial efficiency of the agency being reviewed. The
10 committee may request and the agency, subject to termination
11 shall provide such information as the committee deems pertinent
12 to its evaluation and review.

13 (d) The standing committee shall make a determination in
14 each evaluation and review as to whether the agency shall be
15 continued, altered or terminated. The committee shall base its
16 determination on the following criteria:

17 (1) whether termination would significantly harm or
18 endanger the public health, safety or welfare;

19 (2) whether there is overlap or duplication of effort by
20 other agencies that permit the termination of the agency;

21 (3) whether there is a more economical way of
22 accomplishing the objectives of the agency;

23 (4) whether there is a demonstrated need, based on
24 service to the public, for the continuing existence of the
25 agency;

26 (5) whether the operation of the agency has been in the
27 public interest;

28 (6) whether the agency has encouraged public
29 participation in the making of its rules and decisions or
30 whether the agency has permitted participation solely by the

1 persons it regulates;

2 (7) whether there is an alternate, less restrictive
3 method of providing the same services to the public; and

4 (8) such other criteria as may be established by the
5 standing committees.

6 (e) Such standing committees shall draft a report concerning
7 each evaluation and review, stating in that report their
8 findings, their determination as to whether the agency should be
9 continued, altered or terminated, and the reasons for such a
10 determination together with a draft of appropriate legislation
11 to implement the committees' recommendations. The report shall
12 be available for public inspection in the Office of the
13 Secretary of the Senate and of the Chief Clerk of the House of
14 Representatives. The report shall be made to the General
15 Assembly on or before the first session day of September of the
16 year in which the agency in question is scheduled for
17 termination. Once the report is received by each House, the
18 appropriate legislation shall be introduced and referred to a
19 standing committee, in keeping with the rules of each House and
20 be acted on accordingly.

21 (f) On or before March 1 of the year in which the agency in
22 question is scheduled for termination, the standing committees
23 designated by the Leadership Committee as responsible for the
24 evaluation and review of the agency shall receive:

25 (1) from the Legislative Budget and Finance Committee, a
26 performance audit or summary audit; and

27 (2) from the Legislative Reference Bureau, a report
28 outlining all legislation, then in effect, pertaining to the
29 creation, operation, duties, powers and funding of the
30 agency.

1 Section 3. Section 6 of the act, amended December 16, 1982

2 any programs, activities or functions of an agency being
3 evaluated.

4 (e) The termination of any agency under this act shall serve

6 administrative action, established for the primary purpose of
7 advising or assisting the terminated agency.

8 (f) Agencies terminated shall be given [until June 30 of the
9 year following the one in which they are terminated] 180 days
10 from the termination date to wind up their affairs. During that
11 period, the Governor may petition the General Assembly for a
12 review of the termination but the agency shall be terminated
13 unless the General Assembly passes a law to the contrary.

14 (g) The terms of office of appointees of an agency
15 terminated under this act shall end [on June 30 of the year

24 (1) for a period of ten years unless otherwise specified
25 in the legislation and again be subject to evaluation, review

28 than one agency shall be reestablished and such agency shall
29 be mentioned in the title of the bill.

30 (b) [Unless] If no legislation is enacted [prior to November

1 1,] reestablishing an agency as provided in subsection (a) by a
2 date 60 days prior to the termination date, the presiding
3 officer of each House shall cause to be placed on their
4 respective calendars for the first legislative day [in November]
5 after the date 60 days prior to the termination date, the
6 question, in the form of a resolution, of whether an agency
7 scheduled for termination [on December 31 of that year] shall be
8 continued. If a majority of the members elected to each House
9 approve such a resolution, the resolution shall be presented to
10 the Governor in accordance with section 9 of Article III of the
11 Constitution of Pennsylvania. Upon approval of the resolution in
12 accordance with section 15 of Article IV of the Constitution of
13 Pennsylvania, prior to the scheduled termination date [of
14 December 31], the agency shall be continued until the next
15 review and termination cycle scheduled for said agency.

16 (c) Any statute which terminates or reenacts an agency shall
17 control over any procedure prescribed by this act for the
18 continuation or termination of an agency. No statute shall be
19 deemed to continue an agency beyond a termination date
20 established for said agency pursuant to this act, unless the
21 statute expressly reenacts the agency in its present or altered
22 state.

23 Section 8. Newly created agencies.

24 [A statutory] An agency created after January 1, [1981] 1991,
25 shall be scheduled for termination at the conclusion of the
