| 2 | include, but are not limited to, college and university courses, |
| 3 | activities which award continuing education units (CEU's) and |
| 4 | those portions of technical meetings, seminars or other courses |
| 5 | which are related to landscape architecture practice or |
| 6 | management as approved by the committee. In addition, teaching, |
| 7 | travel and self-directed study are acceptable with prior |
| 8 | approval of the committee and the board. |
| 9 | Section 9.5. Certificate of CompletionA sponsor shall |
| 10 | provide each participant, within thirty days after completion of |
| 11 | the continuing education program with a certificate of |
| 12 | completion provided by the committee. A copy of the same form |
| 13 | shall be filed by the sponsor with the board. The form shall |
| 14 | state the participant's full name and the number of contact |
| 15 | hours authorized by the committee for that sponsor's program. |
| 16 | <u>Section 9.6 Exempt RegistrantA licensee may make a formal</u> |
| 17 | request in writing to the board that he be granted exempt |
| 18 | status. The board shall respond in writing sixty days after the |
| 19 | licensee's request. An individual receiving exempt status shall |
| 20 | be exempt from the requirements of this section during this |
| 21 | period. The licensee shall not be allowed to use the title |
| 22 | "Landscape Architect" or to practice landscape architecture in |
| 23 | this Commonwealth during this time. The board shall make public |
| 24 | a list naming all exempt licensees and publish an updated list |
| 25 | every six months. A licensee, if on exempt status for five or |
| 26 | more years, shall be classified as lapsed. |
| 27 | Section 9.7. Reinstatement to Active StatusA licensee who |
| 28 | wishes to reinstate a license must satisfy one of the following |
| 29 | requirements: |
| 30 | (1) Complete all of the continuing education requirements |

- 4 -

| 1 | multiplied by the number of years of exempt status. |
|----|------------------------------------------------------------------|
| 2 | (2) Complete the L.A.R.E. within one year immediately prior |
| 3 | to application for reinstatement. |
| 4 | Section 9.8. ExemptionsA licensee may be exempt from the |
| 5 | continuing education requirements for any one of the following |
| 6 | <u>reasons:</u> |
| 7 | (1) New licensees by way of L.A.R.E. shall be exempt for |
| 8 | their first renewal period. |
| 9 | (2) If licensee does not reside in this Commonwealth, and is |
| 10 | registered or licensed in another state or district having a |
| 11 | continuing education requirement equal to, or more stringent to |
| 12 | these requirements, and the licensee meets all other |
| 13 | requirements of that state or district to maintain licensure. |
| 14 | (3) If a licensee is employed by a landscape architect and |
| 15 | is employed or assigned to duty outside of the United States for |
| 16 | a period of time exceeding one hundred twenty consecutive days |
| 17 | in a calendar year, he shall be exempt from the thirty contact |
| 18 | hours required during that renewal period. |
| 19 | (4) Physical disability, illness, hardship or other |
| 20 | extenuating circumstances as reviewed and approved by the board. |
| 21 | Section 9.9. Disciplinary ActionFailure of a licensee to |
| 22 | satisfy the continuing education requirements for license |
| 23 | renewal may be cause for the board to deny license renewal for |
| 24 | the licensee. |
| 25 | Section 9.10. NoncomplianceA licensee who does not |
| 26 | satisfy the continuing education requirement for license renewal |
| 27 | shall be placed on probationary status and so notified following |
| 28 | the renewal date. The licensee must comply within six months |
| 29 | following the renewal date or the license shall be classified as |
| 30 | suspended. |

| 1 | Section 9.11. Reports and Records(a) The sponsor or |
|----|------------------------------------------------------------------|
| 2 | licensee shall submit to the board documents or other materials |
| 3 | for evaluation. The board shall approve those activities which |
| 4 | will further the competence of a licensee and determine the |
| 5 | number of contact hours allowed. |
| б | (b) The reporting of continuing education shall be completed |
| 7 | by each licensee and filed with the board. Documentation of |
| 8 | compliance shall be by affidavit on continuing education credit |
| 9 | summary form provided by the board. The report shall be filed |
| 10 | with each renewal application. |
| 11 | (c) The board shall approve or disapprove the completed |
| 12 | continuing education activities. If disapproved, the licensee |
| 13 | must be notified and may be granted a grace period of six months |
| 14 | in which to correct deficiencies. The board may also seek |
| 15 | verification of information submitted by the licensee. Erroneous |
| 16 | or false information attested to by the licensee shall be deemed |
| 17 | as grounds for denial of license renewal. |
| 18 | Section 9.12. Special RequestThe board shall consider any |
| 19 | reasonable special request from individual licensees for |
| 20 | continuing education credits and procedures. The board shall |
| 21 | review and decide upon courses prior to the licensee's actual |
| 22 | attendance if the educational activity approval form provided by |
| 23 | the board is filled out and sent to the board before the course |
| 24 | begins. The board may, in individual cases involving physical |
| 25 | disability, illness or extenuating circumstances, grant a |
| 26 | hardship or extension. An extension of the continuing education |
| 27 | requirements shall be for a period of time not to exceed two |
| 28 | years. No extension of time shall be granted unless the licensee |
| 29 | submits a written request to the board. |
| 30 | Section 9.13. Self-Directed ActivitiesThe board shall |

- 6 -

| 1 | allow self-directed activities to fulfill the continuing |
|----|------------------------------------------------------------------|
| 2 | education requirements of the licensee. However, these |
| 3 | activities must result in a book draft, published article, |
| 4 | delivered paper, workshop, symposium or public address. The |
| 5 | licensee should use the self-directed activity approval form |
| 6 | provided by the board when using this method of fulfilling the |
| 7 | required number of contact hours. When submitted for review, the |
| 8 | licensee must be aware that self-directed activities must be |
| 9 | followed by a documented public presentation of the self- |
| 10 | directed activity, or the results of the activity, by the |
| 11 | licensee within the two-year reporting period. Self-directed |
| 12 | activities may include literature reviews, research and field |
| 13 | studies customarily associated with university or college |
| 14 | instructional teaching loads. Full-time college or university |
| 15 | faculty members may include studies required for innovative |
| 16 | university or college courses or for studies required for |
| 17 | courses beyond the usual university or college audience. Full- |
| 18 | time college or university faculty members may submit academic |
| 19 | research to satisfy continuing education requirements as long as |
| 20 | the licensee can provide documentation that the academic |
| 21 | research follows all of the norms of the relevant academic |
| 22 | institution and the relevant academic peer community. |
