11 township officer fails to perform the duties of the office, the
12 court of common pleas, upon complaint in writing by ~~ten~~ FIVE <—
13 percent of the electors of the township, may issue a rule upon
14 the officer to show cause why the office should not be declared
15 vacant. The officer shall respond to the rule within thirty days
16 from its date of issue. Upon hearing, the court may declare the
17 office vacant and require the vacancy to be filled under section
18 407.

19 [Section 504. Road Complaints.--If any complaint shall
20 allege that the public roads and highways of any township are
21 not maintained in accordance with law, the court may appoint
22 three persons, who shall examine said highways and report to the
23 court their findings. In all such cases the complainants shall
24 first enter security, in such sum as the court may fix, to pay
25 all costs.]

1 supervision of the affairs of the township shall be in the hands
2 of three registered electors of the township, who shall be
3 styled township supervisors, except that when upon referendum
4 the election of two additional supervisors is provided for, the
5 general supervision of the affairs of the township shall be in
6 the hands of five registered electors of the township, who shall
7 be styled township supervisors.]

8 Section 601. Supervisors and Government of Townships.--
9 Townships shall be governed and supervised by boards of
10 supervisors. Boards of supervisors shall consist of three
11 members or, if approved by the electors under section 402(b),
12 five members.

13 [Section 511. Organization Meeting; Appointment of Secretary
14 and Treasurer.--The supervisors of each township shall meet, at
15 a convenient time and place, on the first Monday in January of
16 each year. If the first Monday is a legal holiday, the meeting
17 shall be held the first day following. At such time the township
18 supervisors shall organize as a board by electing one of their
19 number as chairman and another member as vice-chairman. The
20 board shall appoint a treasurer and a secretary. The secretary
21 shall be an individual, however the board may select either a
22 trust company, banking institution or an individual to serve as
23 treasurer, or the board may appoint one individual to serve as
24 both secretary and treasurer. The secretary-treasurer, secretary
25 or treasurer, may or may not be a member of the board. With
26 regard to boards of supervisors which are designated as three-
27 member boards, any supervisor who is to be considered by such a
28 board for secretary-treasurer, secretary or treasurer, shall not
29 be excluded from voting on the issue of such appointment; such
30 action by a supervisor shall be deemed to be within the scope of

1 authority as a supervisor and shall not be deemed to constitute
2 an illegal or an improper conflict of interest.

3 The meeting under this section may be considered as a regular
4 monthly meeting for the transaction of such business as comes
5 before it. The first order of business at this meeting shall be
6 organization of the board. Any action taken or business
7 transacted other than organization of the supervisors as a board
8 at any organization meeting held prior to the effective date of
9 this amending act, which is invalid for the reason that the
10 action was taken or business transacted at an organization
11 meeting, is hereby validated and confirmed.]

12 Section 602. Organization Meeting; Appointment of Secretary
13 and Treasurer.--(a) The board of supervisors shall meet, at a
14 convenient time and place, on the first Monday in January of
15 each year. If the first Monday is a legal holiday, the meeting
16 shall be held the following day. The board of supervisors shall
17 elect one member as chairman and another as vice-chairman, and
18 it shall appoint a treasurer and a secretary. The secretary
19 shall be an individual; however, the board of supervisors may
20 select either a trust company, a banking institution or an
21 individual to serve as treasurer, or the board of supervisors
22 may appoint one individual to serve as both secretary and
23 treasurer. Members of the board of supervisors may be appointed
24 as secretary-treasurer, secretary or treasurer.

25 (b) The meeting under this section may be considered a
26 regular monthly meeting of the board of supervisors. The first
27 order of business at this meeting shall be organization of the
28 board of supervisors.

29 [Section 512. Monthly Meetings; Quorum, Rent and Expenses.--
30 The township supervisors shall meet for the transaction of

1 business at least once each month, at a time and place to be
2 fixed by the board. Two members of any board of supervisors
3 consisting of three members shall constitute a quorum and three
4 members of any board of supervisors consisting of five members
5 shall constitute a quorum. Except as otherwise provided in this
6 act, an affirmative vote of a majority of the entire board of
7 supervisors shall be necessary in order to transact any
8 business. Necessary expenses incurred in such meetings,
9 including office rent, stationery, light and fuel, shall be paid
10 out of the general township fund.]

11 Section 603. Monthly Meetings; Quorum.--The board of
12 supervisors shall meet for the transaction of business at least
13 once each month, at a time and place determined by the board of
14 supervisors. A quorum is two members of a three-member board of
15 supervisors or three members of a five-member board of
16 supervisors. An affirmative vote of a majority of the entire
17 board of supervisors at a public meeting is necessary in order
18 to transact any business.

19 Section 604. Special Meetings.--Upon call of the chairman or
20 by agreement of a majority of its members, the board of
21 supervisors may schedule special meetings of the board of
22 supervisors after notice required under the act of July 3, 1986
23 (P.L.388, No.84), known as the "Sunshine Act." Notice of a
24 special meeting shall state the nature of the business to be
25 conducted at the meeting.

26 [Section 513. Minutes and Records.--The board of township
27 supervisors shall keep minutes of its proceedings, and such
28 other books as they may find necessary in the performance of
29 their duties. All such books shall be open for the inspection of
30 any elector, or taxpayer, or his, her or its representative, or

1 any representative of the Department of Community Affairs and
2 the Department of Highways at all reasonable times, and shall be
3 submitted to the township auditors when they meet to audit the
4 accounts of the treasurer and other township officers. The
5 township supervisors shall deliver such books, papers, and
6 accounts to their successors.

7 Section 513.1. Typewritten, Printed, Photostated and
8 Microfilmed Records, Valid Recording or Transcribing Records.--
9 All township records required to be recorded or transcribed
10 shall be deemed valid if typewritten, printed, photostated or
11 microfilmed, and where recording in a specified book of record
12 is required including minutes of the proceedings of the board of
13 supervisors such records may be recorded or transcribed in a
14 mechanical post binder book capable of being permanently sealed
15 with consecutively numbered pages with a security code printed
16 thereon and a permanent locking device with the township seal
17 being impressed upon each page, or bound book with pages being
18 consecutively numbered by transcribing directly upon the pages
19 of such book of record, or may be attached to such book of
20 record by stapling or by glue, or any other adhesive substance
21 or material, and all records heretofore recorded or transcribed
22 in any manner authorized by this section are validated. When any
23 record shall be recorded or transcribed after the effective date
24 of this amendment by attaching such record or a copy thereof to
25 the book of record as hereinabove provided, the township seal
26 shall be impressed upon each page to which such record is
27 attached, each impression thereof covering both a portion of the
28 attached record and a portion of the page of the book of record
29 to which such record is attached.]

30 Section 605. Minutes and Records.--(a) The board of

<—

1 supervisors shall provide for the recording of minutes of its
2 proceedings and other books it may find necessary in the
3 performance of its duties. All books shall be open for the
4 inspection of any elector or taxpayer, or his, her or its
5 representative, or any representative of the Department of
6 Community Affairs and the Department of Transportation, at all
7 reasonable times. The records shall be made available to the
8 board of auditors during the annual audit. Unless the custodian
9 of the records agrees otherwise, the records shall be audited or
10 inspected at the place where they are normally maintained.
11 Supervisors who leave office shall deliver all township records
12 in their possession to their successors or to the township
13 secretary.

14 (b) All township records required to be recorded or
15 transcribed are valid if typewritten, printed, photostated or
16 microfilmed, and, where recording in a specified book of record
17 is required, including minutes of the proceedings of the board
18 of supervisors, the records may be recorded or transcribed in a
19 mechanical post binder book capable of being permanently sealed,
20 with consecutively numbered pages with a security code printed
21 thereon and a permanent locking device with the township seal
22 being impressed upon each page, or bound book with pages being
23 consecutively numbered by transcribing directly upon the pages
24 of the book of record, or may be attached to the book of record
25 by stapling or by glue or any other adhesive substance or
26 material, and all records previously recorded or transcribed in
27 any manner authorized by this section are validated. When any
28 record is recorded or transcribed by attaching the record or a
29 copy of it to the book of record, the township seal shall be
30 impressed upon each page to which the record is attached, each

1 impression covering both a portion of the attached record and a
2 portion of the page of the book of record to which the record is
3 attached.

4 (c) Original or certified copies of ordinances may also be
5 stored in a locking or mechanical post binder book, capable of
6 being permanently sealed, without being fastened onto pages in
7 the binder.

8 [Section 514. Road Districts; Superintendents and
9 Roadmasters.--The board of township supervisors, immediately
10 after their organization, shall divide the township into one or
11 more road districts. They shall employ a superintendent for the
12 entire township or a roadmaster for each district. Every
13 superintendent and roadmaster, so employed, must be a person
14 physically able to work on and maintain the roads. Township
15 supervisors may require such superintendents or roadmasters to
16 give bond, with a surety company or other company authorized by
17 law to act as surety, for the faithful performance of their
18 duties. The superintendent or roadmasters shall be subject to
19 removal by the board of supervisors. The supervisors shall fix
20 the wages to be paid, either per hour, per day, per week, semi-
21 monthly or monthly, to the superintendent or roadmasters and
22 laborers for work on the roads and bridges, which wages shall
23 not exceed wages paid in the locality for similar services.

24 This section shall not prohibit the township supervisors from
25 being employed as superintendents or roadmasters, or as
26 laborers, if physically able to work on and maintain the roads.
27 With regard to boards of supervisors which are designated as
28 three-member boards, any supervisor who is to be considered by
29 such a board for a position as a compensated employe of the
30 township, as authorized by this section, shall not be excluded

1 from voting on the issue of such appointment; such action by a
2 supervisor shall be deemed to be within the scope of authority
3 as a supervisor and shall not be deemed to constitute an illegal
4 or an improper conflict of interest. In such cases they shall
5 not employ a superintendent or roadmasters and their
6 compensation shall be fixed as hereinafter provided.

7 Two or more townships may appoint the same person as
8 superintendent.

9 Section 515. Compensation of Supervisors.--(a) Supervisors
10 may receive from the general township fund, as compensation, an
11 amount fixed by ordinance, not in excess of the following:

12	Township Population	Annual Maximum Compensation
13	Not more than 4,999	Fifteen hundred dollars
14	5,000 to 9,999	Two thousand dollars
15	10,000 to 14,999	Twenty-six hundred dollars
16	15,000 to 24,999	Thirty-three hundred dollars
17	25,000 to 34,999	Thirty-five hundred dollars
18	35,000 or more	Four thousand dollars

19 Such salaries shall be payable monthly or quarterly for the
20 duties imposed by the provisions of this act. The population
21 shall be determined by the latest available official census
22 figures, except that no township shall be required to reduce the
23 salary of a supervisor as a result of a decrease in population.
24 The compensation of supervisors, when acting as superintendents,
25 roadmasters or laborers, shall be fixed by the township auditors
26 either per hour, per day, per week, semi-monthly or monthly,
27 which compensation shall not exceed compensation paid in the
28 locality for similar services, and such other reasonable
29 compensation for the use of a passenger car, or a two-axled
30 four-wheeled motor truck having a chassis weight of less than

1 two thousand pounds and a maximum gross weight of five thousand
2 pounds, or a class 2 truck, having a maximum gross weight of
3 seven thousand pounds when required and actually used for the
4 transportation of road and bridge laborers and their hand tools
5 and for the distribution of cinders and patching material from a
6 stock pile, as the auditors shall determine and approve; but no
7 supervisor shall receive compensation as a superintendent or
8 roadmaster for any time he spends attending a meeting of
9 supervisors.

10 (b) Any benefit provided to or for the benefit of a
11 supervisor employed by the township as a superintendent,
12 roadmaster, laborer, secretary, treasurer or secretary/treasurer
13 in the form of inclusion in a pension plan paid for in whole or
14 in part by the township shall be deemed to be compensation
15 within the meaning of this act to the extent such benefit is
16 paid for by the township and shall be fixed by the township
17 auditors; however:

18 (1) Supervisors shall be eligible for inclusion in such
19 township pension plans only if they are employed by the township
20 in the capacity of superintendent, roadmaster, laborer,
21 secretary, treasurer or secretary/treasurer. In order to be
22 eligible for inclusion in such plans, supervisor-employees must
23 meet the same requirements as other employees of the township who
24 are eligible to participate in a pension plan. Such plans shall
25 not improperly discriminate in favor of a supervisor-employee.

26 (2) Once given, auditor approval for inclusion of
27 supervisor-employees shall not be rescinded in any subsequent
28 years so long as the pension plan remains in effect and said
29 supervisors remain employed by the township and continue to meet
30 the same requirements as other employees of the township who are

1 eligible to participate in a pension plan; nor shall the
2 auditors be empowered to act in any way that would cause the
3 disqualification of all or any portion of the pension plan under
4 the applicable Federal law.

5 (3) No change in the nature or rate of the contributions in
6 the case of a defined contribution plan and no change in the
7 benefit formula in the case of a defined benefit plan shall be
8 initiated by the board of supervisors with respect to a
9 supervisor-employee without auditor approval.

10 (4) A pension or annuity contract entered into by a township
11 between January 1, 1959, and March 31, 1985, that includes or
12 provides for benefits for supervisor-employees or retired
13 supervisor-employees at township expense shall not be void or
14 unlawful solely because such inclusion of supervisor-employees or
15 retired supervisor-employees was not previously approved by the
16 township auditors. No penalty, assessment, surcharge, forfeiture
17 or disciplinary action of any kind may occur as a result of such
18 participation by supervisor-employees.

19 (5) All premium, contribution or similar payments made by a
20 township on pension or annuity contracts on behalf of
21 supervisor-employees between January 1, 1959, and March 31, 1985,
22 which would have been proper but for the absence of auditor
23 approval, are hereby deemed ratified and approved. Any benefits
24 payable to any such supervisor-employee or his beneficiaries on
25 account of such premium, contribution or similar payments made
26 by a township during the aforementioned period shall continue.
27 Any such premium, contribution or similar payments made by a
28 township subsequent to March 31, 1985, shall require auditor
29 approval as provided in this subsection.

30 (6) If a supervisor-employee personally contributed toward a

1 township-sponsored pension plan or annuity that is not approved
2 by the township auditors or not deemed approved hereunder, he
3 shall receive a refund of his total contributions thereto, plus
4 any interest accumulated thereon. In lieu of a refund of
5 contributions plus accumulated interest, a supervisor-employee
6 who personally contributed toward a pension or annuity plan in
7 which he participated may elect to purchase that portion of his
8 pension or annuity funded by the township. The appropriate
9 compensation to be paid to the township by the supervisor-
10 employee shall be determined by a qualified actuary who shall
11 report his determination in accordance with the act of December
12 18, 1984 (P.L.1005, No.205), known as the "Municipal Pension
13 Plan Funding Standard and Recovery Act."

14 (7) Township supervisors who are not employees of the
15 township shall not be eligible for participation in any pension
16 or annuity contract paid in whole or in part by the township. No
17 township supervisor who was not an employee of the township but
18 was included in a township-paid pension or annuity plan entered
19 into by a township between January 1, 1959, and March 31, 1985,
20 shall be subject to any penalty, assessment, surcharge,
21 forfeiture or disciplinary action of any kind as a result of
22 said participation. Any residual interest, value, refund of
23 premium or benefits payable on or after March 31, 1985, arising
24 out of the township-paid interest of a non-employee supervisor
25 shall become the exclusive property of the township.

26 (c) In addition to the compensation authorized under this
27 section, supervisors while in office or while in the employ of
28 the township may be eligible for inclusion in township-paid
29 insurance plans, as follows:

30 (1) Supervisors and their dependents shall be eligible for

1 inclusion in group life, health, hospitalization, medical
2 service and accident insurance plans paid in whole or in part by
3 the township. No policy of group life insurance shall contain
4 any provision for the accrual or deferral of a cash surrender
5 value, loan value or any other nonforfeitable benefit, in
6 addition to or beyond the face amount of insurance, that shall
7 inure to the benefit of the supervisor, any beneficiary or any
8 other individual having an insurable interest in the life of a
9 supervisor. Such insurance, however, may contain a provision
10 that when the insurance, or any portion of it, on a person
11 covered under the policy ceases because of termination of
12 employment or the termination of the insured's term of office,
13 such person shall be entitled to have issued to him by the
14 insurer, without evidence of insurability, an individual policy
15 of insurance on any form customarily issued by the insurer at
16 the age and for the amount applied for if: (i) such amount is
17 not in excess of the amount of life insurance which ceases
18 because of such termination; and (ii) the application for the
19 individual policy is made and first premium is paid to the
20 insurer within thirty-one days after such termination.

21 Participation by supervisors shall not require auditor approval.
22 Such insurance shall be uniformly applicable to those covered
23 and shall not improperly discriminate in favor of supervisors.

24 (2) Any life, health, hospitalization, medical service or
25 accident insurance coverage contract entered into by a township
26 between January 1, 1959, and March 31, 1985, that includes or
27 provides coverage for non-employee supervisors shall not be void
28 or unlawful solely because such inclusion of non-employee
29 supervisors was subsequently found to be without lawful
30 authority. No penalty, assessment, surcharge, forfeiture or

1 disciplinary action of any kind may occur as a result of
2 participation by non-employee supervisors. Insurance benefits
3 payable to insureds or their beneficiaries arising out of or on
4 account of deaths, injuries, accidents or illnesses occurring
5 prior to the effective date of this amendatory act shall remain
6 the property of the insureds or their beneficiaries.

7 (3) All payments made by a township on any group life,
8 health, hospitalization, medical service or accident insurance
9 coverage contracts on behalf of non-employee supervisors between
10 January 1, 1959, and March 31, 1985, which would have been
11 proper but for the absence of auditor approval, are hereby
12 deemed ratified and approved. Any benefits payable to any such
13 non-employee supervisor or his beneficiaries on account of such
14 payments made by a township during the aforementioned period
15 shall continue.

16 (4) Supervisors and their dependents, whether or not they
17 are employed by the township, shall also be eligible for
18 inclusion in township group life, health, hospitalization,
19 medical service and accident insurance plans if they pay their
20 pro rata share of the premium. Their inclusion in such plans
21 shall not require auditor approval, but shall require the
22 submission of a letter requesting such participation at a
23 regularly scheduled meeting of the board of township supervisors
24 prior to commencing such participation. Such insurance shall be
25 uniformly applicable to those covered and shall not give
26 eligibility preference to, or improperly discriminate in favor
27 of, supervisors.]

28 Section 606. Compensation of Supervisors.--(a) Supervisors
29 may receive as compensation an amount established by ordinance
30 not in excess of the following:

1	<u>Township</u>	<u>Annual Maximum</u>
2	<u>Population</u>	<u>Compensation</u>
3	<u>not more than 4,999</u>	<u>\$1,500</u>
4	<u>5,000 to 9,999</u>	<u>\$2,000</u>
5	<u>10,000 to 14,999</u>	<u>\$2,600</u>
6	<u>15,000 to 24,999</u>	<u>\$3,300</u>
7	<u>25,000 to 34,999</u>	<u>\$3,500</u>
8	<u>35,000 or more</u>	<u>\$4,000</u>

9 Salaries are payable monthly or quarterly for the duties imposed
 10 by this act. The population is determined by the latest official
 11 census figures, except that no township shall be required to
 12 reduce the salary of a supervisor as a result of a decrease in
 13 population. The compensation of supervisors, when employed as
 14 roadmasters, laborers, secretary, treasurer, assistant
 15 secretary, assistant treasurer or in any employe capacity not
 16 otherwise prohibited by this or any other act, shall be
 17 determined by the board of auditors, at an hourly, daily,
 18 weekly, semi-monthly or monthly basis, which shall be comparable
 19 to compensation paid in the locality for similar services. The
 20 board of supervisors may establish a mileage allowance, under
 21 the act of July 20, 1979 (P.L.156, No.51), referred to as the
 22 Uniform Mileage Fee Law, to be paid to officers and employes for
 23 the use of a personal vehicle when required and actually used
 24 for authorized township business. No supervisor may receive
 25 compensation as an employe for attending a meeting of the board
 26 of supervisors. Supervisors may continue to be compensated under
 27 prior law until such time as an ordinance is enacted under this
 28 act. Any change in salary, compensation or emoluments of the
 29 elected office becomes effective at the beginning of the next
 30 term of the supervisor. A DECISION BY THE TOWNSHIP TO PAY, IN

<—

1 WHOLE OR IN PART, TO INCLUDE SUPERVISORS NOT EMPLOYED BY THE
2 TOWNSHIP IN INSURANCE PLANS, AS AUTHORIZED IN SUBSECTION (C),
3 SHALL NOT BE IMPLEMENTED WITH REGARD TO ANY NONEMPLOYEE
4 SUPERVISOR UNTIL THE BEGINNING OF THE NEXT TERM OF THAT
5 SUPERVISOR.

6 (b) Any benefit provided to or for the benefit of a
7 supervisor employed by the township in any employee capacity
8 under this act in the form of inclusion in a pension plan paid
9 for in whole or in part by the township is compensation within
10 the meaning of this act to the extent that benefit is paid for
11 by the township and is determined by the board of auditors;
12 however:

13 (1) Supervisors are eligible for inclusion in township
14 pension plans only if they are employed by the township in any
15 employee capacity under this act. In order to be eligible for
16 inclusion in the plans, supervisor-employees must meet the same
17 requirements as other employees of the township who are eligible
18 to participate in a pension plan. Pension plans shall not
19 improperly discriminate in favor of a supervisor-employee.

20 (2) Once given, auditor approval for inclusion of
21 supervisor-employees shall not be rescinded in any subsequent
22 years as long as the pension plan remains in effect and the
23 supervisors remain employed by the township and continue to meet
24 the same requirements as other employees of the township who are
25 eligible to participate in a pension plan; nor shall the
26 auditors act in any way that disqualifies the pension plan under
27 Federal law.

28 (3) No change in the nature or rate of the contributions of
29 a defined contribution plan and no change in the benefit formula
30 of a defined benefit plan shall be initiated by the board of

supervisors with respect to a supervisor-employee without auditor approval.

(4) A pension or annuity contract made by a township between January 1, 1959, and March 31, 1985, that includes or provides for benefits for supervisor-employees or retired supervisor-employees at township expense is not void or unlawful solely because the inclusion of supervisor-employees or retired supervisor-employees was not previously approved by the township auditors. No penalty, assessment, surcharge, forfeiture or disciplinary action of any kind may occur as a result of that participation by supervisor-employees.

(5) All premium, contribution or similar payments made by a township on pension or annuity contracts on behalf of supervisor-employees between January 1, 1959, and March 31, 1985, which would have been proper but for the absence of auditor approval are hereby approved. Any benefits payable to any supervisor-employee or his beneficiaries on account of any premium, contribution or similar payments made by a township during that period shall continue. Any premium, contribution or similar payments made by a township after March 31, 1985, requires auditor approval under this subsection.

(6) If a supervisor-employee personally contributed toward a township-sponsored pension plan or annuity that is not approved by the township auditors or not approved by this act, he shall receive a refund of his total contributions thereto plus any interest accumulated thereon. In lieu of a refund of contributions plus accumulated interest, a supervisor-employee who personally contributed toward a pension or annuity plan in which he participated may elect to purchase that portion of his pension or annuity funded by the township. A qualified actuary,

1 who shall report his determination under the act of December 18,
2 1984 (P.L.1005, No.205), known as the "Municipal Pension Plan
3 Funding Standard and Recovery Act," shall determine the amount
4 the supervisor-employee shall pay to purchase the township-funded
5 portion of the annuity or pension.

6 (7) Supervisors who are not employes of the township are not
7 eligible for participation in any pension or annuity contract
8 paid in whole or in part by the township. No supervisor who was
9 not an employe of the township but was included in a township-
10 paid pension or annuity plan made by a township between January
11 1, 1959, and March 31, 1985, is subject to any penalty,
12 assessment, surcharge, forfeiture or disciplinary action. Any
13 residual interest, value, refund of premium or benefits payable
14 on or after March 31, 1985, arising out of the township-paid
15 interest of a supervisor who was not an employe is the exclusive
16 property of the township.

17 (c) In addition to the compensation authorized under this
18 section, supervisors while in office or while in the employ of
19 the township may be eligible for inclusion in township-paid
20 insurance plans, as follows:

21 (1) Supervisors and their dependents are eligible for
22 inclusion in group life, health, hospitalization, medical
23 service and accident insurance plans paid in whole or in part by
24 the township. No policy of group life insurance shall contain
25 any provision for a cash surrender value, loan value or any
26 other benefit beyond the face amount of insurance. The policy
27 may contain a provision that when the insurance ceases because
28 of termination of employment or term of office, the person is
29 entitled to have issued to him by the insurer, without evidence
30 of insurability, an individual policy of insurance on any form

1 customarily issued by the insurer at the age and for the amount
2 applied for if the amount is not in excess of the amount of life
3 insurance which ceases because of the termination and the
4 application for the individual policy is made and first premium
5 is paid to the insurer within thirty-one days after termination.
6 Participation by supervisors does not require auditor approval.
7 Such insurance shall be uniformly applicable to those covered
8 and shall not improperly discriminate in favor of supervisors.

18 any of them remain unpaid at the expiration of not exceeding
19 ninety (90) days, the exact time to be fixed by the township

30 township officials who are not employes of the township, shall

1 not be void or unlawful solely because such inclusion of such
2 officials was subsequently found to be without lawful authority.
3 No penalty, assessment, surcharge, forfeiture or disciplinary
4 action of any kind may occur as a result of participation by
5 such officials: Provided, however, That insurance benefits
6 payable to insureds or their beneficiaries arising out of or on
7 account of deaths, injuries, accidents or illnesses occurring
8 prior to the effective date of this amendatory act shall remain
9 the property of the insureds or their beneficiaries.

10 E. To contract with any such company or otherwise provide
11 for the granting of annuities or pensions, for the pensioning of
12 employees, and for such purposes, to pay part or all of the
13 premiums or charges for carrying such contracts, and to
14 appropriate out of its treasury any money necessary to pay such
15 premiums, or charges, costs or portions thereof. This provision
16 is subject to the following qualifications:

17 (1) The benefit coverage shall be provided to supervisor-

19 (2) The supervisors are hereby authorized to deduct,
20 pursuant to an employee's written authorization, from the

22 charge that is payable by the employee.

23 (3) Elected officials, except township supervisors who are
24 provided for in section 515, and appointed township officials
25 who are not employees of the township shall not be eligible for
26 participation in any pension or annuity contract paid in whole
27 or in part by the township. No elected official, except as
28 provided in section 515, or appointed township official who is
29 not an employee of the township, included in a township-paid
30 pension or annuity plan entered into by a township between

1 January 1, 1959, and March 31, 1985, shall be subject to any
2 penalty, assessment, surcharge, forfeiture or disciplinary
3 action of any kind as a result of said participation. Any
4 residual interest, value, refund of premium or benefits payable
5 on or after March 31, 1985, arising out of the township-paid
6 interest of the elected or appointed township officials shall
7 become the exclusive property of the township.

8 (4) If an elected official, except township supervisors who
9 are provided for in section 515, or an appointed official who is

16 participated may elect to purchase that portion of his pension
17 or annuity funded by the township. The appropriate compensation
18 to be paid to the township by the elected or appointed official
19 shall be determined by a qualified actuary, who shall report his
20 determination in accordance with the act of December 18, 1984
21 (P.L.1005, No.205), known as the "Municipal Pension Plan Funding

3 provided by law. The moneys so appropriated shall be used and
4 expended solely and exclusively for the support and maintenance,
5 discipline and training of the said company, battalion,
6 regiment, or similar organization; and the commanding officers
7 shall account, by proper vouchers to the said township each
8 year, for the expenditure of the money so appropriated, and no
9 appropriation shall be made for any subsequent year until the
10 expenditure of the previous year is duly and satisfactorily
11 accounted for.

12 The accounts of such expenditures shall be subject to the

29 peace, alderman or magistrate of the county by the payment of
30 costs of prosecution and a fine of not more than ten dollars,

4 authority may arrest upon view any person violating any such

28 XXVIII. Abandoned Cemeteries.--Whenever any cemetery or
29 burial ground incorporated or unincorporated, is abandoned, or
30 is being neglected although occasionally used for burial

1 purposes, either of the following actions may be taken:

2 (1) The township supervisors may give notice to the owner
3 thereof, directing him to remove the weeds, refuse and debris
4 therefrom within thirty days. If the weeds, refuse and debris
5 are not removed within thirty days after such notice, the
6 supervisors shall cause the same to be done by employees of the
7 township or persons hired for the purpose at the expense of the
8 township. In no case shall the township supervisors expend more
9 than five hundred dollars in any one year on any one cemetery.
10 All costs and expenses of such removal shall be a debt owed to
11 the township by the owner of the cemetery or burial ground, and
12 may be collected therefrom as like debts are collected, or (2)
13 the court of common pleas of the county, upon petition of
14 twenty-five residents of the township wherein such cemetery is
15 located, may direct the supervisors to care for such cemetery at
16 a cost of not more than five hundred dollars in any one year.
17 The supervisors shall expend moneys from the general township

3 thereof, to provide for the construction of necessary lines and
4 works therefor, and to charge and collect water rentals.

5 XXXII. Fire Prevention.--To make regulations, by ordinance,
6 relative to the cause and prevention of fires. Such ordinances
7 may adopt any standard fire prevention code published and
8 printed in book form covering the above items without
9 incorporating such code in the ordinance, or any township may
10 enact such fire prevention code as its ordinance authorized
11 under the provisions of this clause. In either event, such code
12 shall not be published or advertised in full as provided by this
13 section in the case of the adoption of ordinances. Notice of the
14 adoption of such standard fire prevention code as the fire
15 prevention ordinance of the township, together with a brief
16 summary thereof setting forth the principal provisions of said
17 ordinance in such reasonable detail as will give adequate notice
18 of its contents, pursuant to a uniform form which shall be
19 prepared or approved by the Pennsylvania State Police, and a
20 reference to the place or places within the township where
21 copies of the code adopted are deposited and may be examined,
22 shall be published in the manner provided by this section for

15 moneys from the general fund of the township for the
16 construction and maintenance of sidewalks and footpaths,
17 whenever deemed necessary, for the protection of the traveling
18 public.

19 XXXIX. Transient Merchants.--To license and regulate, by
20 ordinance, transient retail merchants in the manner and to the
21 extent hereinafter provided.

22 XL. Joint Municipal Agreements.--To enter into agreements
23 with other political subdivisions, in accordance with existing
24 laws, in making joint purchases of materials, supplies or
25 equipment, and in cooperating with other political subdivisions
26 in promotion of the health of the citizens and residents of the
27 township and other political subdivisions, and in performing
28 governmental powers, duties and functions, and in carrying into
29 effect provisions of law relating to said subjects, which are
30 common to all such political subdivisions.

1 XLI. Ordinances.--To adopt ordinances prescribing the manner
2 in which such specific powers of the township shall be carried
3 out. All such proposed ordinances, unless otherwise provided by
4 law, shall be published not more than sixty days nor less than
5 seven days prior to passage at least once in one newspaper
6 circulating generally in the township. Public notices of any
7 proposed ordinances shall include either the full text thereof
8 or the title and a brief summary prepared by the township
9 solicitor, if the township has a solicitor, otherwise by that
10 individual who drafted the ordinance setting forth all the
11 provisions in reasonable detail and a reference to a place
12 within the township where copies of the proposed ordinance may
13 be examined. If the full text is not included a copy thereof
14 shall be supplied to a newspaper of general circulation in the
15 county at the time the public notice is published. If the full
16 text is not included an attested copy thereof shall be filed in
17 the county law library or other county office designated by the
18 county commissioners who may impose a fee no greater than that
19 necessary to cover the actual costs of storing said ordinances.
20 In the event substantial amendments are made in the proposed
21 ordinance or resolution, before voting upon enactment, the board
22 of supervisors shall within ten days readvertise in one
23 newspaper of general circulation in the township, a brief
24 summary setting forth all the provisions in reasonable detail
25 together with a summary of the amendments. Such ordinances shall
26 be recorded in the ordinance book of the township and shall
27 become effective five days after such adoption. Any and all
28 township ordinances, or portions thereof, the text of which,
29 prior to the effective date of this reenactment and amendment,
30 shall have been attached to the township ordinance book, shall

1 be considered in force just as if such ordinances, or portions
2 thereof, had been recorded directly upon the pages of such
3 ordinance book: Provided, That all other requirements of this
4 act applicable to the enactment, approval, advertising and
5 recording of such ordinances or portions thereof, were complied
6 with within the time limits prescribed by this act. In any case
7 in which maps, plans, or drawings of any kind are adopted as
8 part of an ordinance, the supervisors may, instead of publishing
9 the same as part of the ordinance, refer in publishing the
10 ordinance to the place where such maps, plans, or drawings are
11 on file and may be examined. The board of supervisors may
12 prescribe fines and penalties not exceeding one thousand dollars
13 for a violation of a building, housing, property maintenance,
14 health, fire or public safety code or ordinance and for water,
15 air and noise pollution violations, and not exceeding six
16 hundred dollars for a violation of any other township ordinance,
17 which fines and penalties may be collected by suit or summary
18 proceeding brought in the name of the township before any
19 justice of the peace. Proceedings for the violation of township
20 ordinances and for the collection of fines and penalties imposed
21 thereby may be commenced by warrant, or by summons, at the
22 discretion of the justice of the peace before whom the
23 proceeding is begun. No warrant shall be issued, except upon
24 complaint on oath or affirmation specifying the ordinance for
25 the violation of which the same is issued. All proceedings shall
26 be directed to, and be served by, a constable of the township.
27 Warrants shall be returnable forthwith and upon such return like
28 proceeding shall be had, as in cases of summary conviction. All
29 fines and penalties collected for the violation of township
30 ordinances shall be paid over to the township treasury. Upon

1 judgment against any person by summary conviction, or by
2 proceedings by summons on default of the payment of the fine or
3 penalty imposed and the costs, the defendant may be sentenced
4 and committed to the township lockup for a period not exceeding
5 five days, or to the county jail, or workhouse for a period not
6 exceeding thirty days.

7 Any person aggrieved may make complaint as to the legality of
8 such ordinance or resolution to the court.

9 XLI.I. Consolidation, Codification or Revision of
10 Ordinances.--Whenever any township shall have caused to be
11 prepared a consolidation, codification or revision of the
12 general body of township ordinances or the ordinances on a
13 particular subject, the township supervisors may adopt such
14 consolidation, codification or revision as an ordinance of the
15 township, in the same manner that is now prescribed by law for
16 the adoption of township ordinances, except as hereinafter
17 provided.

18 Any such consolidation, codification or revision of township
19 ordinances to be enacted as a single ordinance shall be
20 introduced in the board of township supervisors at least thirty
21 days before its final enactment, and at least fifteen days
22 before its final enactment, notice of the introduction of any
23 consolidation, codification or revision, specifying its general
24 nature and listing its table of contents, shall be given by
25 advertisement in a newspaper of general circulation in said
26 township.

27 When any such consolidation, codification or revision has
28 been enacted as an ordinance, it shall not be necessary to
29 advertise the entire text thereof, but it shall be sufficient in
30 any such case, to publish a notice stating that such

1 consolidation, codification or revision, notice of the
2 introduction of which had previously been given, was finally
3 enacted.

4 The procedure set forth in this clause for the consolidation
5 or codification of township ordinances as a single ordinance may
6 also be followed in enacting a complete group or body of
7 ordinances, repealing or amending existing ordinances as may be
8 necessary in the course of preparing a consolidation,
9 codification or revision of the township ordinances, except that
10 in such case the advertisement giving notice of the introduction
11 shall list, in lieu of a table of contents, the titles only of
12 each of the ordinances in such complete group or body of
13 ordinances.

14 XLI.2. Adoption and Amendment of Codes by Reference.--To
15 adopt any ordinance by reference to a standard or nationally
16 recognized code, or to parts thereof, determined by the board,
17 or the provisions of any ordinance supplied by reference to a
18 typed or printed code, prepared under the direction of or
19 accepted by the board, or the provisions of a standard or
20 nationally recognized code, or parts thereof, and also further
21 provisions typed or printed as aforesaid: Provided, however,
22 That no portion of any code which limits the work to be
23 performed to any type of construction contractor, or labor or
24 mechanic classification shall be adopted. Such code need not be
25 advertised by publication of the full text thereof, and in place
26 of such complete advertisement, an informative notice of
27 intention to consider such proposed code, and a brief summary,
28 setting forth the principal provisions of the code in such
29 reasonable detail as will give adequate notice of its contents
30 and a reference to the place or places within the township where

1 copies of the proposed code may be examined or obtained shall be
2 published in the manner and within the time limits provided by
3 this act for publication of notice of other proposed ordinances.
4 Not less than three copies of such code, portion, or amendment
5 which is incorporated or adopted by reference, shall be filed
6 with the secretary of the township at least ten days before the
7 board considers the proposed ordinance and upon enactment kept
8 with the ordinance book, and available for public use,
9 inspection and examination.

10 An ordinance adopted by reference to any code shall be
11 enacted within sixty days after it is filed with the secretary
12 of the township and, in the case of a standard or nationally
13 recognized code, shall encompass the provisions of such code
14 effective as of the code date stated in the ordinance.

15 Any township that has adopted any code by reference to a
16 standard or nationally recognized code may adopt subsequent
17 ordinances which incorporate by reference any subsequent changes
18 thereof, properly identified as to date and source, as may be
19 adopted by the agency or association which promulgated the code.
20 Any ordinances which incorporate code amendments by reference
21 shall become effective after the same procedure and in the same
22 manner as is herein specified for original adoption of any such
23 code.

24 XLII. Airports.--To acquire by lease or purchase or by
25 exercising the power of eminent domain, in the manner provided
26 in article ten of this act, any land lying either within or
27 without the limits of the township, which in the judgment of the
28 corporate authorities thereof, may be necessary and desirable
29 for the purpose of establishing and maintaining municipal
30 airdromes, aviation landing fields and airport facilities. The

1 title acquired by the township exercising the power of
2 condemnation shall be a title in fee simple. Any township having
3 acquired land for such purposes may establish, equip, condition,
4 operate and maintain the same as a municipal airport, airdrome,
5 landing field, or intermediate landing field, and may lease the
6 same or any part thereof, to any individual or corporation
7 desiring to use the same for aviation purposes, and may enter
8 into a contract in the form of a lease providing for the use of
9 said land, or any part thereof, by the Government of the United
10 States for the use by said Government of said land for aviation
11 purposes upon nominal rental or without consideration.

12 Any township may acquire by lease or purchase land for
13 aviation purposes as hereinbefore provided jointly with any
14 county, city, borough, township, or political subdivision or
15 municipality authority of this Commonwealth, and is hereby
16 authorized and empowered to operate and maintain said airport,
17 airdrome, landing field, or intermediate landing field jointly
18 with any county, city, borough, township, or other political
19 subdivision or municipality authority of this Commonwealth upon
20 such terms and conditions, as may be agreed upon between the
21 proper authorities of the county, city, borough, township, or
22 other political subdivision of this Commonwealth.

23 XLIII. Police Protection Districts; Assessments.--To provide
24 police protection and promote the public safety, health,
25 convenience and welfare of its citizens the board of township
26 supervisors is hereby empowered, with the approval of the
27 township auditors, on petition of a majority of the property
28 owners of any territory within the township, to designate,
29 definitely define, set apart and limit any part of such
30 territory, as a district for the purpose of providing such

1 districts adequate police protection. Such police protection may
2 be furnished jointly with one or more other townships or
3 boroughs under an agreement with such townships and boroughs.
4 The township supervisors shall annually assess or cause to be
5 assessed the cost and expense of the maintenance of said police
6 protection by an equal assessment on all property benefited by
7 such protection in proportion to the number of feet the same
8 fronts on the street or highway or portion thereof to be
9 protected. The supervisors may provide for an equitable
10 reduction from the frontage of lots at intersections or where
11 from the peculiar or pointed shape of lots an assessment of the
12 full frontage would be inequitable. No such assessment shall be
13 made against any farm land, but vacant lots between built-up
14 sections, whether tilled or untilled, shall not be deemed to be
15 farm lands: Provided, however, That the assessment per front
16 foot against vacant lots shall be only twenty-five per centum
17 (25%) of the assessment per foot front against property with
18 improvements thereon. All such assessments for police protection
19 shall be filed with the township tax collector, who shall give
20 thirty days' written or printed notice that the assessments are
21 due and payable, stating the due date to each party assessed
22 either by service on the owner of the property or by mailing
23 such notice to the owner at his last known post office address.
24 The tax collector shall be entitled to the same commission for
25 the collection of such assessments as he is entitled to by law
26 for the collection of the township road tax. If the assessments
27 or any of them remain unpaid at the expiration of not exceeding
28 ninety days, the exact time to be fixed by the township
29 supervisors, they shall be placed in the hands of the township
30 solicitor for collection. The solicitor shall collect the same

1 together with five per centum (5%) as attorney's commission, and
2 interest from the date such assessments were due, by a municipal
3 claim filed against the property of the delinquent owner in like
4 manner as municipal claims are by law filed and collected. Where
5 an owner has two or more lots against which there is an
6 assessment for the same year all such lots shall be embraced in
7 one claim. All assessments, when collected, shall be paid over
8 to the township treasurer, who shall receive and shall keep the
9 same in a separate account, and pay out the same only upon
10 orders signed by the chairman of the township supervisors,
11 attested by the secretary. The tax collector and the treasurer
12 shall make a report to the auditors of the township annually.

21 December 18, 1984 (P.L.1005, No.205), known as the "Municipal

11 maintenance of the police protection by an equal assessment on
12 all property benefited by the protection in proportion to the
13 number of feet the property fronts on the street or highway or
14 portion thereof to be protected. The board of supervisors may
15 provide for an equitable reduction from the frontage of lots at
16 intersections or where, due to the irregular shape of lots, an
17 assessment of the full frontage would be inequitable. No
18 assessment shall be made against any farmland, but vacant lots
19 between built-up sections, whether tilled or not tilled, are not
20 farmland. The assessment for each foot front against vacant lots
21 shall be only twenty-five percent of the assessment for each

6 half of the compensation of the police.

7 (b) The board of supervisors may create an educational
8 service agency under section 402.1 of the act of December 5,

10 "Unemployment Compensation Law," to provide special school
11 police service to one or more educational institutions by the

14 agency for management and control of the school crossing guards.

(d) If the foot-front method of assessment is used, the assessment shall be by equal assessment on all property in

3 supervisors may provide for an equitable reduction from the
4 frontage of lots at intersections or where, due to the irregular
5 shape of lots, an assessment of the full frontage would be
6 inequitable. No assessment shall be made against any farmland,

8 tilled, are not farmland. The assessment for each foot front
9 against vacant lots shall be only twenty-five percent of the
10 assessment for each foot front against property with
11 improvements.

12 (e) All annual assessments for street lights shall be filed
13 with the township tax collector under section 3301(a). The

11 the sharing of the compensation or fees shall be made to the
12 board of supervisors.

13 (2) The board of supervisors must approve the sharing of any
14 fee or compensation for personal or professional services prior
15 to the performance of said services.

16 (3) No fee or compensation for personal or professional
17 services may be shared except for work actually performed.

18 (4) No shared fee or compensation for personal or
19 professional services may be paid at a rate in excess of the
20 commensurate for similar personal or professional services.

21 Section 802.1. Evasion of Advertising Requirements.--(a) No
22 supervisor or supervisors shall evade the provisions of section
23 eight hundred two as to advertising for bids, by purchasing or
24 contracting for services and personal properties piecemeal for
25 the purpose of obtaining prices under ten thousand dollars upon
26 transactions which should, in the exercise of reasonable
27 discretion and prudence, be conducted as one transaction
28 amounting to more than ten thousand dollars. This provision is
29 intended to make unlawful the evading of advertising
30 requirements by making a series of purchases or contracts each

1 for less than the advertising requirement price, or by making
2 several simultaneous purchases or contracts, each below said
3 price, when, in either case, the transactions involved should
4 have been made as one transaction for one price. Any supervisors
5 who so vote in violation of this provision, and who know that
6 the transaction upon which they so vote is or ought to be part
7 of a larger transaction and that it is being divided in order to
8 evade the requirements as to advertising for bids, shall be
9 jointly and severally subject to surcharge for ten per centum of
10 the full amount of the contract or purchase. Whenever it shall
11 appear that a supervisor may have voted in violation of this
12 section, but the purchase or contract on which he so voted was
13 not approved by the board of supervisors, this section shall be
14 inapplicable.

15 (b) Any supervisor who votes to unlawfully evade the
16 provisions of section eight hundred two and who knows that the
17 transaction upon which he so votes is or ought to be a part of a
18 larger transaction and that it is being divided in order to
19 evade the requirements as to advertising for bids commits a
20 misdemeanor of the third degree for each contract entered into
21 as a direct result of that vote. This penalty shall be in
22 addition to any surcharge which may be assessed pursuant to
23 subsection (a).

24 Section 803. Bonds for Protection of Labor and
25 Materialmen.--It shall be the duty of every township to require
26 any person, copartnership, association, or corporation, entering
27 into a contract with such township for the construction,
28 erection, installation, completion, alteration, repair of, or
29 addition to, any public work or improvement of any kind
30 whatsoever, where the amount of such contract is in excess of

1 one thousand five hundred dollars, before commencing work under
2 such contract, to execute and deliver to such township, in
3 addition to any other bond which may now or hereafter be
4 required by law to be given in connection with such contract, an
5 additional bond, for the use of any and every person,
6 copartnership, association, or corporation interested, in a sum
7 not less than fifty per centum and not more than one hundred per
8 centum of the liability under the contract, as such township may
9 prescribe, having as surety thereon one or more surety companies
10 legally authorized to do business in this Commonwealth,
11 conditioned for the prompt payment of all material furnished and
12 labor supplied or performed in the prosecution of the work,
13 whether or not the said material or labor enter in and become
14 component parts of the work or improvement contemplated. Such
15 additional bond shall be deposited with and held by the township
16 for the use of any party interested therein. Every such
17 additional bond shall provide that every person, copartnership,
18 association, or corporation who, whether as subcontractor or
19 otherwise, has furnished material or supplied or performed labor
20 in the prosecution of the work as above provided, and who has
21 not been paid therefor, may sue in assumpsit on said additional
22 bond in the name of the township for his, their, or its use and
23 prosecute the same to final judgment for such sum or sums as may
24 be justly due him, them, or it, and have execution thereon:
25 Provided, That the township shall not be liable for the payment
26 of any costs or expense of any suit.

27 Section 803.1. Purchase Contracts for Petroleum Products;
28 Fire Company, Etc., Participation.--The board of supervisors of
29 each township shall have power to permit, subject to such terms
30 and conditions as it may, and as hereinafter specifically

1 provided, shall, prescribe any paid or volunteer fire company,
2 paid or volunteer rescue company and paid or volunteer ambulance
3 company in the township to participate in purchase contracts for
4 petroleum products entered into by the township. Any such
5 company desiring to participate in such purchase contracts shall
6 file with the township secretary a request that it be authorized
7 to participate in contracts for the purchase of petroleum
8 products of the township and agreeing that it will be bound by
9 such terms and conditions as the township may, and as
10 hereinafter specifically provided, shall, prescribe and that it
11 will be responsible for payment directly to the vendor under
12 each purchase contract. Among such terms and conditions, the
13 township shall prescribe that all prices shall be F.O.B.
14 destination.

15 Section 804. Separate Specifications for Branches of Work.--
16 In the preparation of specifications for the erection or
17 alteration of any public building, when the entire cost of such
18 work exceeds ten thousand dollars, the architect, engineer, or
19 person preparing such specifications shall prepare separate
20 specifications for the plumbing, heating, ventilating, and
21 electrical work, and the township shall receive separate bids
22 upon each of such branches of work and award the contract for
23 the same to the lowest responsible bidder.

24 Section 805. Workmen's Compensation Insurance.--All
25 contracts executed by any township, which shall involve the
26 construction or doing of any work involving the employment of
27 labor, shall contain a provision that the contractor shall
28 accept, in so far as the work covered by any such contract is
29 concerned, the provisions of the Workmen's Compensation Act of
30 one thousand nine hundred and fifteen, and any supplements or

1 amendments thereto, and that the said contractor will insure his
2 liability thereunder, or file with the township with which the
3 contract is made a certificate of exemption from insurance from
4 the Bureau of Workmen's Compensation of the Department of Labor
5 and Industry.

6 Every officer of a township who shall sign, on behalf of the
7 said township, any contract, requiring in its performance the
8 employment of labor, shall require, before the said contract
9 shall be signed, proof that the said contractor with whom the
10 contract is made shall have accepted the Workmen's Compensation
11 Act of one thousand nine hundred and fifteen, and any
12 supplements or amendments thereto, and proof that the said
13 contractor has insured his liability thereunder in accordance
14 with the terms of the said act, or that the said contractor has
15 had issued to him a certificate of exemption from insurance from
16 the Bureau of Workmen's Compensation of the Department of Labor
17 and Industry.

18 Any contract executed in violation of the provisions of this
19 section shall be null and void.

20 Section 806. Engineers and Architects Not to Be Interested
21 in Contracts.--It shall be unlawful for any architect or
22 engineer, in the employ of a township, and engaged in the
23 preparation of plans, specifications, or estimates, to bid on
24 any public work at any letting of such work in such township.

25 It shall also be unlawful for the officers of a township,
26 charged with the duty of letting any public work, to award a
27 contract to any such architect or engineer in the employ of the
28 township.

29 It shall also be unlawful for any architect or engineer in
30 the employ of a township to be in any wise interested in any

1 contract for public work in such township, or receive any
2 remuneration or gratuity from any person interested in such
3 contract except under the terms and conditions as provided in
4 section 802(h).

5 Any person who violates any of the provisions of this
6 section, shall be guilty of a misdemeanor, and, on conviction
7 thereof, shall be sentenced to pay a fine not exceeding five
8 hundred dollars, or undergo imprisonment of not more than six
9 months, or both, in the discretion of the court, and shall
10 forfeit his office.

11 Section 807. Minimum Wages under Contracts.--(a) The
12 specifications upon which contracts are entered into by any
13 township for the construction, alteration, or repair of any
14 public work or improvement may, at the option of any such
15 township, contain the minimum wage or wages, which may be paid
16 by the contractor or his subcontractors for the work performed
17 by laborers and mechanics employed on such public work or
18 improvement, and such laborers and mechanics shall, in such
19 cases, be paid not less than such minimum wage or wages.

20 (b) Every contract for the construction, alteration, or
21 repair of any public work or improvement founded on
22 specifications, containing any such stipulation for minimum wage
23 or wages, shall stipulate a penalty of an amount equal to twice
24 the difference between the minimum wage contained in said
25 specifications and the wage actually paid to each laborer or
26 mechanic for each day, during which he has been employed at a
27 wage less than that prescribed in said specifications.

28 (c) Every officer, or person designated as an inspector of,
29 or having supervision over, the work to be performed under any
30 such contract, in order to aid in enforcing the fulfillment

1 thereof, shall, upon observation or investigation, report to the
2 supervisors of the township all violations of minimum wage
3 stipulations, together with the name of each laborer or mechanic
4 who has been paid a wage less than that prescribed by the
5 specifications, and the day or days of such violation.

6 (d) All such penalties shall be withheld and deducted for
7 the use of the township from any moneys due the contractor by
8 the officer or person, whose duty it shall be to authorize the
9 payment of moneys due such contractor, whether the violation of
10 the minimum wage stipulation of the specifications was by the
11 contractor or by any of his subcontractors: Provided, That if
12 any such contractor or subcontractor subsequently pays to all
13 laborers and mechanics the balance of the amounts stipulated in
14 such contract, the township shall pay to the contractor the
15 amounts so withheld as penalties.

16 Section 808. Discrimination between Employees.--Every
17 contract for or on behalf of any township for the construction,
18 alteration or repair of any public building or public work shall
19 contain provisions by which the contractor agrees.

20 (a) That in the hiring of employes for the performance of
21 work under this contract, or any subcontract hereunder, no
22 contractor, subcontractor, nor any person acting on behalf of
23 such contractor or subcontractor, shall by reason of race, creed
24 or color, discriminate against any citizen of the Commonwealth
25 of Pennsylvania, who is qualified and available to perform the
26 work to which the employment relates.

27 (b) That no contractor, subcontractor, nor any person on his
28 behalf shall in any manner discriminate against or intimidate
29 any employe hired for the performance of work under his contract
30 on account of race, creed or color.

1 (c) That there may be deducted from the amount payable to
2 the contractor, under this contract, a penalty of five dollars
3 for each person, for each calendar day, during which such person
4 was discriminated against, or intimidated in violation of the
5 provisions of the contract, and

6 (d) That the contract may be cancelled or terminated by the
7 township, and all money due, or to become due hereunder, may be
8 forfeited for a second or any subsequent violation of the terms
9 or conditions of this portion of the contract.

10 ARTICLE IX

11 TAXATION AND FINANCE

12 Section 901. Fiscal Year.--The fiscal year in townships of
13 the second class shall commence on the first day of January in
14 each year. All receipts, disbursements, contracts, and purchases
15 shall be chargeable to and entered as of record in the fiscal
16 year in which made.

17 Section 902. Annual Budget.--A. (1) The board of township
18 supervisors shall annually, at least thirty days prior to the
19 adoption of the annual budget begin preparation of a proposed
20 budget for all funds or annual estimate of revenues and
21 expenditures for the ensuing fiscal year, beginning on the first
22 day of January, which shall be filed with the treasurer. Said
23 budget shall reflect as nearly as possible the estimated
24 revenues and expenditures of the township for the year for which
25 the budget is prepared. It shall be unlawful to prepare and
26 advertise notice of a proposed budget when the same is knowingly
27 inaccurate. Where, upon any revision of the budget, it appears
28 that the estimated expenditures in the adopted budget will be
29 increased more than ten percent in the aggregate or more than
30 twenty-five percent in any individual item over the proposed

1 budget, it shall be presumed that the tentative budget was
2 inaccurate; and such budget may not be legally adopted with any
3 such increases therein unless the same is again advertised once,
4 as in the case of the proposed budget, and an opportunity
5 afforded to taxpayers to examine the same and protest such
6 increases. In all townships, the budget shall be prepared on a
7 uniform form, prepared and furnished as hereafter provided. The
8 estimates in the budget, shall specify:

9 (a) The amount of money necessary for the construction,
10 maintenance, repair, and improvement of roads;

11 (b) The amount of money necessary for the construction,
12 maintenance, and repair of culverts and bridges;

13 (c) The amount of money necessary for the purchase, hire,
14 repair, and custody of equipment, machinery, teams and
15 implements;

16 (d) The amount of money necessary for each other
17 governmental activity of the township, for which a special tax
18 levy may or may not be authorized;

19 (e) The amount of money necessary for the payment of debts,
20 and other miscellaneous purposes.

21 (2) Upon the preparation of the proposed budget, the
22 supervisors shall give public notice by advertisement once in at
23 least one newspaper of general circulation in the township or
24 county that the proposed budget will be available for public
25 inspection at a designated place in the township. After the
26 budget has been available for public inspection for twenty days
27 the supervisors shall, after making such revisions therein as
28 appear advisable, adopt the budget not later than the thirty-
29 first day of December and the necessary appropriation measures
30 required to put it into effect.

1 (3) The total appropriation shall not exceed the revenues
2 estimated as available for the fiscal year. In all townships the
3 board of supervisors shall, within fifteen days after the
4 adoption of the budget, file a copy of the same in the office of
5 the Department of Community Affairs.

6 (4) The supervisors may at any time by resolution make
7 supplemental appropriations for any lawful purpose from any
8 funds on hand or estimated to be received within the fiscal year
9 and not otherwise appropriated, including the proceeds of any
10 borrowing authorized by law. Such supplemental appropriations
11 may be made whether or not an appropriation for the same purpose
12 was included in the original budget as adopted, except that no
13 supplemental appropriation shall be made for any purpose in
14 respect to which the court on an appeal pursuant to section nine
15 hundred eight of this act has ordered a specific reduction or
16 elimination of an item of the original budget for the same
17 purpose.

18 (5) The supervisors may by resolution, transfer unencumbered
19 moneys from one township account to another, but no moneys shall
20 be transferred from the fund allocated for the payment of debts
21 or from any fund raised by a special tax levy for a particular
22 purpose. Such transfers shall not be made during the first three
23 months of the fiscal year. No money shall be paid out of the
24 township treasury except upon appropriation made according to
25 law.

26 B. The uniform forms for the annual budget, the annual
27 township report, and the annual financial statement required to
28 be made by the auditors, shall be prepared by a committee
29 consisting of four representatives of the State Association of
30 Township Supervisors and one representative of each from the

1 Department of Transportation, and the Department of Community
2 Affairs.

3 Such representatives of the State Association of Township
4 Supervisors shall be appointed by the president of the
5 organization. Such representatives may be either township
6 supervisors, auditors or township secretaries, and, as far as
7 possible, shall be chosen to represent townships in the various
8 population groups among the range of townships of the second
9 class. The president of the organization shall supply to the
10 Secretary of Community Affairs the names and addresses of such
11 representatives, immediately upon their appointment.

12 Such representatives of the townships shall serve without
13 compensation, but shall be reimbursed by the Commonwealth for
14 all necessary expenses incurred in attending meetings of the
15 committee from appropriations made to the Department of
16 Community Affairs. The committee shall meet at the call of the
17 Secretary of Community Affairs, or his agent, who shall serve as
18 chairman of the committee.

19 In preparing such uniform forms, the committee shall give
20 careful consideration to the fiscal needs and procedure of
21 townships of the various population groups producing separate
22 forms, if necessary, to meet the needs of townships of varying
23 sizes. The form for annual reports shall contain the
24 information, herein specifically required to be furnished, and
25 such other information as the committee shall deem proper, and
26 shall be arranged to correlate with the forms for the budget,
27 respecting order of items, and division of revenues by major
28 classifications, and disbursements by major functions. The
29 committee shall also prescribe the form of the statement
30 summarizing the annual report, which is hereinbefore required to

1 be published.

2 It shall be the duty of the Secretary of Community Affairs to
3 see to it that the forms required by this act are prepared in
4 cooperation with such committee. In the event that such
5 committee should, for any reason, fail to furnish such
6 cooperation, Department of Community Affairs shall prepare the
7 forms. After they are prepared, the Secretary of Community
8 Affairs shall issue such forms and distribute them annually, as
9 needed, to the proper township officers.

10 Section 902.1. Investment of Township Funds.--(a) The
11 supervisors shall have the power to:

21 made by the officers designated by action of the supervisors.

22 (b) The supervisors shall invest township funds consistent
23 with sound business practice.

24 (c) The supervisors shall provide for an investment program
25 subject to restrictions contained in this act and in any other
26 applicable statute and any rules and regulations adopted by the
27 supervisors.

29 be:

3 such certificates of deposit shall be collateralized by a pledge
4 or assignment of assets of the institution, and such collateral
5 may include loans (including interest in pools of loans) secured
6 by first mortgage liens on real property. Certificates of
7 deposit purchased from commercial banks shall be limited to an
8 amount equal to twenty percent of a bank's total capital and
9 surplus. Certificates of deposit purchased from savings and loan
10 associations or savings banks shall be limited to an amount
11 equal to twenty percent of an institution's assets minus
12 liabilities.

13 (7) Any investment authorized by 20 Pa.C.S. Ch. 73 (relating
14 to fiduciaries investments) shall be an authorized investment
15 for any pension or retirement fund.

16 (e) In making investments of township funds, the supervisors

21 deposits of public funds.

22 (2) To combine moneys from more than one fund under township
23 control for the purchase of a single investment, provided that
24 each of the funds combined for the purpose shall be accounted
25 for separately in all respects and that the earnings from the
26 investment are separately and individually computed and
27 recorded, and credited to the accounts from which the investment
28 was purchased.

29 (3) To join with one or more other political subdivisions
30 and municipal authorities in accordance with the act of July 12,

1 1972 (P.L.762, No.180), entitled "An act relating to
2 intergovernmental cooperation," in the purchase of a single
3 investment, provided that the requirements of clause (2) on
4 separate accounting of individual funds and separate
5 computation, recording and crediting of the earnings therefrom
6 are adhered to.

7 Section 902.2. Amending Budget; Notice.--During the month of
8 January next following any municipal election, the supervisors
9 of any township may amend the budget and the levy and tax rate
10 to conform with its amended budget. A period of ten days' public
11 inspection at the office of the township secretary of the
12 proposed amended budget, after notice by the township secretary
13 to that effect is published once in a newspaper as provided by
14 section 110 of this act, shall intervene between the proposed
15 amended budget and the adoption thereof. Any amended budget must
16 be adopted by the township supervisors on or before the
17 fifteenth day of February.

18 No such proposed amended budget shall be revised upward in
19 excess of ten percent in the aggregate thereof or as to an
20 individual item in excess of twenty-five percent of the amount
21 of such individual item in the proposed amended budget.

22 Within fifteen days after the adoption of an amended budget,
23 the township secretary shall file a copy thereof in the office
24 of the Department of Community Affairs.

25 Section 903. Temporary Indebtedness.--Whenever the township
26 road funds have been exhausted, the board of supervisors may
27 borrow, on the credit of the township, money in anticipation of
28 taxes to be collected for the current fiscal year and issue a
29 certificate of indebtedness payable on a certain date within the
30 current fiscal year, to the end that work may be performed in

1 proper season and in accordance with rules and regulations
2 prescribed.

3 Section 904. Sale of Bonds.--Bonds and other obligations,

12 purposes, for the purposes and at the rates hereinafter
13 specified. All taxes shall be collected in cash.

14 1. An annual township tax, for road, bridge, and general
15 township purposes, not later than the fourth Monday of March of
16 each year, not exceeding fourteen mills. Where the board of
17 supervisors, by a majority action, shall, upon due cause shown,
18 petition the court of quarter sessions for the right to levy
19 additional millage, the court, after such public notice as it
20 may direct and after hearing, may order a greater rate than
21 fourteen mills but not exceeding five additional mills, to be
22 levied. Such annual township tax shall include all levies for

1 township, which is now lighting its streets and imposing taxes
2 under this subsection for such purposes.

3 3. An annual tax so long as necessary not exceeding fifty
4 per centum of the rate of assessment for the township tax, for
5 the purpose of procuring a lot and erecting a building thereon
6 for a townhouse, and for the payment of indebtedness incurred in
7 connection therewith.

8 4. An annual tax, not exceeding three mills, pursuant to
9 provision therefor in the township budget, for the purpose of

4 indebtedness of the township.

5 8. An annual tax, not exceeding one-half mill, for the
6 purpose of supporting ambulance and rescue squads serving the
7 township, except as provided in subsection D.

8 B. Whenever the assent of the electors is required as
9 hereinbefore provided the same shall be expressed at an election
10 to be held at the place and time of any general, special or
11 primary election, and under the same regulations as provided by
12 law for the holding of municipal elections. At such election,
13 the election officers shall receive ballots from the electors,
14 which shall be prepared in the manner prescribed by the
15 Pennsylvania Election Code.

16 C. This article does not include the levy of any taxes upon
17 particular districts or parts of any township for particular
18 purposes.

19 D. The tax for supporting ambulance and rescue squads
20 serving the township shall not exceed the rate specified in
21 clause 8 of subsection A, except when the question is submitted
22 to the voters of the township in the form of a referendum which
23 will appear on the ballot in accordance with the election laws
24 of the Commonwealth in which case the rate shall not exceed two
25 mills. The county board of elections shall frame the question to
26 be submitted to the voters of the township in accordance with
27 the election laws of the Commonwealth.

28 Section 905.1. Additions and Revisions to Duplicates.--
29 Whenever in any township, there is any construction of a
30 building or buildings not otherwise exempt as a dwelling after

2 the tax duplicate of the township, the authority responsible for
3 assessments in the township shall, upon the request of the
4 township supervisors, direct the assessor in the township to
5 inspect and reassess, subject to the right of appeal and
6 adjustment provided by the act of Assembly under which
7 assessments are made, all taxable property in the township to
8 which major improvements have been made after January first of
9 any year and to give notice of such reassessments within ten
10 days to the authority responsible for assessments, the township
11 and the property owner. The property shall then be added to the
12 duplicate and shall be taxable for township purposes at the
13 reassessed valuation for that proportionate part of the fiscal
14 year of the township remaining after the property was improved.
15 Any improvement made during the month shall be computed as
16 having been made on the first of the month. A certified copy of
17 the additions or revisions to the duplicate shall be furnished
18 by the township supervisors to the township tax collector,
19 together with their warrant for collection of the same, and
20 within ten days thereafter, the township tax collector shall
21 notify the owner of the property of the taxes due the township.

22 Whenever an assessment is made for a portion of a year as
23 above provided, the same shall be added to the duplicate of the
24 following or succeeding year unless the value of the
25 improvements has already been included in said duplicate.

26 Section 906. Tax Rate to be Expressed in Dollars and
27 Cents.--Whenever the supervisors of any township shall, by
28 resolution, fix the rate of taxation for any year at a mill
29 rate, such resolution shall also include a statement expressing
30 the rate of taxation in dollars and cents on each one hundred

1 dollars of assessed valuation of taxable property.

2 Section 907. Special Levies Ordered by Court to Pay Debts.--

3 In addition to the levies hereinbefore provided for, when it is
4 shown to the court that the debts due by any township exceed the
5 amount which the supervisors may collect in any year by
6 taxation, the court, after ascertaining the amount of
7 indebtedness of any such township, may, by a writ of mandamus,
8 direct the township supervisors, by special taxation, to collect
9 an amount sufficient to pay the same. If the amount of such
10 indebtedness is so large as to render it inadvisable to collect
11 the same in any one year taking into consideration other
12 necessary taxation, the court may direct the same to be levied
13 and collected by annual installments, and may order such special
14 taxes to be levied and collected during such successive years as
15 may be required for payment of the same.

16 Section 908. Appeals to Court to Reduce Budget and Tax
17 Rate.--(a) Taxpayers whose property valuation as assessed for
18 taxable purposes within the township shall amount to twenty-five
19 per centum or over of the total valuation as assessed for
20 taxable purposes within the township, may, within fifteen days
21 after the board of township supervisors have adopted the budget
22 and determined the amount of the tax levy for the township,
23 petition the court of common pleas of the county in which such
24 township is located to examine into the necessity therefor and
25 the reasonableness of the various items in the budget of the
26 township and to reduce the proposed tax levy. Each such petition
27 shall contain a specification of objections and shall be
28 accompanied by the affidavit of one of the petitioners that the
29 proceedings have not been instituted for the purpose of delay,
30 and that the facts set forth in the petition are true and

1 correct to the best of his knowledge and belief. The petitioners
2 shall also file bond in the total amount of five hundred dollars
3 with good and sufficient surety to be approved by the court,
4 conditioned upon the payment of the costs if the court shall
5 assess the costs upon the petitioners.

6 Immediately upon the filing of such petition, the petitioners
7 shall serve a copy of the petition upon the president or
8 secretary of the board of township supervisors.

9 (b) Upon the filing of such petition, the court shall fix a
10 day for a hearing not less than fifteen nor more than thirty
11 days after such petition has been filed. Notice of such hearing
12 shall be given to all interested parties in such manner as the
13 court shall direct. On such hearing, it shall be the duty of the
14 court to examine into the necessity for and the reasonableness
15 of the various items of the budget and the amount of the
16 proposed levy. The court shall thereupon make an order approving
17 the budget and levy or reducing or eliminating any one or more
18 of the items of the budget and reducing the levy.

19 If no appeal shall be taken from such order as herein
20 provided, the budget and levy shall remain as constituted by the
21 court.

22 (d) Neither the filing of any such petition, shall act as a
23 supersedeas.

24 (e) The budget and tax levy as approved or revised by the
25 final order of the court shall be the budget and tax levy for
26 such township. Any contract, agreement, or undertaking which
27 relates to an item of the budget which has been attacked in the
28 petition, and which shall be entered into during the pendency of
29 such proceedings, shall be cancelled or made to conform to such
30 budget.

1 If such final order reduces the proposed levy, the
2 supervisors shall revise the tax duplicates in conformity with
3 such order and any levy, made during the pendency of the
4 proceedings, shall be subject to revision in accordance with
5 such order.

6 Section 909. Duplicates; Abatements and Penalties.--The
7 township supervisors shall make or cause a duplicate to be made
8 designating the amount of township tax levied against each
9 taxpayer of the township, and also duplicates for all other
10 taxes levied and assessed under the provisions of this act, and
11 shall deliver the same, within thirty days after the adoption of
12 the budget or within thirty days after receipt of the assessment
13 roll from the county, whichever is later, to the township
14 collector.

15 Section 910. Revolving Fund; Special Tax; Bond Issue.--
16 Townships are hereby empowered to levy and collect annually, a
17 tax upon all property taxable for township purposes, not to
18 exceed five mills on the dollar in any one year, for the purpose
19 of creating and maintaining a revolving fund to be used by such
20 township in making permanent street, sidewalk, water supply, or
21 sewer improvements prior to the collection of the cost and
22 expense, or any part thereof, from the property owners adjoining
23 or abutting thereon by such township under existing laws. Any
24 such revolving fund may also be begun by funds raised through
25 the issuance of general obligation bonds of the township, in the
26 manner provided by law, for the making of permanent street,
27 sidewalk, water supply or sewer improvements.

28 Section 911. Repayments Into Revolving Fund.--When the cost
29 and expense, or any part thereof, of the construction of any
30 permanent street, sidewalk, water supply or sewer improvement,

1 which has been made under existing laws, and which has been
2 aided in its construction from the said revolving fund, hereby
3 provided for, shall have been assessed and collected from the
4 owners of the property adjoining or abutting upon such
5 improvement, it shall be applied to the credit of said revolving
6 fund to the extent of the withdrawal therefrom for such purpose.

7 Section 912. Road Machinery Fund; Special Tax.--Townships
8 are hereby empowered to create a special fund to be known as the
9 road machinery fund and to accumulate therein moneys to be used
10 exclusively for purchasing road machinery. Such special fund may
11 consist of, (1) moneys transferred during any fiscal year from
12 appropriations made from the general township fund; (2) moneys
13 transferred from surplus moneys in the general township fund at
14 the end of any fiscal year; and (3) moneys appropriated to the
15 fund in the annual budget from the receipts of a special tax,
16 not exceeding two mills, which the supervisors may levy and
17 collect for that purpose, annually, upon all property taxable
18 for township purposes.

28 Section 1002. Restrictions as to Certain Property.--In
29 addition to the restrictions made by other provisions of this
30 act in particular cases, no township shall exercise right of

4 the Supreme Executive Council of the Commonwealth of
5 Pennsylvania, or the Congress of the United States; or as
6 against the land occupied by any fort, redoubt, or blockhouse,
7 erected during the Colonial or Revolutionary period, or any
8 building used as headquarters by the Commander-in-Chief of the
9 Continental Army; or as against the site of any building, fort,

21 property so appropriated.

22 Section 1016. Title Acquired.--In all cases where land or

3 the latter case, the viewers, having first determined the
4 damages apart from the benefits, shall assess the total cost of
5 the improvement, or so much thereof as may be just and
6 reasonable, upon the properties peculiarly benefited, including
7 in the assessment all parties for which damages have been
8 allowed, and shall report the same to the court. The total
9 assessment for benefits shall not exceed the total damages
10 awarded or agreed upon.

11 Section 1025. Assessment Awards.--In proceedings to assess
12 damages and benefits, if the land or property is both benefited
13 and damaged by such improvements, the excess of damages over

18 for benefits, costs, and expenses shall bear interest at six per
19 centum per annum from the expiration of thirty days after they
20 shall have been finally ascertained, and shall be payable to the
21 treasurer of the township.]

7 copy of the ordinance, together with a draft or survey of the
8 road showing the location and width thereof, in the office of
9 the clerk of the court of common pleas.

17 viewers from the county board of viewers for the purpose of
18 reviewing the ordinance and exceptions thereto.

19 (d) After the expiration of the term allowed for filing
20 exceptions or upon the order of the court upon disposition of
21 any exceptions, the court of common pleas, on application by
22 petition by the board of supervisors or any person interested,
23 shall appoint three viewers from the county board of viewers to
24 assess the damages and benefits occasioned by the proceeding
25 unless the damages and benefits are otherwise agreed upon.

26 [Section 1103. Width of Public Roads.--The width of a public
27 road in townships of the second class shall not be less than
28 thirty-three feet or more than one hundred and twenty feet:

1 type commonly known as an alley, and is not an integral part of
2 a through route, the minimum width may be fifteen feet: And,
3 provided, That the limits of width shall not be construed to

15 Law.--All roads may be laid out, widened, changed or vacated by
16 the courts of quarter sessions, as heretofore in the manner
17 provided by the general road law and the amendments, additions,

22 amendments, additions and supplements thereto.

23 (b) Certain Roads Declared to Be Public Roads

24 Section 1105. Certain Roads Declared Public Roads.--Every
25 road not of record which has been used for public travel and
26 maintained and kept in repair by the expenditure of township
27 funds for a period of at least twenty-one years and upwards
28 shall be deemed to be a public road of the width of thirty-three
29 feet notwithstanding the fact that there is no public record of
30 the laying out of such road or a dedication thereof for public

1 use. In all such cases the lawful laying out and opening or
2 dedication of such roads of the width hereinbefore specified
3 shall be conclusively presumed.]

4 Section 2307. Certain Roads Declared Public Roads.--Every
5 road which has been used for public travel and maintained and
6 kept in repair by the township for a period of at least twenty-
7 one years is a public road having a right-of-way of thirty-three

10 [(c) Opening and Repairing Roads, Detours, Et Cetera

11 Section 1110. Opening, Repairing and Closing Roads.--Public
12 roads in townships shall, as soon as may be practicable, be
13 effectually opened and constantly kept in repair. All public
14 roads shall at all seasons be kept reasonably clear of all
15 impediments to easy and convenient traveling at the expense of
16 the township.

17 The supervisors of any township may temporarily close any
18 township road when, in their opinion, excessive or unusual
19 conditions have rendered such road unfit or unsafe for travel
20 and immediate repair, because of the time of year or other
21 conditions, is impracticable. The road or portion of road so
22 closed shall be properly marked at its extremities and a means
23 of passage for the customary users of such road shall, whenever
24 possible, be provided.

25 Anyone using such road or portion thereof after the same has
26 been properly closed and marked, without a permit from the
27 supervisors, shall upon conviction thereof in a summary
28 proceeding, pay a fine of not more than one hundred dollars, and
29 in default of the payment of such fine and costs, shall be

4 EFFECTUALLY OPENED. All public roads shall at all seasons be
5 kept IN REPAIR AND reasonably clear of all impediments to easy <—
6 and convenient traveling at the expense of the township.

7 (b) The board of supervisors may temporarily close any
8 township road when it determines that conditions have rendered
9 that road unfit or unsafe for travel and immediate repair or
10 maintenance, because of the time of year or other conditions, is
11 impracticable. The road or portion of road closed shall be
12 properly marked at its extremities, and a means of passage for
13 the customary users of the road shall, when possible, be
14 provided.

15 (c) Anyone using the road or portion thereof after the road
16 has been properly closed and marked, without a permit from the
17 board of supervisors, commits a summary offense. All fines
18 recovered are payable to the general township fund. Persons who
19 have no outlet due to the closing of a road may drive on, over

26 begun for the opening and laying out of any public road in any
27 township, such public road shall be physically opened upon the
28 ground for use by the public within a period of five years next
29 after the completion of such proceeding, and if not so opened,
30 or if no proceedings have been commenced to compel such opening

1 in five years, then such proceedings shall be deemed to be void
2 and of no effect, and the land proposed to be taken shall revert
3 to the owners of the land, as in the case of the vacation of a

9 shall be physically opened for use by the public within a period
10 of five years after completion of the proceeding. If the road is
11 not opened or if no proceedings have been commenced to compel
12 the opening in five years, then the proceedings are void and the
13 land proposed to be taken shall revert to the owners of the land
14 free of any easement or right of the public to use the land.

15 [Section 1112. Detours.--Except in the case of emergencies
16 wherein the safety of the public would be endangered, no public
17 road of any township shall be closed to vehicular traffic,
18 except upon order of the supervisors having charge of the
19 maintenance of such public road, nor for a longer period than is
20 necessary for the purpose for which such order is issued:

21 Provided, however, That no public road shall be closed to
22 vehicular traffic when the same has been designated as a detour
23 by the State Department of Highways, unless the written consent
24 of the State Department of Highways has first been obtained, or
25 unless the supervisors having jurisdiction over said road shall,
26 by resolution duly recorded on their minutes, declare such
27 closing necessary for the protection of the public safety.

28 When any public road shall be closed, as hereinbefore
29 provided, it shall be the duty of the supervisors authorizing
30 the closing immediately to designate or lay out a detour, on

1 which they shall erect or cause to be erected and maintained
2 while such detour is in use legible direction signs at each
3 public road intersection throughout its entire length. During
4 the period when such detour is in use, it shall be the duty of

4 A petition setting forth the facts regarding such relocation

30 directions at such crossings or curves, and to so prevent the

1 use of such lands for any purpose or in any manner which may
2 interfere with or obstruct the vision of persons traveling upon
3 any such highways.

4 Upon any such condemnation, the township, having had such
5 view condemned may, from time to time, abate or remove, or cause

In exercising such right, they shall do no unnecessary damage to the land, and shall repair any breaches of fences which they make.

Section 1151. Viewers to Fix Damages.--Whenever the supervisors and the owners of the land cannot agree upon the damages, the same shall be assessed by viewers to be appointed and to make report as provided in this act in the case of eminent domain proceedings.

Section 1152. Power to Open Drains and Ditches.--The township supervisors may enter upon any lands or enclosures, and cut, open, maintain, and repair such drains or ditches through the same as, in their judgment, are necessary to carry the water from the roads.

Any person who shall stop, fill up, or injure any such drain or ditch, or shall divert or change the course thereof, without the authority of the supervisors, shall, upon conviction thereof in a summary proceeding, pay a fine of not more than twenty-five dollars for each such offense, together with the cost of restoring such drain or ditch, and, in default of the payment of such fine and costs, shall be sentenced to imprisonment of not more than ten days. All fines and moneys so recovered shall be paid to the township treasurer.]

1 Section 2320. Power to Open Drains and Ditches.--(a) The
2 board of supervisors or its agents may enter any lands or
3 enclosures and cut, open, maintain and repair drains or ditches
4 through the property when necessary to carry the water from the
5 roads.

6 (b) Any person who damages or diverts any drain or ditch
7 without the authority of the board of supervisors commits a
8 summary offense and is liable for the cost of restoring the
9 drain or ditch. All fines and moneys so recovered shall be paid
10 to the township treasurer.

11 [(k) Roads Crossing Railroads; Special Uses of Roads

12 Section 1155. Railroad Crossings.--Every township
13 constructing a road across a railroad shall construct the same
14 above or below the grade thereof, unless permitted by the Public
15 Utility Commission to construct the same at grade.

16 Any such crossing of a railroad by a road, or any vacation of
17 any road crossing a railroad, shall be constructed only in the
18 manner prescribed by and under the jurisdiction of the Public
19 Utility Commission. In such cases compensation for damages to
20 the owners of adjacent property taken, injured or destroyed,
21 shall be ascertained, fixed and paid in the manner prescribed in
22 the Public Utility Law.]

23 Section 2321. Railroad Crossings.--(a) Every township
24 constructing a road across a railroad shall construct the road
25 above or below the grade thereof unless permitted by the
26 Pennsylvania Public Utility Commission to construct the road at
27 grade.

28 (b) Any crossing of a railroad by a road or any vacation of
29 any road crossing a railroad shall be made only under the
30 jurisdiction of the Pennsylvania Public Utility Commission.

1 Compensation for damages to the owners of adjacent property
2 taken, injured or destroyed shall be determined under 66 Pa.C.S.
3 (relating to public utilities).

4 [Section 1156. Permits.--No railroad or street railway shall
5 hereafter be constructed upon any township road, nor shall any
6 railroad or street railway crossings, nor any gas pipe, water
7 pipe, electric conduits, or other piping, be laid upon or in,
8 nor shall any telephone, telegraph, or electric light or power
9 poles, or any coal tipples or any other obstructions be erected
10 upon or in, any portion of a township road except under such
11 conditions, restrictions and regulations relating to the
12 installation and maintenance thereof, as may be prescribed in
13 permits granted by the township for such purpose. Each
14 application shall be submitted to the township, in duplicate, or
15 such larger number as the township may require. The township
16 shall prescribe a fee as determined by the Department of
17 Transportation payable to the township not exceeding the
18 approximate reasonable cost of processing the application, and
19 another fee payable to the township not exceeding the
20 approximate reasonable cost of making the first inspection
21 hereafter described. Each application shall be accompanied by
22 both fees. When the township shall grant the permit applied for,
23 the township supervisors shall inspect the work authorized by
24 the permit upon the completion thereof, and when necessary,
25 enforce compliance with the conditions, restrictions and
26 regulations prescribed by the township. In addition to such
27 inspection, the township supervisors may reinspect the work not
28 more than two years after its completion, and if any settlement
29 of the road surface or other defect shall appear in the work
30 contrary to the conditions, restrictions and regulations of the

1 township, it may enforce compliance therewith. If the applicant
2 shall fail to rectify any such settlement or other defect,
3 within sixty days after written notice from the township
4 supervisors to do so, the township supervisors may do the work
5 and impose upon the applicant the cost thereof, together with an
6 additional twenty percentum (20%) of such cost, which may be
7 recovered by an action in assumpsit in the court of common pleas
8 of the county. All fees received by the township shall be paid
9 into the township treasury. Nothing in this section shall be
10 construed to require a permit in advance for emergency repairs
11 necessary for the safety of the public or the restoration or
12 continuance of public utility or other public service, but
13 application for such permit and the fees shall be submitted as
14 herein prescribed within five days after completion of the work,
15 and thereafter the remaining provisions of this section shall
16 apply. Further, nothing in this section shall be construed to
17 authorize or empower a township to regulate or control the
18 operations of any permittee, except as provided for in this
19 section.]

20 Section 2322. Permits.--No railroad or street railway shall
21 be constructed upon any township road, nor shall any railroad or
22 street railway crossings, driveway connections, gas pipe, water
23 pipe, electric conduits or other piping be laid upon or in, nor
24 shall any telephone, telegraph or electric light or power poles
25 or any coal tipples or any other obstructions be erected upon or
26 in, any portion of a township road except under conditions,
27 restrictions and regulations specified in permits granted by the
28 township for that purpose. Each application shall be submitted
29 to the township in duplicate. The township shall collect a fee
30 as determined by the Department of Transportation for processing

1 the application and another fee for making the inspection. Each
2 application shall be accompanied by both fees. When the township
3 grants the permit, the board of supervisors or its agents shall
4 inspect the work authorized by the permit upon the completion
5 thereof and, when necessary, enforce compliance with the
6 conditions, restrictions and regulations specified by the
7 township. In addition to that inspection, the board of
8 supervisors or its agents may reinspect the work not more than
9 two years after its completion, and if any settlement of the
10 road surface or other defect appears in the work contrary to the
11 conditions, restrictions and regulations of the township, it may
12 enforce compliance therewith. If the applicant fails to rectify
13 the defect within sixty days after written notice from the board
14 of supervisors to do so, the board of supervisors or its agents
15 may do the work and impose upon the applicant the cost thereof,
16 together with an additional twenty percent of the cost, which
17 may be recovered by an action in assumpsit in the court of
18 common pleas of the county. All fees received by the township
19 shall be paid into the township treasury. Nothing in this
20 section shall be construed to require a permit in advance for
21 emergency repairs necessary for the safety of the public or the
22 restoration or continuance of public utility service or other
23 public service, but application for the permit and the fees
24 shall be submitted within five days after completion of the
25 work, after which time the remaining provisions of this section
26 apply. Nothing in this section authorizes a township to regulate
27 or control the operations of any permittee except under this
28 section.

29 [(1) Guideposts and Index Boards

30 Section 1160. Duty of Supervisors to Erect.--The supervisors

1 of the township shall erect posts at the intersection of all
2 public roads and at one of the angles where any public road
3 crosses another public road, and shall firmly fix thereon boards
4 or metal signs, with index hands pointing to the direction of
5 such roads, but if a building, tree, trolley pole, telephone
6 pole, or telegraph pole is so erected that it can be used in
7 place of a post, and permission has been secured from the owner
8 thereof, such building, tree or pole may be used in place of a
9 post. On such boards and signs shall be inscribed, in large and
10 legible characters, the name of the town, village, or place to
11 which such roads lead, and the distance thereto computed in
12 miles. Where any such public road intersects or crosses a State
13 highway, application for a permit shall be made by the
14 supervisors to the Department of Highways for the erecting of
15 such signs.

16 Section 1161. Penalty for Destroying, Et Cetera.--It shall
17 be unlawful for any person to wilfully destroy, remove, injure,
18 or deface any guidepost or sign or index board legally erected
19 upon or near any public street, road, or bridge by the
20 supervisors, or by any club, association, or other organized
21 body for the direction, guidance, or safety of travelers. It
22 shall also be unlawful for any person to wilfully destroy,
23 remove, injure or deface any temporary traffic-control device
24 legally erected for the purpose of enhancing traffic or worker
25 safety in a construction or maintenance work zone, including,
26 but not limited to, cones, batons, barrels, barricades, signs,
27 sign trucks, arrow boards or other devices specified in a
28 traffic safety plan approved by the township or the Department
29 of Transportation. Any person violating this section shall, upon
30 conviction in a summary proceeding, be sentenced to pay a fine

1 of not less than two hundred dollars nor more than five hundred
2 dollars for the first offense, and a mandatory fine of five
3 hundred dollars for the second or any subsequent offense, with
4 costs of prosecution, together with the value of such sign so
5 destroyed, removed or defaced, and in default of such payment,
6 shall be sentenced to imprisonment of not more than ten days.
7 All fines and moneys so imposed and collected shall be paid to
8 the township treasurer.]

9 Section 2323. Penalty for Destroying Signs.--A person shall
10 not destroy, remove, injure or deface any sign or index board
11 legally erected upon or near any public street, road or bridge
12 by the board of supervisors, or by any club, association or
13 other organized body, for the direction, guidance or safety of
14 travelers. A person shall not destroy, remove, injure or deface
15 any temporary traffic-control device legally erected to enhance
16 traffic or worker safety in a construction or maintenance work
17 zone, including, but not limited to, cones, batons, barrels,
18 barricades, signs, sign trucks, arrow boards or other devices
19 specified in a traffic safety plan approved by the township or
20 the Department of Transportation. Any person who violates this
21 section commits a summary offense and shall, upon conviction, be
22 sentenced to pay a fine of not less than two hundred dollars
23 (\$200) nor more than five hundred dollars (\$500) for the first
24 offense and a mandatory fine of five hundred dollars (\$500) for
25 the second or any subsequent offense, with costs of prosecution,
26 together with the value of the destroyed, removed or defaced
27 sign. All fines and moneys imposed and collected shall be paid
28 to the township treasurer.

29 [(m) Protection of Roads from Snowdrifts

30 Section 1165. Protection of Highways from Snowdrifts.--Any

1 township which is responsible for the maintenance of any public
2 road shall have authority to enter upon private property
3 adjacent to such public road or highway and place thereon a snow
4 fence, at any point which may be deemed necessary, to within a
5 limit of one hundred feet from the right-of-way line of such
6 public road, in order to eliminate snow drifting on the traveled
7 portion of the public road.

8 No such snow fence shall be placed prior to November first,
9 nor shall the same remain in place after April first of the
10 succeeding year, unless the written consent of the owner is
11 obtained, agreeing to an extension of time for the removal of
12 said snow fence.

13 If the supervisors shall not be able to enter into an
14 agreement with the owner of adjacent property occupied by such
15 snow fence as to the amount of damages sustained as a result of
16 said fence being placed and removed, the owner may petition the
17 court of common pleas of the county for the appointment of
18 viewers to ascertain the amount of damage incurred in such case
19 in the manner provided in this act for eminent domain
20 proceedings. Such damages, if any, when ascertained, shall be
21 paid by the township from the general township fund.

22 Whenever any roads in townships are so located as to render
23 them liable, on account of high wind during the winter season,
24 to be so filled with snow as to make them impassable, and, in
25 the judgment of the supervisors, such drifts of snow can be
26 avoided by the removal of any fence erected along either side of
27 such road and replacing the same by a fence constructed of
28 posts, wire, and boards or rail combined, the supervisors may
29 agree with the owners of such fences upon a plan for the
30 erection of such a fence. The township may pay the owners of

1 such fences a sum not to exceed the first cost of the wire used
2 in the construction of such fences. The wire used in the
3 construction of such fences shall be without barbs. This section
4 shall not apply to any stone wall, hedge, or ornamental fence.]

5 Section 2324. Protection of Highways from Snowdrifts.--(a)
6 The board of supervisors may enter private property adjacent to
7 any public road or highway and place thereon a snow fence, to
8 within a limit of one hundred feet from the right-of-way line of
9 the public road, in order to eliminate snow drifting on the
10 traveled portion of the public road.

11 (b) A snow fence may not be placed before the first day of
12 November, or remain in place after the first day of April of the
13 succeeding year, unless the written consent of the owner is
14 obtained, agreeing to an extension of time for the removal of
15 the snow fence.

16 (c) If the board of supervisors and the owner of the
17 property upon which a snow fence is placed and removed under
18 this section cannot agree to the amount of compensation, if any,
19 to be paid to the owner for placing the fence, including the
20 amount of damages, if any, to be paid for injury to the property
21 resulting from placing and removing the fence, the owner may
22 petition the court of common pleas of the county for the
23 appointment of viewers to ascertain the amount of damage
24 incurred in the manner provided in this act for eminent domain
25 proceedings. Damages, if any, when ascertained, shall be paid by
26 the township from the general township fund.

27 [(n) Grades of Highways

28 Section 1170. Grades of Highways.--In the construction or
29 repair of any highway in any township, it shall be unlawful to
30 raise such highway above the ordinary grade thereof when a drain

1 or culvert shall be constructed under such highway, or when such
2 highway shall be constructed or repaired over such drain or
3 culvert. This section shall not be construed in any manner to
4 interfere with the work of the State Department of Highways, in
5 the reconstruction or improvement of any State highway or State-
6 aid highway, or when a township improves a township road, under
7 the direction, plans, and specifications of the State Department
8 of Highways.

9 (o) Trees and Shrubbery within Limits of Road

10 Section 1175. Saving Trees and Shrubbery.--Where any road of
11 any township passes through or along forested lands, wild lands,
12 or uncultivated lands, no trees growing within the limits of
13 such road at a distance beyond fifteen feet on either side of
14 the center line thereof, and which measure four inches or over
15 in diameter at a point two feet from the surface of the ground,
16 shall be cut down or destroyed by the supervisors or roadmasters
17 employed by them, or any other person, without first obtaining
18 the consent of the abutting owners.

19 Whenever any road running through improved or cultivated
20 lands has been opened, and there are growing, along the
21 roadsides and within the road limits, shrubs or trees not in the
22 opinion of the supervisors interfering with public travel, no
23 supervisors or roadmasters, or other persons in their employ,
24 shall remove, cut, injure, or destroy, or in any other manner
25 interfere with such shrubs or trees. If such removal or cutting
26 is deemed necessary for the purpose of maintaining the road, the
27 supervisors or roadmasters, or other persons in their employ,
28 may cut or remove such shrubs or trees, after notifying the
29 abutting property owners of the contemplated removal, cutting of
30 said shrubs or trees.

2 logs, cordwood, branch wood, or other forms of wood, which shall
3 be derived from the destruction or removal of any trees growing
4 along the highways, shall be surrendered to and remain the
5 property of the abutting owners.

6 Section 1178. Brush and Refuse.--The supervisors may clear
7 out brush and other refuse from along the sides of the road to
8 the legal width thereof. All such clearing and removal of brush
9 and refuse shall be confined to growth that is within the limits
10 hereinabove described, and to the removal of branches that in
11 any way interfere with public travel. No other injury, by fire,
12 cutting, abrasion, or otherwise, shall be done to the standing
13 timber.

14 Section 1179. Penalty.--Any supervisors, roadmaster, or
15 person in their employ, or any other person, who shall cut down,
16 kill, or injure any living tree, growing at a distance beyond
17 fifteen feet on either side of the center line thereof, and of a
18 size four inches in diameter or greater at a point two feet from
19 the surface of the ground, except as provided in this
20 subdivision, or who shall violate any other provision of this
21 subdivision, shall, upon conviction thereof in a summary
22 proceeding, be sentenced to pay a fine, of not more than five
23 dollars for every tree so cut, injured or destroyed, with costs
24 of suit, and in default of the payment of such fine and costs
25 shall be sentenced to imprisonment of not more than ten days.
26 Such fines shall be paid into the General Township Fund.

27 Section 1180. Removal of Obstruction.--Nothing in this
28 subdivision shall be so construed as to prevent the supervisors
29 or roadmasters, or other persons in their employ, from removing
30 such roadside trees which may be thrown down by wind or lodged

1 in such position as to be a menace to public travel, or which,
2 by reason of any other cause, may become a source of danger to
3 the public. Every such act of removal shall be made with due
4 regard to the circumstances of the case, so as to preserve the
5 true intent and purpose of this subdivision.]

6 Section 2325. Saving Trees and Shrubbery.--(a) The board of
7 supervisors or its agents shall not remove any shrub or tree
8 growing within the right-of-way of any township road or street
9 except those shrubs and trees the board of supervisors finds to
10 constitute a hazardous or dangerous condition to the use of the
11 highway or those which impair the use or maintenance of the
12 public road or street. No tree having a trunk diameter in excess
13 of six inches shall be removed without notice of the proposed
14 removal having first been given to the abutting property owner.
15 THE TOWNSHIP SUPERVISORS SHALL DETERMINE, BY RESOLUTION, THE
16 FORM OF NOTICE TO PROPERTY OWNERS.

<—

17 (b) All logs, cordwood, branch wood or other forms of wood
18 derived from the destruction or removal of any trees growing
19 along the highways shall be surrendered to, and remain the
20 property of, the abutting owners.

21 (c) The board of supervisors may clear out brush and other
22 refuse along the sides of the road to the legal width thereof.
23 All clearing and removal of brush and refuse shall be confined
24 to growth that is within the right-of-way and to the removal of
25 branches that in any way interfere with public travel. No other
26 injury, by fire, cutting, abrasion or otherwise, shall be done
27 to the standing timber.

28 (d) Any person who violates the provisions of this section
29 commits a summary offense. All fines shall be paid into the
30 general township fund.

1 (e) Nothing in this section prevents the board of
2 supervisors or roadmasters, or other persons in their employ,
3 from removing roadside trees which may be thrown down by wind or
4 lodged in a position as to be a menace to public travel or
5 which, by reason of any other cause, may become a source of
6 danger to the public.

7 [(p) Obstructions and Nuisances

8 Section 1185. Obstructions and Nuisances.--Any person who
9 shall stop or obstruct any public road in any township, or
10 commit any nuisance thereon by felling trees, making fences,
11 turning the road, or in any other way, and who shall not, on
12 notice given by the township supervisors, forthwith remove the
13 obstruction or nuisance and repair the damages done to such
14 road, upon conviction in a summary proceeding, shall, for every
15 such offense, pay a penalty of not more than twenty-five
16 dollars, and in default of the payment of such fine and costs,
17 shall be sentenced to imprisonment of not more than ten days.

21 obstructs any public road or commits any nuisance thereon by
22 felling trees, making fences, turning the road, diverting water
23 onto or in any other way and who does not, on notice given by
24 the board of supervisors, immediately remove the obstruction or
25 nuisance and repair the damages done to the road commits a
26 summary offense. Nothing in this section shall debar a
27 prosecution for any nuisance as in case of misdemeanor at common
28 law.

29 Section 2327. Traffic Lights and Signals.--The board of
30 supervisors may provide for the erection, maintenance and

1 operation of traffic lights and traffic signals under 75 Pa.C.S.
2 (relating to vehicles) whenever deemed necessary for the
3 protection of the traveling public.

25 BOUNDARY ROADS

26 (a) Opening, Repairing, and Improving Roads on
27 Division Line of Townships

28 Section 1201. Roads Between Townships of the First Class and
29 Townships of the Second Class.--Roads laid out on a line which
30 divides a township of the first class from a township of the

1 second class shall be opened, made, kept clear and in repair, at
2 the joint and equal charge of such townships. Any township
3 necessarily incurring more than its due proportion of such
4 charge may recover the excess so incurred from the other
5 township.

6 Whenever any public road is laid out on the line of two
7 townships, if the commissioners or supervisors of an adjoining
8 township neglect or refuse to join with the supervisors of the
9 township in opening or repairing such road, the supervisors of
10 the township shall open, and repair the road, and are authorized
11 to collect a just proportion of the cost of the opening and
12 repairing of such road from the township so neglecting or
13 refusing to join in such opening, or repairing. The
14 commissioners or supervisors so neglecting or refusing shall be
15 liable to a penalty of not exceeding fifty dollars, to be
16 recovered in a summary proceeding. All such penalties when
17 recovered shall be paid into the township road fund.

18 Section 1202. Roads Between Two Townships of the Second
19 Class.--Whenever any road is on the boundary line between two
20 townships of the second class, such road shall be constructed,
21 improved, repaired and maintained jointly by said townships. For
22 the purpose of constructing, improving, repairing or maintaining
23 any such road, the supervisors of such townships are hereby
24 directed to enter into an agreement providing the manner in
25 which the same shall be constructed, improved, repaired or
26 maintained, and providing for the division of the cost of
27 maintenance between said townships. Such agreement shall be
28 filed with the clerk or clerks of the court or courts of quarter
29 sessions of the county or counties in which such townships are
30 located. If any such township shall fail or refuse to enter into

1 any such agreement, or if the townships cannot agree, any
2 taxpayer or the supervisors of either township may present a
3 petition to the court of quarter sessions of the county, or if
4 said townships are in different counties to the court of quarter
5 sessions of either county, setting forth the facts, and the
6 court, after hearing of which such notice shall be given to all
7 parties interested as the court may direct, shall make an order
8 directing the manner of such construction, improvement, repair
9 or maintenance and the division of the cost thereof between such
10 townships. The action of the court shall be final.

11 (b) Maintenance of Roads Between Townships and
12 Cities or Boroughs

14 Boroughs.--Whenever any road or street is on the boundary line
15 between any township and a city or borough, such road or street
16 shall be maintained jointly by the township and the city or
17 borough. For the purpose of maintaining any such road or street,
18 the authorities of any such township are hereby directed to
19 enter into agreements with such city or borough providing the
20 manner in which the same shall be maintained, and providing for
21 the division of the cost of maintenance between the city or

23 shall fail or refuse to enter into any such contract, or if the
24 city or borough and township cannot agree, any taxpayer or the
25 corporate authorities of the township may present a petition to
26 the court of quarter sessions of the county, setting forth the
27 facts, and the court, after hearing, of which such notice shall
28 be given to all parties interested as the court may direct,
29 shall make an order directing the manner of such maintenance and
30 the division of the cost of maintenance between the city or

1 borough and the township. The action of the court shall be
2 final.

3 (c) Road, the Centre Line of Which is the Dividing Line Between
4 Townships and Boroughs or Cities in the Same County

5 Section 1210. Roads Between Townships and Municipalities in
6 the Same County.--Whenever the centre line of any road or street
7 constitutes the dividing line between a township and any city or
8 borough located in the same county, the supervisors of the
9 township may, jointly with the county, enter into a contract
10 with the city or borough providing for the grading, curbing, and
11 macadamizing or paving of such road.

12 Such alteration or improvement shall be constructed, and
13 subsequent repairs shall be made, under the supervision of the
14 proper authorities of the city or borough, in compliance with
15 the laws governing the construction of such alterations or
16 improvements in such city or borough and with plans and
17 specifications to be agreed upon in writing between the
18 supervisors of the township and the city or borough and the

21 half by the city or borough and one-half by the county and
22 township in equal portions.

24 borough and one-half by the township, or by the county and
25 township in equal portions, or such other portions as are agreed
26 upon in the joint contract of the township with the county.

27 (d) Road, the Centre Line of Which Is the Dividing Line Between
28 Townships and Cities in Adjacent Counties

29 Section 1215. Roads Between Townships and Cities in Adjacent
30 Counties.--Whenever the centre line of any road constitutes a

1 dividing line between a township and a city located in an
2 adjacent county, it shall be lawful for the township supervisors
3 to enter into a contract with the county in which it is located
4 and the city providing for the grading, curbing, macadamizing or
5 paving of the roadway of said road, the cost thereof to be borne
6 one-half by the city and one-half by the township and the county
7 in which such township shall be situated in equal portions.

8 The said alteration or improvement shall be constructed, and
9 subsequent repair shall be made, under the supervision of the
10 proper authorities of the said city, in compliance with existing
11 laws governing such construction or improvement in such city,
12 and in further compliance with plans and specifications to be
13 agreed upon in writing between such city and the commissioners
14 of the county and the township supervisors of the said township.
15 The cost of repairs shall be borne one-half by the city and one-
16 half by the township or by the county and township in equal
17 portions, or such other proportions as may be agreed upon by the
18 county and township.

19 In all cases in which it shall be found impossible to enter
20 into such contract or agreement as is provided for in this
21 section, or where either the city or the township or the county
22 in which such township is situated shall refuse to enter into
23 such contract or agreement, it shall be lawful for the township
24 to present its petition to the court of common pleas of either
25 county, setting forth the facts and circumstances, including the
26 condition of the road from which the necessity or desirability
27 for the grading, curbing, macadamizing or paving of the roadway
28 appears, and the estimated cost thereof, and that the terms of
29 the said contract as provided for in this section cannot be
30 agreed upon by the said city and the county or township, or

1 either or any of them, or that either such city or the county or
2 township, or any or either of them, refuses to enter into such
3 contract. Such petition may pray that such court may, after
4 hearing all the parties concerned, make its order or decree,
5 defining the nature and character of the improvement reasonably
6 necessary or desirable to be made to the roadway, and requiring
7 the parties hereinabove specified to enter into a contract or
8 contracts for the making and constructing of the same as herein
9 provided for. A copy of the said petition, duly certified, shall
10 be served upon the city or the county and township concerned,
11 other than the petitioner, with notice of such day as may be
12 fixed by the court for a hearing. Thereupon either or both of
13 the parties served with such notice shall be entitled, on or
14 before such date, to file in the said court its answer to the
15 said petition, setting forth its version of the facts or such
16 other matters in relation thereto as may be deemed necessary or
17 proper by it. The said court upon the date so fixed, or at such
18 other times as it may appoint, shall hear the evidence of the
19 parties, or it may refer the matter to a master, who shall hear
20 the testimony of the parties and report his findings, in the
21 same manner and under the same procedure as provided by the
22 rules in equity in similar cases, to the said court, which may
23 reject, confirm, or modify the same, and may make its decree or
24 order directing the making of such alterations or improvements
25 to the roadway as may be deemed reasonably necessary or
26 desirable and providing for the sharing of the cost of such
27 improvements, one-half by the city and one-half by the county
28 and township in equal portions. The said order or decree may
29 further provide that the repairs to such alterations and
30 improvements subsequently required shall be borne one-half by

1 the city and one-half by the county or township in equal
2 portions, or such other proportions as between the county and
3 the township as such court may find to be legal and proper; and
4 thereupon the said grading, curbing, macadamizing or paving of
5 the roadway of such road shall proceed in accordance with the
6 decree or order of the said court in the same manner as if the
7 contract or agreement in this section had been entered into and
8 duly executed.

9 (e) Improvement of Roads or Streets Where More Than One-half of
10 Width Is in Township; Assessment of Property Outside Limits

11 Section 1220. Roads More Than One-half in Townships.--

12 Whenever any road or street, more than one-half of the width of
13 which is within the limits of any township shall divide the said
14 township from any other municipality or township located within
15 the same county, such road or street, may be improved by the
16 township within which the greater width is located in the same
17 manner as if the said road or street were entirely located
18 within the limits of said township.

19 The property abutting on the side of said road or street,
20 which is located outside the limits of the township making such
21 improvements shall, for a depth of one hundred and fifty feet
22 plus one-half the width of said road or street, from its center
23 line, be assessed for any and all municipal improvements to or
24 on the said road or street, in the same manner as such property
25 would be assessed under the laws of the Commonwealth if it were
26 entirely located within the limits of such city, borough, or
27 township.

28 (f) Assessment of Property Outside Limits for Street

29 Improvement Where Street Entirely Within Township

30 Section 1225. Roads Within Township along Division Line.--

1 Whenever any road or street entirely within the limits of any
2 township, shall divide such township from any other municipality
3 or township located in the same county, the property on the side
4 of the road or street, opposite the line of such township,
5 shall, for a depth of one hundred and fifty feet, be assessed
6 for municipal improvements on such road or street on which
7 property shall abut. Such assessment shall be made in the same
8 manner and in the same proceeding as is used for the assessment
9 of property within such township for such improvement.

10 (g) Agreements for Improving Roads or Streets Forming
11 Boundaries Between Townships and Boroughs

12 Section 1230. Agreement for Improving Roads or Streets
13 Forming Boundaries Between Townships and Boroughs.--Townships
14 may enter into agreements with adjoining boroughs for the
15 grading, paving and curbing or macadamizing of roads or streets
16 which may be boundaries between such townships and boroughs, and
17 may provide in such contract that the damages, costs and
18 expenses of such improvement shall be divided between such
19 townships and boroughs in proportions agreed upon. Such
20 agreements shall be filed with the clerk or clerks of the court
21 or courts of quarter sessions in the county or counties in which
22 such townships and boroughs are located.

23 In grading, paving and curbing or macadamizing any such roads
24 or streets, townships shall exercise such power, only upon
25 petition of a majority of the property owners in interest and
26 number, abutting the line of the proposed improvement within the
27 township limits, to be verified by the affidavit of one of the
28 petitions, a majority in interest of owners of undivided
29 interest in any piece of property to be treated as one person,
30 asking that such improvement be made.

1 The portion of the damages, costs and expenses agreed to be
2 paid by any township shall be ascertained, and the benefits
3 incident thereto, shall be assessed and collected in the manner
4 provided in this act for the assessment of damages and benefits
5 by viewers.]

6 Section 2332. Boundary Roads and Bridges.--(a) When any
7 road or bridge, other than a State or county road or bridge, is
8 created or located along, on or over boundaries between
9 townships and any other municipal corporation, the creation,
10 location, construction, maintenance and repair of the road or
11 bridge shall be the joint responsibility of the township and the
12 municipal corporation with which the common boundary is shared.

13 (b) The board of supervisors may make agreements with any
14 adjacent municipal corporation to provide for the apportionment
15 of the cost of construction, repair and maintenance of boundary
16 roads or bridges.

17 (c) If an amicable agreement on the proportionate share of
18 costs of construction, repair and maintenance of boundary roads
19 or bridges cannot be executed, the board of supervisors or the
20 governing body of the other municipal corporation involved may
21 petition the court of common pleas of the county or counties for
22 a determination of the rights and responsibilities of the
23 respective municipal corporations involved.

24 [ARTICLE XIII

25 BRIDGES

26 (a) Over Streams, Gullies, Canals and Railroads

27 Section 1301. Power to Make and Maintain Bridges.--The
28 supervisors of townships, in making and repairing the roads,
29 shall make and maintain within their township sufficient bridges
30 over all streams, gullies, canals, and railroads, where such

1 bridges are necessary for the ease and safety of travelers. Such
2 bridges shall be deemed to be a part of the road.

3 Section 1302. Damages.--All damages in the construction and
4 maintenance of such bridges shall be awarded and benefits
5 assessed as part of the proceeding to lay out, open, make, or
6 repair the road of which the bridge is a part.

7 Section 1303. Where Bridge Is Over Railroad or Canal.--If a
8 bridge is built over a railroad or canal, such bridge shall not
9 obstruct the same. Nothing in this article shall release any
10 railroad or other companies from the requirements of existing
11 law.

12 (b) Over Streams, Railroads and Canals
13 on Township Boundaries

14 Section 1305. Bridges on Division Line of Townships.--Where
15 a stream, a gully, a railroad or a canal, over which a bridge is
16 necessary, is on the boundary line of two townships, or of a
17 township and a municipality, the bridge shall be built and
18 maintained in the manner directed by this act in the case of
19 public roads which are on the division line between townships,
20 or townships and municipalities.

21 (c) Maintenance, Repair, and Rebuilding of Bridges
22 Built by County

23 Section 1310. County Bridges.--Whenever a bridge or part
24 thereof has been built by the county, or the whole or part of
25 the money necessary to build it has been furnished by the
26 county, and the bridge has not been entered on record as a
27 county bridge, such bridge shall be maintained, kept in repair,
28 and rebuilt, when necessary, by the township or townships in
29 which, or on the boundary line of which, it is located, without
30 rendering the county liable for the same.]

ARTICLE [XIV] XXIV

SIDEWALKS [AND], FOOTPATHS AND CURBS

[Section 1401. Power of Supervisors to Establish Width and Location of Sidewalks; Consents in Certain Cases.--The supervisors of any township, upon the request of any landowner whose land fronts upon a public road or highway within such township, may establish the width, grade and location for a sidewalk along one or both sides of said road or highway along the lands of such owner. When said sidewalks are so established, such landowner shall pay for and keep the same in repair.

In case the highway is a State or county highway, the written consent of the Department of Highways or the county commissioners, as the case may be, shall first be obtained.

Section 1402. Construction of Sidewalks or Sidewalks and Curbs Upon Petition of Property Owners or Pursuant to Ordinance.--(a) The township supervisors may construct sidewalks or curbs, or sidewalks and curbs, of suitable material, along the roads or highways, in such townships, upon the petition of owners of property representing a majority in number of feet front of the properties abutting on the roads or highways where such sidewalks or sidewalks and curbs are to be constructed. Whenever any such petition is filed with the supervisors, the owner of the property shall be given notice by the supervisors to construct such sidewalk or sidewalk and curb; and in case of the failure of the owner to complete such sidewalk or sidewalk and curb within a period of sixty days after the receipt of such notice, the supervisors may construct such sidewalk or sidewalk and curb as herein provided. Whenever any sidewalks or sidewalks and curbs are constructed by the supervisors, the expense of the construction of such sidewalk or

1 sidewalk and curb shall be paid by the abutting property owners
2 in proportion to their frontage. If such owners fail to so pay
3 the expenses of the construction of such sidewalk or sidewalk
4 and curb, the township supervisors may recover the amount by
5 action of assumpsit, or may file municipal liens therefor
6 against the abutting properties, in the manner provided by law
7 for the filing and collection of municipal liens.

8 (b) The township supervisors may also construct sidewalks
9 and curbs of suitable material along the roads or highways in
10 such townships pursuant to an ordinance authorizing such
11 construction. All reconstruction, repaving and recurbing may be
12 provided for in the ordinance providing for the original
13 construction, paving and curbing, without the necessity for
14 adopting a new ordinance for such reconstruction, repaving and
15 recurbing. Whenever any sidewalks or curbs are constructed by
16 the supervisors pursuant to such ordinance, the expense of the
17 construction of such sidewalks or curbs shall be paid by the
18 abutting property owners in proportion to their frontage, but in
19 no such instance shall any abutting property owner be liable for
20 the construction of such sidewalk in an amount greater than ten
21 percent, nor for the construction of such curb in an amount
22 greater than ten percent, of the assessed valuation of the
23 abutting property owned by him. Any expense above such maximum
24 liability of abutting property owners shall be paid by the
25 townships. If abutting property owners fail to so pay the
26 expenses of the construction of such sidewalks or curbs for
27 which they are liable, the township supervisors may recover the
28 amount by action of assumpsit or may file municipal liens
29 therefor against the abutting properties in the manner provided
30 by law for the filing and collection of municipal liens.

1 Section 1403. Power to Establish Lines, Grades and Width of
2 Curbs, Sidewalks or Footpaths.--Supervisors of townships may
3 regulate by ordinance, the line, grade and width of curbs,
4 sidewalks or footpaths constructed along the roads or highways
5 in such townships, and shall have general supervision over the
6 same and may establish a grade or grades for curbs, sidewalks or
7 footpaths, which grade or grades may be separate and apart from
8 the grade or grades established for the cartway or roadway. In
9 case the highway is a State or county highway, the written
10 consent of the Department of Highways or the county
11 commissioners, as the case may be, shall first be obtained.

12 Section 1404. Sidewalks or Footpaths by Township.--Whenever
13 it shall appear to the supervisors that any part or portion of
14 any road or highway is dangerous to the traveling public and
15 such danger could be materially reduced or lessened by the
16 construction of a sidewalk or footpath, the supervisors shall
17 have the right to lay out and construct a sidewalk or footpath
18 along such dangerous portion of said road or highway of such
19 materials as they shall deem advisable, and to expend moneys
20 from the general fund of the township therefor. In case the
21 highway is a State or county highway, the written consent of the
22 Department of Highways or the county commissioners, as the case
23 may be, shall first be obtained.]

24 Section 2401. Location, Lines, Grades and Width of Curbs,
25 Sidewalks or Footpaths; Costs.--(a) The board of supervisors
26 may, by ordinance, regulate the line, grade and width of curbs,
27 sidewalks or footpaths constructed along the roads or highways
28 in the township, shall have general supervision over them and
29 may establish a grade or grades for curbs, sidewalks or
30 footpaths, which grade or grades may be separate and apart from

1 the grade or grades established for the cartway or roadway.

2 (b) If the highway is a State or county highway, the written
3 consent of the Department of Transportation or the county
4 commissioners shall first be obtained.

5 (c) The costs of construction of sidewalks, footpaths or
6 curbs may be paid by one of the following methods:

7 (1) The board of supervisors, upon the request of any
8 landowner whose land fronts upon a public road or highway within
9 the township, may establish a sidewalk or curbs along one or
10 both sides of the road or highway along the lands of the owner.
11 When the sidewalks or curbs are established, the landowner shall
12 pay for the construction of the sidewalks or curbs and keep them
13 in repair.

14 (2) The board of supervisors may construct sidewalks or
15 curbs along the roads or highways, upon the petition of property
16 owners representing a majority in number of feet front of the
17 properties abutting on the roads or highways where the sidewalks
18 or curbs are to be constructed. When a petition is filed with
19 the board of supervisors, the property owner shall be given
20 notice by the board of supervisors to construct the sidewalk or
21 curb. If the owner fails to complete the sidewalk or curb within
22 a period of sixty days after the receipt of the notice, the
23 board of supervisors may construct the sidewalk or curb. When
24 any sidewalk or curb is constructed by the board of supervisors,
25 the expense of the construction of the sidewalk or curb shall be
26 paid by the abutting property owners in proportion to their
27 frontage. If the owners fail to pay the expenses of the
28 construction of the sidewalk or curb, the board of supervisors
29 may recover the amount by action of assumpsit or may file
30 municipal liens therefor against the abutting properties under

1 law for the filing and collection of municipal liens.

2 (3) The board of supervisors may, by ordinance, in absence
3 of a petition, provide for the construction, reconstruction and
4 repair of sidewalks and curbs within the township. When any
5 sidewalks or curbs are constructed, reconstructed or repaired by
6 the board of supervisors under the ordinance, the expense of the
7 construction of the sidewalks or curbs shall be paid by the
8 abutting property owners in proportion to their frontage, but no
9 owner shall be liable for the cost of construction of the
10 sidewalk or curb in an amount greater than fifteen percent of
11 the assessed valuation of the abutting property. Any expense
12 above the maximum liability of abutting property owners shall be
13 paid by the township. If abutting property owners fail to pay
14 the expenses of the construction of the sidewalks or curbs for
15 which they are liable, the board of supervisors may recover the
16 amount by action of assumpsit or may file municipal liens
17 therefor against the abutting properties under law for the
18 filing and collection of municipal liens.

19 (4) When the board of supervisors establishes that any part
20 of any road or highway is dangerous to the traveling public and
21 the danger could be materially reduced or lessened by the
22 construction of a sidewalk, curb or footpath, the board of
23 supervisors may lay out and construct a sidewalk, curb or
24 footpath along the dangerous portion of the road or highway at
25 township expense.

26 (d) All assessments for costs levied under this article
27 shall be filed with the township treasurer and collected under
28 section 3302(a).

29 ARTICLE [XV] XXV

30 SANITARY SEWERS [AND DRAINS

(a) Establishing and Constructing Sewer and Drainage Systems;
Sewer Connections and Charges; Disposal of Sewage;
Assessment of Cost of Construction

Section 1501. Power to Establish and Construct Sewers and Drains.--(a) Townships may establish and construct a system of sewers and drainage, locating the same as far as practicable along and within the lines of the public roads of the townships as seems advisable to the board of supervisors. The supervisors may permit and, where necessary for the public health, require adjoining and adjacent property owners to connect with and use the same. In case any owner of property adjoining or adjacent to such sewer shall neglect or refuse to connect with and use said sewer for a period of sixty days after notice to do so has been served upon him by the supervisors, either by personal service or by registered mail, said supervisors or their agents, may enter upon such property and construct such connection. In such case the supervisors shall forthwith, upon completion of the work, send an itemized bill of the cost of construction of such connection to the owner of the property to which connection has been so made, which bill shall be payable forthwith. In case of neglect or refusal by the owner of such property to pay said bill, it shall be the duty of the township supervisors to file municipal liens for said construction within six months of the date of completion of the construction of said connection, the same to be subject in all respects to the general law providing for the filing and recovery of municipal liens.

(b) Whenever an existing sewer system owned by or leased to a township of the second class is extended or altered at the expense of a developer or other private person or corporation under the supervision of such township or a municipal authority

1 of such township, the township supervisors may, by ordinance or
2 resolution, take over said extension or alteration and compel
3 all owners of property which is not already connected to an
4 existing public sewer system and which is accessible to and
5 whose principal building is within one hundred fifty feet from
6 such sewer extension to pay a tapping fee and make connection
7 therewith and use such sewer system in such manner as they may
8 order.

9 (c) The supervisors may refund all or part of said tapping
10 fee or fees to the developer or other private person or
11 corporation who or which paid for said construction. Said
12 tapping fees may be based upon front foot construction costs,
13 however, the total of said refunds shall never exceed the cost
14 of said extension or alterations. Once said extension or
15 alteration is taken over it shall become part of the existing
16 sewer system.

17 (d) Notwithstanding the powers granted pursuant to
18 subsection (a), (b) or (c), no township shall have the power to
19 require any commercial or industrial business to connect to the
20 township sewer system when such commercial or industrial
21 business is operating a sewer treatment plant under mandate of
22 any agency of the Federal or State Government. This exemption
23 shall last as long as such sewer treatment plant continues to
24 meet the specifications and standards mandated by such Federal
25 or State agency and for forty-five days thereafter. If, during
26 the days immediately subsequent to the day a business' sewer
27 treatment plant is determined to be below Federal or State
28 mandates, repairs cannot be made to bring the system back up to
29 satisfactory condition, the township may require such business
30 to connect to its sewage treatment system. In such case, the

1 full costs of connection to, and any necessary refurbishing of,
2 the township sewer system shall be borne by such business.

3 (e) The exemption provided for in subsection (d) shall not
4 be available in any situation where the business seeking to use
5 it had notice, either actual or constructive, prior to
6 construction of its sewer treatment plant, of the township's
7 intention to construct a sewage treatment plant and to require
8 that business to connect with its system.

9 (f) The Department of Environmental Resources shall not,
10 subsequent to the effective date of this amendatory act, issue
11 any permit to allow a commercial or industrial business to
12 construct its own permanent sewer treatment plant without the
13 written consent of the township supervisors of the township
14 wherein such treatment plant is proposed to be located.]

15 Section 2501. Sanitary Sewers.--The board of supervisors may
16 establish and construct sanitary sewer systems which shall, if
17 possible, be constructed along and within the lines of the
18 rights-of-way of public roads. If the board of supervisors
19 determines that the systems shall be located on or through
20 private property, the board of supervisors may acquire the land
21 by gift, purchase or eminent domain.

22 Section 2502. Sanitary Sewer Connections.--(a) The board of
23 supervisors may, by ordinance, require adjoining and adjacent
24 property owners to connect with and use the sanitary sewer
25 system, whether constructed by the township or a municipality
26 authority or a joint sanitary sewer board. THE BOARD OF
27 SUPERVISORS MAY IMPOSE TAP-IN CONNECTION AND OTHER SIMILAR FEES,
28 AS ENUMERATED AND DEFINED BY SECTION 4(T) OF THE ACT OF MAY 2,
29 1945 (P.L.382, NO.164), KNOWN AS THE "MUNICIPALITY AUTHORITIES
30 ACT OF 1945," AS A CONDITION OF CONNECTION TO A TOWNSHIP-OWNED

<—

1 SEWER COLLECTION, TREATMENT OR DISPOSAL FACILITY. If any owner
2 of property adjoining or adjacent to or whose principal building
3 is within one hundred and fifty feet from the sanitary sewer
4 fails to connect with and use the sanitary sewer for a period of
5 sixty days after notice to do so has been served by the board of
6 supervisors, either by personal service or by registered mail,
7 the board of supervisors or their agents may enter the property
8 and construct the connection. The board of supervisors shall
9 send an itemized bill of the cost of construction to the owner
10 of the property to which connection has been made, which bill is
11 payable immediately. If the owner fails to pay the bill, the
12 board of supervisors shall file a municipal lien for the cost of
13 the construction within six months of the date of completion of
14 the connection.

15 (b) When an existing sanitary sewer system owned by or
16 leased to a township is extended or altered at the expense of a
17 developer or other private person or corporation under the
18 supervision of the township or a municipality authority of the
19 township, the board of supervisors may, by ordinance or
20 resolution, take over the extension or alteration and compel all
21 owners of property which is not already connected to an existing
22 public sanitary sewer system and which is accessible to and
23 whose principal building is within one hundred and fifty feet
24 from the sanitary sewer extension to pay a tapping fee and make
25 connection therewith and use the sanitary sewer system as the
26 board of supervisors may order. AFTER A TAKEOVER BY OR
27 DEDICATION TO THE TOWNSHIP OF AN EXTENSION OR ALTERATION OF A
28 SEWAGE SYSTEM CONSTRUCTED IN ACCORDANCE WITH THIS SUBSECTION,
29 THE BOARD OF SUPERVISORS MAY IMPOSE TAP-IN, CONNECTION AND OTHER
30 SIMILAR FEES, AS ENUMERATED AND DEFINED BY SECTION 4(T) OF THE

<—

1 "MUNICIPALITY AUTHORITIES ACT OF 1945," UPON ALL OWNERS OF
2 PROPERTY WHICH PREVIOUSLY HAVE CONNECTED OR SUBSEQUENTLY WILL
3 CONNECT TO THE SEWAGE SYSTEM CONSTRUCTED IN ACCORDANCE WITH THIS
4 SUBSECTION.

5 (c) The board of supervisors may refund all or part of the
6 tapping fee or fees to the developer or other private person or
7 corporation who or which paid for the construction. The tapping <—
8 fees may be based upon foot front construction costs. The total
9 of the refunds shall never exceed the cost of the extension or
10 alterations. Once the extension or alteration is taken over, it
11 shall become part of the existing sanitary sewer system.

12 (d) The board of supervisors shall not require any
13 commercial or industrial business to connect to the township
14 sanitary sewer system when the commercial or industrial business
15 is operating a private sanitary sewage treatment plant under
16 mandate of any agency of the Federal or State Government. This
17 exemption shall last as long as the private sanitary sewage
18 treatment plant continues to meet the specifications and
19 standards mandated by the Federal or State agency and for forty-
20 five days after that. If, during the days immediately after the
21 day a business' private sanitary sewage treatment plant is
22 determined to be below Federal or State mandates, repairs cannot
23 be made to bring the private sewage treatment system back up to
24 satisfactory condition, the board of supervisors may require the
25 business to connect to the township sanitary sewer system. The
26 full costs of connection to, and any necessary refurbishing of,
27 the township sanitary sewer system shall be paid by the
28 business.

29 (e) The exemption in subsection (d) is not available in any
30 situation where the business seeking to use it had notice,

either actual or constructive, before construction of its sewage treatment plant, of the township's intention to construct a sanitary sewer system and to require that business to connect with its system.

(f) The Department of Environmental Resources shall not issue any permit to allow a commercial or industrial business to construct its own private sewage treatment plant without the written consent of the board of supervisors of the township in which the private sewage treatment plant is proposed to be located.

[Section 1501.1. Sewer System Established or Constructed by Municipality Authorities; Connection and Use by Owners; Enforcement.--Whenever a sewer system is or shall have been established or constructed by a municipality authority within a township of the second class, the township supervisors shall be empowered, by ordinance, to compel all owners of property accessible to and whose principal building is within one hundred fifty feet from such sewer system to make connection therewith and use such sewer system in such manner as they may order. The township supervisors may, by ordinance, impose penalties to enforce any regulation or order they may ordain with reference to any sewer connections. In case any owner of property accessible to and whose principal building is within one hundred fifty feet from a sewer system established or constructed by a municipality authority shall neglect or refuse to connect with said sewer system for a period of sixty days after notice to do so has been served upon him by the township supervisors, either by personal service or by registered mail, the township supervisors or their agents may enter upon such property and construct such connection. In such case, the township

1 supervisors shall forthwith, upon completion of the work, send
2 an itemized bill of the cost of the construction of such
3 connection to the owner of the property to which connection has
4 been so made, which bill shall be payable forthwith. In case of
5 neglect or refusal by the owner of such property to pay said
6 bill, it shall be the duty of the township supervisors to file
7 municipal liens for said construction within six months of the
8 date of the completion of the construction of said connection,
9 the same to be subject in all respects to the general law
10 provided for the filing and recovery of municipal liens.

11 Section 1502. Notice of Contemplated Construction; Protests
12 by Property Owners.--No sewer, drain or system thereof shall be
13 constructed under the provisions of this article unless a
14 resolution or ordinance of the board of supervisors authorizing
15 the same shall be published in a newspaper of general
16 circulation published in the county in which the township is
17 situated, once a week for three successive weeks. If, before the
18 expiration of twenty days after the last publication, sixty per
19 centum of the total property owners of the township or the
20 affected sewer district, if such district has been constituted,
21 as the case may be, shall sign and file, in the office of the
22 prothonotary of the court of common pleas of the county in which
23 the township is located, a written protest against the
24 construction of such sewer, drain or system thereof, then the
25 construction authorized by such resolution or ordinance shall
26 not be undertaken or proceeded with.]

27 Section 2503. Notice of Contemplated Construction.--No
28 sanitary sewer system shall be constructed under this article
29 unless a resolution of the board of supervisors authorizing the
30 construction is published in a newspaper of general circulation

1 in the township once a week for three successive weeks.

2 [Section 1503. Location of Sewers on Private Property.--
3 Where it is reasonably impracticable in the judgment of the
4 supervisors in any part of such system to carry such sewers or
5 drains along the lines of public roads, they may locate and
6 construct so much of the same as is necessary through private
7 lands and acquire the necessary land or right of way for such
8 purpose, by gift or by the exercise of the right of eminent
9 domain.

10 Section 1504. Treatment Works and Facilities Therefor;
11 Eminent Domain.--The supervisors shall make the necessary
12 provision for the disposition of the sewage and drainage within,
13 or for carrying the same beyond, the limits of the township,
14 and, to this end, they are hereby authorized to enter into
15 contracts with other municipalities and other corporations or
16 persons to purchase, acquire, enter upon, take, appropriate,
17 occupy and use such lands, rights, and interests therein within
18 the corporate limits of other townships or boroughs as shall be
19 necessary for the proper location, construction, maintenance,
20 use, and operation of sewer mains, drains, or treatment works,
21 including such lands, rights, and interests therein as shall be
22 necessary for future additions to and enlargements of such
23 sewerage or drainage facilities, and as may be necessary to
24 carry out the plans and specifications upon which a permit has
25 been issued by the Secretary of Health in accordance with law.

26 Section 1505. Entry on Lands to Mark Sewer Routes;
27 Damages.--In the event of inability to agree with the owners,
28 either for the land necessary for so much of the line of sewers
29 and drains as are not located upon public roads, or for so much
30 land as is required for the disposition of the sewage, the

1 supervisors may enter upon said land and mark thereon the route
2 and width necessary for the construction of the line of sewers
3 or drains or the boundaries of so much land as is necessary for
4 disposition of such sewage, and occupy the said land for such
5 purposes. For all damage done or suffered or which accrues to
6 the owner or owners of such land by reason of the taking of the
7 same, the general fund of the township shall be pledged and
8 deemed as security. Such damages shall be determined by viewers
9 in the manner provided in this act for eminent domain
10 proceedings.]

11 Section 2504. Entering Lands to Mark Sanitary Sewer Routes;
12 Damages.--In the absence of an agreement with the owners of land
13 required for sanitary sewer systems or for the marking of the
14 route of the systems, the board of supervisors or its agents
15 have the right to enter the lands for that purpose. For all
16 damage done by entering the land under this section, the general
17 fund of the township shall be pledged as security. Damages shall
18 be determined by viewers under this act for eminent domain
19 proceedings.

20 Section 2505. Sanitary Sewer Systems; Acquisition of Land
21 and Facilities; Damages.--The board of supervisors may acquire
22 by eminent domain or make contracts with other municipal
23 corporations, corporations or persons for the acquisition of
24 lands or facilities for the location, construction, maintenance,
25 reconstruction and enlargement of sanitary sewer systems and
26 treatment facilities. Acquisitions may be made for the purpose
27 of future construction or additions to existing systems. The
28 acquired land may be located either inside or outside the
29 boundaries of the township. For all damage done to owners of
30 land by reason of the taking of the land, the general fund of

1 the township shall be pledged as security. Damages shall be
2 determined by viewers under this act for eminent domain
3 proceedings.

4 [Section 1507. Cost of Construction; How Paid.--All or any
5 portion of the cost of construction of any such system of sewers
6 or drains, constructed by the authority of this subdivision, may
7 be charged upon the properties accommodated or benefited thereby
8 in the manner hereinafter provided.

9 The township supervisors may finance the cost of construction
10 of any such system of sewers or drains, by the incurring of debt
11 by the township, within the limitations and pursuant to the
12 provisions of the act of July 12, 1972 (P.L.781, No.185), known
13 as the "Local Government Unit Debt Act." Where debt is so
14 incurred, the supervisors at their sole discretion may assess
15 all or any portion of the cost of the construction of such
16 sewers or drains, as permitted by law, against the properties
17 accommodated or benefited by such improvements as hereinafter
18 provided, and to deposit the net proceeds of such assessments in
19 a sinking or analogous fund established in connection with the
20 incurring of such debt.

21 Nothing in this section shall be construed to prevent the
22 financing of the cost of such construction under the provisions
23 of the "Municipality Authorities Act of 1945," and any
24 amendments thereto.]

25 Section 2506. Cost of Construction; How Paid.--All or part
26 of the cost of construction of a sanitary sewer system
27 constructed under this article may be charged upon the
28 properties accommodated or benefited by the construction.

29 [Section 1508. Sewer Districts; Township to Pay Non-
30 Assessable Portion of Cost.--Whenever a sewer or drainage system

1 is constructed by a township for the accommodation of a certain
2 portion of the township, the supervisors of such township may,
3 at any time before or after said construction, constitute the
4 territory accommodated into a sewer district or divide it into
5 several sewer districts. In every such case of division into
6 several districts, the supervisors shall make an estimate of the
7 proportion of the cost of the sewer system which should
8 equitably be charged on each of said districts, and declare and
9 establish such apportionment by resolution.

10 In all cases where a sewer or drainage system is constructed
11 by a township for the benefit of a certain portion only of the
12 township, and the cost of main sewers, pumping stations,
13 pressure lines, et cetera, is charged against the sewer district
14 or sewer districts, as herein provided, the total amount charged
15 to each district may be assessed to the district by an
16 assessment upon each lot or piece of land in said district, in
17 proportion to its frontage abutting on the sewer, or by an
18 assessment upon the several properties abutting on the sewer, in
19 proportion to benefits, or upon the properties connected with
20 and using said sewers, as sewer rentals, in the manner provided
21 by law for the assessment of sewer rentals, or each lot or piece
22 of ground abutting upon said sewer may be assessed, in
23 proportion to its frontage or according to benefits, the cost of
24 a local sewer, and the balance of the amount charged against the
25 district may be assessed upon the properties connected with and
26 using said sewer, as sewer rentals in the manner provided by law
27 for assessment of sewer rentals. No district shall be charged
28 with more than its due proportion of the cost of the main
29 sewers, pumping stations, et cetera, used jointly by more than
30 one district. Where the whole of the township is accommodated by

1 the system it may also be treated as a single district, or
2 divided into districts and be subject to the foregoing
3 provisions.]

4 Section 2507. Sanitary Sewer Districts.--(a) When a
5 sanitary sewer system is constructed by a township for the
6 accommodation of a certain portion of the township, the board of
7 supervisors may, before or after the construction, designate the
8 territory accommodated as one sanitary sewer district or divide
9 it into several sanitary sewer districts. The board of
10 supervisors shall estimate the proportion of the cost of the
11 sanitary sewer system to be charged on each of the districts and
12 declare and establish the apportionment by resolution.

13 (b) When a sanitary sewer system is constructed by a
14 township for the benefit only of a certain portion of the
15 township and the cost of main sanitary sewers, pumping stations,
16 pressure lines, et cetera, is charged against the sanitary sewer
17 district or sanitary sewer districts, all or part of the amount
18 charged to each district may be assessed to the district by an
19 assessment upon each lot or piece of land in the district, in
20 proportion to its frontage abutting on the sanitary sewer, or by
21 an assessment upon the several properties abutting on the
22 sanitary sewer, in proportion to benefits, or upon the
23 properties connected with and using the sanitary sewers as
24 rental fees, or each lot or piece of ground abutting upon the
25 sanitary sewer may be assessed, in proportion to its frontage or
26 according to benefits, the cost of a local sanitary sewer, and
27 the balance of the amount charged against the district may be
28 assessed upon the properties connected with and using the
29 sanitary sewer, as rental fees. No district shall be charged
30 with more than its due proportion of the cost of the main

1 sanitary sewers, pumping stations, et cetera, used jointly by
2 more than one district. If the whole of the township is
3 accommodated by the sanitary sewer system, it may be treated as
4 a single district.

5 [Section 1509. Manner of Assessment.--The charge for any
6 such sewer or drain construction in any township shall be
7 assessed upon the properties accommodated or benefited, in
8 either of the following methods:

9 (a) By an assessment, pursuant to a resolution or ordinance
10 of the board of supervisors, of each lot or piece of land in
11 proportion to its frontage abutting on the sewer or drain,
12 allowing such equitable reduction in the case of corner
13 properties and unusually shaped properties or those properties
14 abutting on more than one sewer or drain as the resolution or
15 ordinance may specify, however, when the lot or piece of land is
16 on a corner it shall be assessed for its entire frontage
17 abutting on any sewer or drain except when such property is a
18 vacant lot or contains only a single family dwelling in which
19 case it shall be assessed along the shorter frontage and
20 assessed along the longer frontage abutting on a sewer or drain,
21 commencing at a point no closer to the corner than one hundred
22 twenty-five feet. No assessment by frontage shall be made on
23 properties of such a character as not to be lawfully subject to
24 such manner of assessment, and each abutting property shall be
25 assessed with not less than the whole amount of the benefit
26 accruing to it and legally assessable; or

27 (b) By an assessment upon the several properties abutting on
28 the sewer or drain in proportion to benefits. The amount of the
29 charge on each property shall be ascertained as hereinafter
30 provided.

1 When a township is divided into sewer districts, the
2 assessment in each district may be by different methods.]

3 Section 2508. Manner of Assessment.--When a township is
4 divided into sanitary sewer districts, the assessment in each
5 district may be by different methods. The assessment, if any,
6 for sanitary sewer system construction shall be charged upon the
7 properties accommodated or benefited by one of the following
8 methods:

9 (1) By an assessment, under a resolution or ordinance of the
10 board of supervisors, of each lot or piece of land in proportion
11 to its frontage abutting on the sanitary sewer system, allowing
12 an equitable reduction in the case of corner properties and
13 unusually shaped properties or those properties abutting on more
14 than one collector line of the sanitary sewer as the resolution
15 or ordinance may specify. When the lot or piece of land is on a
16 corner, it shall be assessed for its entire frontage abutting on
17 any sanitary sewer system.

18 (2) By an equal assessment on all properties abutting on the
19 sanitary sewer system in proportion to the total cost of
20 construction of the sanitary sewer system. The amount of the
21 charge on each property shall be determined by the board of
22 supervisors.

23 [Section 1510. Procedure for Assessment of Benefits.--In all
24 cases where the board of supervisors shall select the method
25 provided by subdivision (b) of the foregoing section, they shall
26 petition the court of common pleas for appointment of viewers to
27 assess benefits. In all cases where they shall neglect, for a
28 period of three months after the completion of the sewer or
29 drainage system, to either make assessments by frontage or
30 present petition for appointment of viewers, taxpayers of the

1 township whose property valuation as assessed for taxable
2 purposes within the township shall amount to fifty per centum of
3 the total property valuation so assessed may present a petition
4 to the court of common pleas of the county for the appointment
5 of viewers to assess benefits; and in all cases where such
6 taxpayer shall, within three months of the adoption of a
7 resolution or ordinance levying an assessment under the method
8 provided by subsection (a) of said foregoing section, by
9 petition, state to said court that such assessment
10 insufficiently represents the benefits accruing to abutting
11 properties, they may include in such petition a prayer for the
12 appointment of viewers to assess benefits. In either case the
13 court shall thereupon appoint three disinterested persons from
14 the board of county viewers, none of whom shall be a resident of
15 that portion of the township which is accommodated by the sewer
16 or drainage system in question, and the viewers so appointed
17 shall proceed as provided in this act for proceedings for the
18 assessment of damages and benefits by viewers. The aggregate of
19 the assessments in any sewer district shall not exceed the
20 amount charged to such district for its share of the cost of the
21 sewer or drain construction unless the same shall, by petition
22 of taxpayers, whose property valuation as aforesaid shall amount
23 to fifty per centum of the total property valuation as assessed
24 for taxable purposes within the township, presented within three
25 months after the adoption of a resolution or ordinance providing
26 for an assessment by frontage, be stated to insufficiently
27 represent the amount of benefits to such properties, in which
28 case the proceedings by taxpayers authorized above shall be
29 applicable. Upon the filing of such a petition by taxpayers as
30 aforesaid for appointment of viewers, any assessment made by the

supervisors and any proceedings thereunder shall be stayed
pending the disposition of the petition by the court.]

Section 2509. Procedure for Assessments.--If any taxpayer
states, by petition, within three months of the adoption of a
resolution or ordinance levying an assessment under section 2508
to the court of common pleas that the assessment insufficiently
represents the benefits accruing to abutting properties, they
may include in the petition a request for the appointment of
viewers to assess benefits. The court shall appoint three
viewers, none of whom shall be a resident of that portion of the
township which is accommodated by the sanitary sewer system in
question, and the viewers shall proceed under this act for the
assessment of damages and benefits. Upon the filing of a
petition by taxpayers for appointment of viewers, any assessment
made by the board of supervisors and any proceedings shall be
stayed pending the disposition of the petition by the court.

[Section 1511. Liens for Assessments; Costs of
Proceedings.--After the amount of the assessment charged upon
the several properties has been established, either by
resolution or ordinance making assessments according to
frontage, or by confirmation of any report of viewers, in whole
or in part, the amounts of all assessments shall be payable to
the township treasurer for the use of the sewer district or
districts or the township, as the case may be, in which they are
assessed. The supervisors shall make out bills for the amounts
charged against each property, which shall be forthwith sent to
all property owners residing in the township, and mailed to all
such owners residing elsewhere whose address is known. If any
such assessment is not paid within sixty days after the mailing
of a bill therefor, the supervisors shall cause it to be

1 collected by action of assumpsit, or such assessment shall be
2 collected in the manner provided for the filing and recovery of
3 municipal claims.

4 The costs of publication of notices in proceedings before
5 viewers shall be paid by the township upon presentation of bills
6 approved by the court.]

7 Section 2510. Liens for Assessments; Costs of Proceedings.--
8 After the amount of the assessment charged upon the several
9 properties has been established by resolution making assessments
10 according to frontage or by confirmation of any report of
11 viewers, in whole or in part, the amounts of all assessments are
12 payable to the township treasurer for the use of the sanitary
13 sewer district or districts or the township in which they are
14 assessed. The board of supervisors shall make out bills for the
15 amounts charged against each property, which shall be sent to
16 all property owners whose property will be served by the
17 sanitary sewer system. If the assessment is not paid within
18 sixty days after the mailing of a bill therefor, the board of
19 supervisors shall collect it by action of assumpsit or under law
20 for the filing and recovery of municipal claims.

21 [Section 1512. Sewer Rentals.--All persons whose property
22 connects with a system of sewers or drains shall pay to the
23 township treasurer, in addition to the cost of making such
24 connection, a monthly, quarterly, semi-annual or annual charge
25 prescribed by a resolution of the board of supervisors. Such
26 monthly, quarterly, semi-annual or annual charge or charges
27 shall constitute a lien until paid against the property so
28 connecting with such system, and the amount thereof may be
29 recovered by due process of law. All water utilities supplying
30 water to users within the boundaries of any township shall, at

1 the request of the board of supervisors, furnish to the
2 township, on or before the fifteenth day of the month following
3 the month during which bills are issued, a list of all water
4 meter readings and flat-rate water bills and the basis for each
5 flat-rate water charge, so that the data may be used in
6 calculating such charges. The township is authorized and
7 empowered to pay to such utilities reasonable amounts for
8 necessary clerical and other expenses incurred in the
9 preparation of such lists.

10 Nothing in this section shall be construed to repeal or
11 modify any of the provisions of the Public Utility Law.]

12 Section 2511. Rental Fees.--(a) All persons whose property
13 is connected to a sanitary sewer system shall pay to the
14 township treasurer, in addition to the cost of making the
15 connection, a monthly, quarterly, semi-annual or annual charge
16 adopted by a resolution of the board of supervisors. The charges
17 constitute a lien until paid against the property connected to
18 the sanitary sewer system, and the amount thereof may be
19 recovered by due process of law. All water utilities supplying
20 water to users within the boundaries of any township shall, at
21 the request of the board of supervisors, furnish to the
22 township, on or before the fifteenth day of the month following
23 the month during which bills are issued, a list of all water
24 meter readings and flat-rate water bills and the basis for each
25 flat-rate water charge so that the data may be used in
26 calculating rental fees. The township may pay to the utilities
27 clerical and other expenses incurred in the preparation of the
28 lists.

29 (b) Nothing in this section shall be construed to repeal or
30 modify any of the provisions of 66 Pa.C.S. (relating to public

1 utilities).

2 (c) All sewer rentals received shall be deposited in a
3 special fund to be used only for the payment of the cost of
4 construction, reconstruction, repair, operation and maintenance
5 of the sanitary sewer system.

6 [(b) Sewers Under State and County Highways

7 Section 1525. Consents Necessary.--Townships may construct
8 sewers and drains in or under any county or State highway within
9 the township boundaries. In case of the construction of sewers
10 or drains in or under county highways, the consent of the county
11 commissioners of the county shall first be obtained, and in case
12 of the construction of sewers or drains in or under any State
13 highway, the consent of the Secretary of Highways shall first be
14 obtained.]

15 Section 2512. State and County Highways; Consents
16 Necessary.--Sanitary sewers may be constructed in or under any
17 State or county highway. If the construction of sanitary sewers
18 is in or under county highways, the consent of the county
19 commissioners of the county shall first be obtained and, if the
20 construction of sanitary sewers is in or under any State
21 highway, the consent of the Department of Transportation shall
22 first be obtained.

23 [Section 1526. Assessment of Cost.--Whenever sewers or
24 drains have been or shall be laid or constructed by any township
25 in or under State or county highways, the township, unless the
26 same can be agreed upon, may ascertain, levy, and collect the
27 costs and expenses of the construction thereof from the abutting
28 property holders by viewers in accordance with the provisions of
29 this act relating to the assessment of damages and benefits by
30 viewers.

1 (c) Connecting with Sewer of Adjoining Municipality

2 Section 1530. Agreements for Connections; Appointment of
3 Viewers.--Any township may, by agreement, connect with an
4 existing sewer owned by any adjacent municipality, for sewage
5 purposes.

6 Whenever any township desires to connect with the existing
7 sewer of any adjacent municipality and no agreement has been
8 reached between such township and the adjacent municipality, a
9 petition shall be presented by the board of supervisors to the
10 court of quarter sessions setting forth the facts. The court
11 shall fix a day for hearing upon such petition and shall direct
12 such public notice to all parties interested therein as to it
13 shall seem desirable. If, after hearing, the court shall be of
14 the opinion that such connection can be made without impairing
15 the usefulness of the existing sewer, it shall appoint three
16 viewers who shall view the premises, and investigate the facts
17 of the case and shall assess the necessary costs and expenses of
18 making the connection, and the proportionate part of the expense
19 of building the original sewer upon such township, and shall fix
20 the proportion of the expense for repairs which the municipality
21 and the township shall thereafter bear, and determine all other
22 questions liable to arise in connection therewith.]

23 Section 2513. Municipal Corporation; Municipality Authority;
24 Agreements for Connections; Appointment of Viewers.--(a) Any
25 township may, by agreement, connect with an existing sanitary
26 sewer owned by any municipal corporation or municipality
27 authority for either sewage collection or treatment purposes.

28 (b) When any township desires to connect with the existing
29 sewer of any municipal corporation or municipality authority, a
30 petition shall be presented by the board of supervisors to the

1 court of common pleas setting forth the facts. The court shall
2 fix a day for hearing upon the petition and direct public notice
3 be given to all interested parties. If the court is of the
4 opinion that the connection can be made without impairing the
5 usefulness of the existing sanitary sewer system, it shall
6 appoint three viewers to view the premises, investigate the
7 facts of the case, assess the necessary costs and expenses of
8 making the connection and the proportionate part of the expense
9 of building the original sanitary sewer system upon the
10 township, determine the proportion of the expense for repairs
11 which the municipal corporation or municipality authority and
12 the township shall bear and determine all other questions liable
13 to arise in connection therewith.

14 [Section 1531. Report of Viewers.--The viewers shall report
15 to the court the result of their investigation, which report
16 shall be confirmed within thirty days unless exceptions thereto
17 are filed, the disposal of which exceptions, any party
18 interested may appeal.]

19 Section 2514. Report of Viewers.--The viewers shall report
20 the results of their investigation to the court, and the court
21 shall confirm the report within thirty days of its submission
22 unless exceptions are filed. Any interested party may appeal the
23 disposition of filed exceptions.

24 [(d) Acquisition of Sewer Systems

25 Section 1535. Acquisition.--(a) Any township, in which any
26 person is maintaining sewers and culverts with the necessary
27 inlet and appliances for surface and under-surface and sewage
28 drainage, or in which any person or persons are maintaining a
29 community sewage collection or disposal system as herein
30 defined, may become the owner of such sewers, culverts, inlet

1 and appliances, or the owner of such community sewage collection
2 or disposal system, by paying therefor not more than the actual
3 value of the same at the time of the taking by the township, or
4 by gift from the owner or owners thereof.

5 (b) In case the supervisors of the township cannot agree
6 with the owners of such sewers or sewage collection or disposal
7 system as to the price to be paid therefor, the supervisors may
8 enter upon and take possession of such sewers, culverts, inlets
9 and appliances or of such sewage collection or disposal system.
10 For all damage done or suffered or which accrues to the owner of
11 the sewer or collection or disposal system by reason of the
12 taking of the same, the general fund of the township shall be
13 pledged and deemed as security; such damages to be determined by
14 viewers in the manner provided by this act for eminent domain
15 proceedings. If any sewer, sewer system of sewage collection or
16 disposal system is acquired by purchase under the provisions of
17 this section, the cost of such acquisition may be distributed or
18 assessed in the same manner as provided by this act in cases
19 where a sewer or drainage system is constructed by the township.

20 (c) For the purpose of this section, a community sewage
21 collection or disposal system is all or part of a device or
22 devices, installed on any privately or publicly owned parcel of
23 land, intended to treat or dispose of the sewage or equivalent
24 volume of domestic sewage from two or more residences, buildings
25 or occupied parcels of land, or any system of piping used in
26 collection and conveyance of sewage on private or public
27 property.

28 (d) After a community sewage collection or disposal system
29 has been acquired under the provisions of this section by the
30 township, the supervisors shall have the power to enlarge such

1 system if they deem it advisable. In such cases, the cost and
2 expenses of such enlargement may be distributed or assessed in
3 the same manner as if the enlargement was a regular sewer
4 constructed by the township under other provisions of this act.

5 (e) Whenever a community sewage collection or disposal
6 system is or shall have been established or constructed within a
7 township by a private owner or owners, and the township
8 supervisors are thereafter empowered by ordinance to acquire the
9 ownership of the sewage disposal system so established, or when
10 any such system has been enlarged by the township, such
11 acquisition and ownership shall be subject to the following
12 provisions of this subsection:

13 (1) When the person or persons having established or
14 constructed a community sewage collection or disposal system, or
15 when more than one-half the number of the owners of properties
16 which are connected with, have a right to use and are using a
17 community collection or disposal system, enter into an agreement
18 with the township for the acquisition of the system by the
19 township, such agreement shall be considered a valid agreement
20 by the owners of the sewage collection or disposal system and a
21 transfer of ownership to the township.

22 (2) The township shall operate and maintain any sewage
23 collection or disposal system acquired, and any enlargement or
24 addition thereto, for the use of persons having acquired from
25 the township or from the former owner or owners the right to use
26 the system and for the use of other owners of property
27 accessible thereto up to the capacity of the sewage collection
28 or disposal system.

29 (3) All persons whose property connects with the sewage
30 collection or disposal system, acquired or constructed by the

1 township, shall pay to the township treasurer a monthly,
2 quarterly, semi-annual or annual charge prescribed by a
3 resolution of the supervisors. The amount of the charges shall
4 not be in excess of the estimated amount necessary to maintain
5 and operate the system and to establish a reserve fund
6 sufficient for its future replacement.

7 (4) All sewer rentals or charges imposed by the supervisors
8 against properties connected with a community sewage collection
9 or disposal system under the provisions of this section shall
10 constitute liens against the properties and may be collected in
11 the same manner as other sewer charges.

12 (5) All moneys received from the sewer charges shall be
13 deposited as a special reserve fund and shall be used only for
14 the payment of the cost of operating and maintaining the sewage
15 collection or disposal system, and the replacement thereof if
16 necessary and economically desirable. If, at any time after the
17 acquisition or enlargement of the sewage system, a regular sewer
18 system is made available by the township for connection with the
19 properties using the community sewage collection or disposal
20 system, the owners of such properties shall be subject to the
21 other provisions of this act relating to sewers, and all money,
22 at that time in the reserve fund, which was received from
23 charges for the use of that particular sewage collection or
24 disposal system and which is over and above the amount expended
25 for the operation and maintenance of that particular sewage
26 collection or disposal system, shall be used towards the payment
27 of any sewer assessments charged against such properties under
28 other sections of this act.]

29 Section 2515. Acquisition of Existing Sanitary Sewer
30 Systems.--(a) The board of supervisors of the township in which

1 the facilities are located may acquire all or part of an
2 existing sanitary sewer system or community subsurface sewage
3 collection and treatment system.

4 (b) Acquisition may be by either purchase, when the board of
5 supervisors and the owner can agree on a price not exceeding the
6 actual value of the sanitary sewer system or part thereof to be
7 transferred, or by deed of dedication to the township by the
8 owners of the sanitary sewer system or part thereof or by the
9 exercise of eminent domain.

10 (c) If any sanitary sewer system or community subsurface
11 disposal collection and treatment system is acquired by purchase
12 or taking under this section, the cost of acquisition may be
13 distributed or assessed under this act as when a sanitary sewer
14 system is constructed by the township.

8 adoption by the several townships, cities and boroughs defining
9 the advisory and administrative powers of the board; setting
10 forth the consents of the several townships, cities, and
11 boroughs to the proposed improvement; the manner, which shall
12 not be inconsistent with the provisions of this act, in which
13 preliminary and final plans, specifications, and estimates for
14 the proposed improvement shall be prepared and adopted; and in
15 which proposals for bids shall be advertised, and contracts let;
16 the manner in which the costs of the improvement and other
17 incidental and preliminary expenses in connection therewith, and

23 maintenance and operation thereof. But nothing herein contained
24 shall authorize the board to make any improvement or expend any
25 public moneys which has not first been authorized by all of the
26 townships, cities, and boroughs proceeding with the improvement.

27 (d) In any case where it shall be necessary to acquire,
28 appropriate, damage, or destroy private property to build any

14 may contract with other municipal corporations providing for the
15 joint construction or maintenance of sanitary sewer systems and
16 for the connection onto existing sanitary sewer systems. The
17 agreements shall provide for the apportionment of costs among
18 the municipal corporations. The board of supervisors may assess
19 the township's respective portions of the costs, as may be
20 legally assessable, upon property benefited by the facilities.
21 Any portion of the cost not assessed or assessable shall be paid
22 by the respective municipal corporations under the agreement.

23 (b) The municipal corporations joining or contemplating

27 a joint sanitary sewer board composed of one representative from
28 each of the municipal corporations joining which shall act
29 generally as the advisory and administrative agency in the
30 construction of the improvement and its subsequent operation and

11 board shall receive compensation for attending board meetings as
12 established in the budget that is prepared by the joint sanitary
13 sewer board and submitted to and adopted by the municipal
14 corporations. The budget item providing for the compensation to
15 members for attending meetings shall not exceed a total of two
16 hundred and fifty dollars (\$250) for each member in each year,
17 but the members shall be entitled to actual expenses to be paid

19 (c) The joint sanitary sewer board may adopt rules and
20 regulations to govern its proceedings and prepare and suggest
21 measures and plans under which the joint improvement may be
22 completed and for the future development of the system. It may
23 prepare a joint agreement or agreements for submission to and
24 adoption by the municipal corporations defining the advisory and
25 administrative powers of the joint sanitary sewer board and
26 setting forth: the consents of the municipal corporations to the
27 proposed improvement; the manner in which preliminary and final
28 plans, specifications and estimates for the proposed improvement
29 shall be prepared and adopted and in which proposals for bids
30 shall be advertised and contracts let; the manner in which the

1 costs of the improvement and other incidental and preliminary
2 expenses in connection therewith, and the future cost of
3 operation and maintenance, shall be equitably shared,
4 apportioned and paid; and all other matters, including the
5 preparation and submission of annual and other budgets, that are
6 necessary or required by law to complete the proposed
7 improvement and to assure future maintenance and operation
8 thereof. The board may not make any improvement or spend any
9 public moneys which have not first been authorized by all of the
10 municipal corporations proceeding with the improvement.

11 (d) When it is necessary to acquire, appropriate, damage or

13 system or improvement and the property cannot be acquired by
14 purchase or gift, the right of eminent domain shall vest in the
15 municipal corporation where the property is located. When it is
16 necessary to acquire, damage or destroy property in any
17 territory not within the limits of any of the municipal
18 corporations joining in the improvement, the right of eminent
19 domain shall be vested in the municipal corporation adjacent to
20 the territory where the property is located. Damages for any
21 property that is taken, damaged or destroyed shall be assessed
22 under laws relating to the municipal corporations exercising the
23 right of eminent domain and shall be paid by the municipal
24 corporations joining in the same proportion as other costs of
25 the improvements.

2 municipality within such township, or any part thereof. The
3 contract shall provide how and in what manner the cost of such
4 water service shall be paid by the consumers thereof.

5 (b) In addition to the provisions of subsection (a), the
6 supervisors of any township may purchase or acquire a privately
7 owned waterworks system to provide for a supply of water for
8 public and private uses. If a privately owned water company
9 fails to render service as required by the Pennsylvania Public
10 Utility Commission, the supervisors of the township in which
11 such water company is located may, with the approval of the
12 Pennsylvania Public Utility Commission, exercise the right of
13 eminent domain to acquire the waterworks system of such water
14 company so as to provide a supply of water for public and

30 the Pennsylvania Public Utility Commission, exercise the right

of eminent domain to acquire the water system of the water
company to provide water for public and private uses.

(c) Any township may, by agreement, connect with an existing
water system owned by any adjacent municipal corporation. When
any township desires to connect with the existing water system
of any adjacent municipal corporation and no agreement has been
reached between the township and the adjacent municipal
corporation, a petition seeking approval of the connection shall
be presented by the board of supervisors to the court of common
pleas. The court shall set a day for hearing upon the petition
and shall direct public notice be given to all interested
parties. If the court is of the opinion that the connection can
be made without impairing the usefulness of the existing water
system, it shall appoint three viewers to view the premises,

7 regulate the making of connections therewith.

8 [Section 1602.1. Connection to Water Supply System.--The
9 supervisors may require that abutting property owners of a water
10 supply system connect with and use the same except those
11 industries and farms who have their own supply of water for uses
12 other than human consumption. In case any owner of property
13 except those previously excepted abutting such water system

21 owners of property abutting thereto to make connection
22 therewith. The supervisors may, by ordinance, impose penalties

13 construction of the connection.

14 Section 1602.4. Default in Payment of Installment.--In case
15 of default in the payment of any installment and interest for a
16 period of sixty days after the same shall become due, the entire
17 cost of construction of connection and accrued interest shall
18 become due; and, the township solicitor shall proceed to collect
19 the same under the general laws relating to the collection of
20 municipal claims.

20 Department of Environmental Resources and a written permit for
21 the construction of the system is obtained from the Department
22 of Environmental Resources.

23 [Section 1605. Occupation of Highways.--In providing for
24 regulating, protecting, and extending its system of distribution
25 of water, the township may occupy public highways, but no
26 highway under the jurisdiction of the Department of Highways

12 each property shall be ascertained as hereinafter provided.

13 When there is more than one district, the assessment in each
14 district may be by different methods.]

15 Section 2612. Assessment.--The board of supervisors may
16 provide for the payment of the cost of water lines or water
17 systems in the township or in districts thereof by an assessment
18 upon the properties accommodated or benefited by one of the
19 following methods:

20 (1) By an assessment, under a resolution or ordinance of the
21 board of supervisors, of each lot or piece of land in proportion
22 to its frontage abutting on the water mains, allowing an
23 equitable reduction in the case of corner properties and
24 unusually shaped properties or in the case of properties
25 abutting on more than one main as the resolution or ordinance
26 may specify.

27 (2) By an equal assessment on all properties abutting on the
28 mains in proportion to the total cost of construction. The
29 amount of the charge on each property shall be determined by the
30 board of supervisors.

1 [Section 1611. Procedure for Assessment of Benefits.--In all
2 cases where the board of supervisors shall select the method
3 provided in subsection (b) of the foregoing section, they shall
4 petition the court of common pleas for appointment of viewers to
5 assess benefits. In all cases where they shall neglect for a
6 period of three months after the completion of the water system
7 to either ordain assessments by frontage or present petition for
8 appointment of viewers, taxpayers of the district or districts
9 affected whose property valuation, as assessed for taxable
10 purposes within the district, shall amount to fifty per centum
11 of the total property valuation, so assessed may present a
12 petition to the court of common pleas of the proper county for
13 the appointment of viewers to assess benefits; and, in all
14 cases, where such taxpayers shall, within three months of the
15 adoption of a resolution levying an assessment under the method
16 provided by subsection (a) of said foregoing section, by
17 petition, state to said court that such assessment
18 insufficiently represents the benefits accruing to abutting
19 properties, they may include in such petition a prayer for the
20 appointment of viewers to assess benefits. In either case, the
21 court shall thereupon appoint three disinterested persons from
22 the board of county viewers, none of whom shall be a resident of
23 that portion of the township which is accommodated by the water
24 system in question, and the viewers so appointed shall proceed
25 as provided in this act for proceedings for the assessment of
26 damages and benefits by viewers. The aggregate of the
27 assessments in any water district shall not exceed the amount
28 charged to such district for its share of the cost of the water
29 system construction unless the same shall, by petition of
30 taxpayers whose property valuation as aforesaid shall amount to

1 fifty per centum of the total property valuation, as assessed
2 for taxable purposes within the districts affected, presented
3 within three months after the adoption of a resolution or
4 ordinance providing for an assessment by frontage, be stated to
5 insufficiently represent the amount of benefits to such
6 properties, in which case the proceedings by taxpayers
7 authorized above shall be applicable. Upon the filing of such a
8 petition by taxpayers, as aforesaid, for appointment of viewers,
9 any assessment made by the supervisors and any proceedings
10 thereunder shall be stayed pending the disposition of the
11 petition by the court.]

12 Section 2613. Procedure for Assessment.--If any taxpayer or
13 taxpayers, by petition, within three months of the adoption of a
14 resolution or ordinance levying an assessment under section
15 2612, state to the court of common pleas that the assessment
16 insufficiently represents the benefits accruing to abutting
17 properties, they may include in the petition a request for the
18 appointment of viewers to assess benefits. The court shall
19 appoint three disinterested persons from the board of county
20 viewers, none of whom shall be a resident of that portion of the
21 township which is accommodated by the water system in question,
22 and the viewers shall proceed under this act for the assessment
23 of damages and benefits by viewers. Upon the filing of the
24 petition by taxpayers, any assessment made by the board of
25 supervisors and any proceedings shall be stayed pending the
26 disposition of the petition by the court.

27 [Section 1612. Liens for Assessments; Costs of
28 Proceedings.--After the amount of the assessment charged upon
29 the several properties has been established, either by
30 resolution or ordinance making assessments according to

1 frontage, or by confirmation of any report of viewers in whole
2 or in part, it shall be the duty of the township supervisors to
3 file municipal liens for the assessments covered by such
4 resolution, ordinance or confirmation within the time and in the
5 manner provided by law, the same to be subject in all respects
6 to the general law providing for the filing and recovery of
7 municipal liens. The amounts of all assessments shall be payable
8 to the township treasurer for the use of the township. The
9 supervisors shall also make out bills for the amount charged
10 against each property, which shall be forthwith sent to all
11 property owners affected residing in the township, and mailed to
12 all such owners residing elsewhere whose address is known.

13 The costs of publication of notices in proceedings before
14 viewers shall be paid by the township upon presentation of bills
15 approved by the court.]

16 Section 2614. Liens for Assessments; Costs of Proceedings.--
17 After the amount of the assessment charged upon the several
18 properties has been established by resolution making assessments
19 according to frontage or by confirmation of any report of
20 viewers, in whole or in part, the board of supervisors shall
21 file municipal liens for the assessments covered by the
22 resolution or confirmation. The amounts of all assessments are
23 payable to the township treasurer. The board of supervisors
24 shall also make out bills for the amount charged against each
25 property, which shall be sent to all property owners.

9 surface water runoff which may have been established or
10 constructed by any property owner in the township or establish,
11 construct and maintain systems or facilities in the best
12 interest of the township.

13 (b) If the board of supervisors and the owners of systems
14 can agree upon a price to be paid by the township, the purchase
15 may be consummated if the amount to be paid does not exceed the
16 actual value of the facilities to be transferred.

17 (c) If the board of supervisors acquires the system by the
18 exercise of eminent domain, the damages shall be determined by
19 viewers under this act for eminent domain proceedings.

20 Section 2703. System Management.--(a) When exercising the
21 powers under this article, the board of supervisors shall manage
22 storm water originating in or passing through the township in a
23 manner which is consistent with the requirements of the act of
24 October 4, 1978 (P.L.864, No.167), known as the "Storm Water
25 Management Act," and the storm water management guidelines and
26 any regulations which may be adopted by the Department of
27 Environmental Resources.

28 (b) All storm water management activities undertaken must be
29 consistent with any watershed storm water management plan when
30 the plan has been approved by the Department of Environmental

1 Resources.

2 (c) When storm water management activities are undertaken in
3 watersheds for which there is no approved storm water management
4 plan, all drawings, documents, profiles and designs and
5 descriptions of the proposed activities to be undertaken by the
6 township shall be submitted to the county conservation district
7 for review and comment before the initiation of earthmoving
8 activities. The conservation district shall have thirty days to
9 review and respond with comments to the board of supervisors.
10 Failure to respond within that time constitutes favorable
11 comment by the conservation district.

12 Section 2704. Ordinances.--The board of supervisors may
13 enact storm water management ordinances and require persons
14 conducting earthmoving activities to obtain approval from the
15 board of supervisors for those activities. Ordinances must be
16 consistent with watershed storm water management plans where
17 they exist and in all cases must be consistent with the act of
18 October 4, 1978 (P.L.864, No.167), known as the "Storm Water
19 Management Act."

12 exceeding six per centum and issue bonds therefor.

13 Section 1703. Unloaders and Warehouses.--Townships may
14 purchase or lease land within or without the limits of such
15 townships, and erect thereon suitable unloaders, warehouses, or
16 other buildings as may be necessary for unloading, handling, and

18 incurred in the operation of such parks, recreation areas and
19 facilities, established as herein provided, shall be payable
20 from the general township fund or from the treasury of such

2 direction of the Department of Forests and Waters, in accordance
3 with the practices and principles of scientific forestry, for
4 the benefit of the township. Such tracts may be of any size
5 suitable for the purpose, and may be located within or without
6 the township limits.

7 Section 1909. Approval of Secretary of Forests and Waters.--
8 Before the passage of any ordinance for the acquisition of land
9 to be used as township forests, the township supervisors shall
10 submit to the Department of Forests and Waters and secure its
11 approval of the area and location of such land.

12 Section 1910. Resolution and Notice.--Whenever the township
13 supervisors deem it expedient to acquire any lands for forests,
14 they shall so declare by an ordinance, wherein shall be set
15 forth all facts and conditions relating to the proposed action.

16 Section 1911. Appropriation for Acquisition.--All money
17 necessary for the purchase of such tracts shall be appropriated
18 in the same manner as appropriations for township purposes, and
19 such funds may be provided from the current revenue or by the
20 proceeds of a sale of general obligation bonds in accordance
21 with existing law.

22 Section 1912. Control of Forests by Secretary of Forests and
23 Waters.--Upon the acquisition of any forests or lands suitable
24 for forests, the township supervisors shall notify the
25 Department of Forests and Waters, which shall make such rules
26 for the government and proper administration of the same as may
27 be deemed necessary; and the department shall publish such
28 rules, declare the uses of the forest in accordance with the
29 intent of this article, and make such provision for its
30 administration, maintenance, protection, and development as

1 shall be deemed necessary or expedient. The rules governing the
2 administration of such forests shall have for their main purpose
3 the producing of a continuing township revenue by the sale of
4 forest products.

5 Section 1913. Appropriation for Maintenance.--All moneys
6 necessary to be expended for the administration, maintenance,
7 protection, and development of such forests shall be
8 appropriated and applied as is now done for township purposes.
9 All revenue and emoluments arising from such forests shall be
10 paid into the general township fund.

11 Section 1914. Use of Township Forests as Outing Grounds.--
12 Township forests may be used by the public as general outing or
13 recreation grounds, subject to the rules of the Department of
14 Forests and Waters governing their administration, and rules
15 adopted by the supervisors, not inconsistent with law and the
16 rules of the department.

17 Section 1915. Disposition of Township Forests; Procedure;
18 Ordinance; Submission of Question.--Whenever the township
19 supervisors deem it expedient to sell or lease any forest, or
20 part thereof, or products therefrom, they shall so declare by an
21 ordinance, wherein shall be set forth all the facts and
22 conditions relating to the proposed action. No ordinance shall
23 be effective in legalizing such alienation until it has been
24 approved by a majority vote of the people at the next ensuing
25 election.

26 Section 1916. Appropriation of Moneys to Forestry
27 Organizations.--The supervisors of any township may appropriate
28 moneys from the General Township Fund to any forest protection
29 association cooperating in forest work with the Department of
30 Forests and Waters, or to be expended in direct cooperation with

1 such department in forest work.

2 Section 1917. Approval of Electors for Acquisition of
3 Land.--The township supervisors hereby are authorized, on behalf
4 of the township, to accept the title to lands which may be
5 donated to the township for any of the purposes mentioned in
6 this article, but none of the other powers conferred upon them
7 by sections one thousand nine hundred and eight to one thousand
8 nine hundred and sixteen inclusive of this article shall be
9 exercised by them except after the approval thereof by the
10 electors of said township at an election for the purpose held on
11 a regular municipal election day, of which election notice shall
12 be given by publication in a newspaper of general circulation in
13 the county in which the township is located, said publication to

24 actions of the board of health. Such health officer or
25 inspector, whether appointed by the board of supervisors or by

21 unlawful the evading of advertising requirements by making a
22 series of purchases or contracts each for less than the
23 advertising requirement price, or by making several simultaneous
24 purchases or contracts each below the required advertising
25 price, when the transactions involved should have been made as

6 transaction and that it is being divided in order to evade the
7 requirements as to advertising for bids commits a misdemeanor of
8 the third degree for each contract entered into as a direct

13 (\$5,000) is awarded to any prime contractor or construction
14 manager for the construction, reconstruction, alteration or
15 repair of any building or other public work or public
16 improvement of the township, the contractor shall furnish to the
17 township a payment bond for the protection of claimants
18 supplying labor or materials to the prime contractor to whom the
19 contract is awarded, at one hundred percent of the contract
20 amount, conditioned for the prompt payment of all materials
21 furnished or labor supplied or performed in the prosecution of
22 the contract under the act of December 20, 1967 (P.L.869,

1 be bound by any terms and conditions the township prescribes.

2 Section 3107. Separate Specifications for Branches of
3 Work.--In the preparation of specifications for the erection or
4 alteration of any public building, when the entire cost of the
5 work exceeds the advertising requirement price, the architect,
6 engineer or person preparing the specifications shall prepare
7 separate specifications for the plumbing, heating, ventilating
8 and electrical work, and the township shall receive separate
9 bids upon each of those branches of work and award the contract
10 to the lowest bidder.

11 Section 3108. Workers' Compensation Insurance.--(a) All
12 contracts executed by any township which involve the
13 construction or performance of any work involving the employment
14 of labor shall contain a provision that the contractor shall
15 accept, and file with the township proof of compliance with or
16 exemption from, insofar as the work covered by the contract is
17 concerned, the act of June 2, 1915 (P.L.736, No.338), known as
18 the "Workers' Compensation Act."

19 (b) Any contract executed in violation of this section is
20 void.

21 Section 3109. Engineers and Architects Not to be Interested
22 in Contracts.--(a) No architect or engineer in the employ of a
23 township and engaged in the preparation of plans, specifications
24 or estimates may bid on any public work at any letting of the
25 work in the township.

26 (b) An officer of a township who is charged with letting any
27 public work may not award a contract to any architect or
28 engineer in the employ of the township.

29 (c) An architect or engineer in the employ of a township may
30 not be interested in any contract for public work in the

1 township or receive any remuneration or gratuity from any person
2 interested in any contract except under section ~~3102(k)~~ 3102(L). <—

7 Section 3201. Fiscal Year.--The fiscal year in townships
8 commences on the first day of January in each year. All
9 receipts, disbursements, contracts and purchases shall be
10 entered as of record in the fiscal year in which made.

11 Section 3202. Annual Budget.--(a) The board of supervisors
12 shall annually prepare a proposed budget for all funds for the
13 ensuing fiscal year. The proposed budget shall reflect as nearly
14 as possible the estimated revenues and expenses of the township
15 for the year for which the budget is prepared. A township shall
16 not prepare and advertise notice of a proposed budget when it is
17 knowingly inaccurate. Upon any revision of the proposed budget,
18 if the estimated revenues or expenses in the final budget are
19 increased more than ten percent in the aggregate or more than
20 twenty-five percent in any major category over the proposed
21 budget, it may not be legally adopted with those increases
22 unless it is again advertised once, the same as the original
23 proposed budget, and an opportunity given to taxpayers to
24 examine the amended proposed budget. A major category is a group
25 of related revenue or expense items, the combined total of which
26 is listed as a line item on the annual budget forms furnished by
27 the Department of Community Affairs under section 3203. The
28 budget shall be prepared on a uniform form prepared and
29 furnished under section 3203. The estimates in the budget shall
30 specify the amount of money necessary for each governmental

1 activity of the township for which a special tax levy may or may
2 not be authorized and the amount of money necessary for the
3 payment of debts and other miscellaneous purposes.

4 (b) Upon the preparation of the proposed budget, the board
5 of supervisors shall give public notice by advertisement once in
6 one newspaper of general circulation in the township that the
7 proposed budget is available for public inspection at a
8 designated place in the township. After the proposed budget has
9 been available for public inspection for twenty days, the board
10 of supervisors shall, after making revisions as are appropriate,
11 adopt the final budget not later than the thirty-first day of
12 December and the necessary appropriation measures required to
13 put it into effect.

14 (c) The total appropriation shall not exceed the revenues
15 estimated as available for the fiscal year. The board of
16 supervisors shall, within fifteen days after the adoption of the
17 budget, file a copy of the budget with the Department of
18 Community Affairs.

19 (d) During the month of January next following any municipal
20 election, the board of supervisors may amend the budget and the
21 levy and tax rate to conform with its amended budget. A period
22 of ten days' public inspection at the office of the township
23 secretary of the proposed amended budget, after notice by the
24 township secretary to that effect is published once in a
25 newspaper of general circulation in the township, shall
26 intervene between the adoption of the proposed amended budget
27 and the final adoption of the amended budget. Any amended budget
28 must be adopted by the board of supervisors on or before the
29 fifteenth day of February. No proposed amended budget shall,
30 before final adoption, be revised upward in excess of ten

1 percent in the aggregate or in excess of twenty-five percent of
2 the amount of any major category in the proposed amended budget.
3 A major category is a group of related revenue or expense items,
4 the combined total of which is listed as a line item on the
5 annual budget forms furnished by the Department of Community
6 Affairs under section 3203. Within fifteen days after the
7 adoption of an amended budget, the township secretary shall file
8 a copy of it with the Department of Community Affairs.

9 (e) The board of supervisors may, by resolution, make
10 supplemental appropriations for any purpose from any funds on
11 hand or estimated to be received within the fiscal year and not
12 otherwise appropriated, including the proceeds of any borrowing
13 authorized by law. Supplemental appropriations may be made
14 whether or not an appropriation for that purpose was included in
15 the original budget as adopted.

16 (f) The board of supervisors may, by resolution, transfer
17 unencumbered moneys from one township account to another, but no
18 moneys may be transferred from the fund allocated for the
19 payment of debts or from any fund raised by a special tax levy
20 or assessment for a particular purpose. Transfers shall not be
21 made during the first three months of the fiscal year. No moneys
22 shall be paid out of the township treasury except upon
23 appropriation made according to law.

24 Section 3203. Uniform Report Forms.--(a) The uniform forms
25 for the annual budget and the annual financial statement
26 required to be made by the auditors shall be prepared by a
27 committee consisting of four representatives of the State

29 from the Department of Transportation and the Department of
30 Community Affairs.

1 (b) Representatives of the State Association of Township
2 Supervisors shall be appointed by the president of that
3 organization. The representatives may be township supervisors,
4 auditors or secretaries and should represent townships in the

6 Association of Township Supervisors shall supply to the
7 Department of Community Affairs the names and addresses of the
8 representatives immediately upon their appointment.

9 (c) Representatives of the townships shall serve without
10 compensation but shall be reimbursed by the Commonwealth for all
11 necessary expenses incurred in attending meetings of the
12 committee from appropriations made to the Department of
13 Community Affairs. The committee shall meet at the call of the
14 Secretary of Community Affairs, or an agent of the secretary,
15 who shall chair the committee.

16 (d) In preparing the uniform forms, the committee shall give
17 careful consideration to the fiscal needs and procedures of
18 townships of the various population groups, producing separate
19 forms, if necessary, to meet the needs of townships of varying
20 sizes. The form for annual reports shall contain the information
21 required to be furnished under this act and any other
22 information the committee believes proper and shall be arranged
23 to correlate with the forms for the budget, respecting order of
24 items and division of revenues by major classifications and
25 disbursements by major functions. The committee shall also
26 prescribe the form of the statement summarizing the annual
27 report which is required to be published under this act.

28 (e) The Department of Community Affairs shall prepare and
29 furnish the forms required by this act in cooperation with the
30 committee. If the committee fails to cooperate, the Department

of Community Affairs shall issue the forms and distribute them
annually, as needed, to the proper township officers.

Section 3204. Investment of Township Funds.--(a) The board
of supervisors may:

(1) Make investment of township sinking funds as authorized
by the act of July 12, 1972 (P.L.781, No.185), known as the

1 recording and crediting of the earnings therefrom are adhered
2 to.

4 board of supervisors may, by resolution, levy taxes upon all

7 county purposes, for the purposes and at the rates specified in
8 this section. All taxes shall be collected in cash.

9 (1) An annual tax, not exceeding fourteen mills, for general

14 (2) An annual tax, not exceeding five mills, to light the

3 collector. The tax collector shall give thirty days' notice that
4 the assessments are due and payable. The notice shall state the
5 due date to each party assessed and be served by mailing to the
6 owner, occupant or tenant of the property. The tax collector is
7 entitled to the same commission for the collection of these
8 assessments as for the collection of the general township tax.
9 If any assessment remains unpaid ninety days after the due date,
10 it shall be turned over to the township solicitor for collection
11 by action in assumpsit for the amount of the unpaid assessment,
12 plus interest established by the board of supervisors from the
13 date the assessment was due and all costs incurred in the
14 collection of the assessment. Assessments, when collected, shall
15 be paid over to the township treasurer, who shall deposit and
16 keep them in a separate account, to be paid out only for
17 expenses incurred in providing the service. Each special
18 assessment account shall be audited by the board of auditors of
19 the township.

20 Section 3302. Assessments Collected by Township Treasurer.--

21 (a) When any assessment for construction, maintenance and
22 repair of street, sewer, water, sidewalks, curbs or other
23 service is implemented by the board of supervisors, the
24 collection of which is not charged to the tax collector, the
25 assessments for the service shall be filed with the township
26 treasurer. The township treasurer shall give thirty days' notice
27 that the assessments are due and payable. The notice shall state
28 the due date to each party assessed and shall be served by
29 mailing it to the owner of the property. If any assessment
30 remains unpaid ninety days after the due date, it shall be

2 an action in assumpsit for recovery or a municipal lien filed
3 against the property of the delinquent owner for the amount of
4 the unpaid assessment, plus interest established by the board of
5 supervisors from the date the assessment was due. If an owner
6 has two or more lots against which there is an assessment for
7 the same year, the lots shall be embraced in one claim. Upon
8 receipt of payment of assessments, the township treasurer shall
9 deposit the assessments in a separate account, to be paid out
10 only for expenses incurred in providing the service. Each
11 special assessment account shall be audited by the board of
12 auditors of the township.

13 (b) When any assessment for refuse collection or other
14 service is charged against the owners, occupants or tenants of
15 property within the township, the collection of which is not
16 charged to the tax collector, the assessments shall be filed
17 with the township treasurer. The township treasurer shall give
18 thirty days' notice that the assessments are due and payable.
19 The notice shall state the due date to each party assessed and
20 be served by mailing it to the owner, occupant or tenant of the
21 property. If any assessment remains unpaid ninety days after the

23 collection by action in assumpsit for the amount of the unpaid
24 assessment, plus interest established by the board of
25 supervisors from the date the assessment was due and all costs
26 incurred in the collection of the assessment. Upon receipt of
27 the assessments, the township treasurer shall deposit and keep

7 is assessed against the properties benefited, improved or
8 accommodated by the sewer or system of sewers, or curbing or
9 sidewalks, or water supply, or abutting upon the street or
10 portion thereof, the board of supervisors may authorize the
11 payment of the assessment in equal annual or more frequent
12 installments. The ordinance shall specify the length of time
13 over which the installments may be extended and whether payments
14 are to be made by annual or more frequent installments.

15 Installments shall bear interest at a rate not to exceed six
16 percent or ~~an amount sufficient to cover~~ A HIGHER AMOUNT EQUAL <—
17 TO the amount of interest on the indebtedness, if any,
18 commencing at the time established by ordinance. If bonds have
19 been issued and sold to provide for the payment of any street
20 improvement, the assessments shall not be payable beyond the
21 term for which the bonds are issued, and the expenses for the
22 improvements, and interest thereon to the first day when
23 interest is payable on the bonds, shall be taken as the cost of
24 the improvement to be assessed on the property benefited.

25 (b) Claims to secure the assessments shall be entered in the
26 prothonotary's office of the county at the same time and in the
27 same form and shall be collected in the same manner as municipal
28 claims are filed and collected.

29 (c) Assessments are payable to the township treasurer in
30 quarterly, semi-annual or annual installments, with interest

1 from the date from which interest is computed on the amount of
2 the assessments.

3 (d) If there is a default in the payment of any installment
4 and interest for a period of sixty days after it becomes due,
5 the entire assessment and accrued interest shall become due, and
6 the township solicitor shall proceed to collect the assessment
7 under the general laws relating to the collection of municipal
8 claims.

9 (e) Any owner of property against whom any assessment is
10 made may pay the assessment in full, at any time, with interest
11 and costs thereon to the due date of the next installment, and
12 that payment shall discharge the lien.
