2   Section 70.   York County (Reserved).

3   Section 71.   Estimated useful life of projects.

4       The General Assembly states the estimated useful life of the  
5   projects heretofore itemized is 30 years.

6   Section 72.   Federal funds.

7       All moneys received from the Federal Government for the  
8   construction of the public highway projects specifically  
9   itemized herein are also hereby appropriated for those projects.

10   Section 73.   Construction.

11       Amounts contained in this act for any project shall not  
12   supplant or replace any Federal funds authorized by any Federal  
13   law or regulation. Funding from this act for any project is  
14   available only to the extent that Federal funds are not  
15   available for such project.

16   Section 74.   Allocation of funds.

17       Whenever as determined by the Department of Transportation  
18   that the full estimated financial costs of the projects itemized  
19   in sections 4 through 70 are not necessary for the proper  
20   design, acquisition or construction of such projects, the excess  
21   funds no longer required may be allocated by the Department of  
22   Transportation to increase the estimated costs of any one or  
23   more of the projects specifically itemized in a capital budget.

24   Section 75.   Effective date.

25       This act shall take effect immediately.
