25 The General Assembly of the Commonwealth of Pennsylvania
26 hereby enacts as follows:

27 ~~CHAPTER 1~~
28 ~~GENERAL PROVISIONS~~
29 ~~Section 101. Short title.~~

30 ~~This act shall be known and may be cited as the~~

1 ~~Intergovernmental Cooperation Authority Act for Cities of the~~
2 ~~Second Class.~~

3 ~~Section 102. Purpose and legislative intent.~~

4 ~~(a) Policy. It is hereby declared to be a public policy of~~
5 ~~the Commonwealth to exercise its retained sovereign powers with~~
6 ~~regard to taxation and matters of Statewide concern in a manner~~
7 ~~calculated to foster the fiscal integrity of cities of the~~
8 ~~second class to assure that these cities provide for the health,~~
9 ~~safety and welfare of their citizens; pay principal and interest~~
10 ~~owed on their debt obligations when due; meet financial~~
11 ~~obligations to their employees, vendors and suppliers; and~~
12 ~~provide for proper financial planning procedures and budgeting~~
13 ~~practices. The inability of a city of the second class to~~
14 ~~provide essential services to its citizens as a result of a~~
15 ~~fiscal emergency is hereby determined to affect adversely the~~
16 ~~health, safety and welfare not only of the citizens of that~~
17 ~~municipality but also of other citizens in this Commonwealth.~~

18 ~~(b) Legislative intent.~~

19 ~~(1) It is the intent of the General Assembly to:~~

20 ~~(i) provide cities of the second class with the~~
21 ~~legal tools with which such cities can perform essential~~
22 ~~municipal services; and~~

23 ~~(ii) foster sound financial planning and budgetary~~
24 ~~practices for cities of the second class, which cities~~
25 ~~shall be charged with the responsibility to exercise~~
26 ~~efficient and accountable fiscal practices, such as:~~

27 ~~(A) increased managerial accountability;~~

28 ~~(B) consolidation or elimination of inefficient~~
29 ~~city programs and authorities;~~

30 ~~(C) reevaluation of tax exemption policies with~~

1 ~~regard to real property taxes;~~

2 ~~(D) increased collection of existing tax~~
3 ~~revenues;~~

4 ~~(E) privatization of appropriate city services;~~

5 ~~(F) sale of city assets as appropriate;~~

6 ~~(G) improvement of procurement practices,~~
7 ~~including competitive bidding procedures; and~~

8 ~~(H) review of compensation and benefits of city~~
9 ~~employees; and~~

10 ~~(iv) exercise its powers consistent with the rights~~
11 ~~of citizens to home rule and self-government.~~

12 ~~(2) The General Assembly further declares that this~~
13 ~~legislation is intended to remedy the apparent fiscal~~
14 ~~emergency confronting cities of the second class through the~~
15 ~~implementation of sovereign powers of the Commonwealth. To~~
16 ~~safeguard the rights of the citizens to the electoral process~~
17 ~~and home rule, the General Assembly intends to exercise its~~
18 ~~power in an appropriate manner with the elected officers of~~
19 ~~cities of the second class.~~

20 ~~Section 103.—Legislative findings.~~

21 ~~It is hereby determined and declared as a matter of~~
22 ~~legislative finding that:~~

23 ~~(1) Cities of the second class have encountered~~
24 ~~recurring financial difficulties which may affect the~~
25 ~~performance of necessary municipal services to the detriment~~
26 ~~of the health, safety and general welfare of residents of~~
27 ~~such cities.~~

28 ~~(2) It is critically important that cities of the second~~
29 ~~class maintain their creditworthiness.~~

30 ~~(3) Due to the economic and social interrelationship~~

1 ~~among all citizens in our economy, the fiscal integrity of~~
2 ~~cities of the second class is a matter of concern to~~
3 ~~residents of the entire Commonwealth, and the financial~~
4 ~~problems of such cities have a direct and negative effect on~~
5 ~~the entire Commonwealth.~~

6 ~~(4) Because cities of the second class consume a~~
7 ~~substantial proportion of the products of Pennsylvania's~~
8 ~~farms, factories, manufacturing plants and service~~
9 ~~enterprises, economic difficulties confronting cities of the~~
10 ~~second class detrimentally affect the economy of the~~
11 ~~Commonwealth as a whole and become a matter of Statewide~~
12 ~~concern.~~

13 ~~(5) Because residents of cities of the second class~~
14 ~~contribute a substantial proportion of all Commonwealth tax~~
15 ~~revenues, a disruption of the economic and social life of~~
16 ~~such cities may have a significant detrimental effect upon~~
17 ~~Commonwealth revenues.~~

18 ~~(6) The financial difficulties of cities of the second~~
19 ~~class can best be addressed and resolved by cooperation~~
20 ~~between governmental entities.~~

21 ~~(7) The Constitution of Pennsylvania grants~~
22 ~~municipalities authority to cooperate with other governmental~~
23 ~~entities in the exercise of any function or responsibility.~~

24 ~~(8) The Commonwealth retains certain sovereign powers~~
25 ~~with respect to cities of the second class, among them the~~
26 ~~powers to authorize and levy taxes, to authorize the~~
27 ~~incurring of indebtedness and to provide financial assistance~~
28 ~~that may be necessary to assist cities in solving their~~
29 ~~financial problems.~~

30 ~~(9) The Commonwealth may attach conditions to grants of~~

~~authority to incur indebtedness or assistance to cities of the second class in order to ensure that deficits are eliminated and access to capital markets is achieved and maintained.~~

~~(10) Such conditions shall be incorporated into intergovernmental cooperation agreements between the Commonwealth or its instrumentalities and cities of the second class.~~

~~(11) Cities of the second class and the Commonwealth will benefit from the creation of an independent authority composed of members experienced in finance and management which may advise such cities, the General Assembly and the Governor concerning solutions to fiscal problems cities of the second class may face.~~

~~(12) The creation of such an authority will allow such cities to continue to provide the necessary municipal services for their residents and to contribute to the economy of the Commonwealth.~~

28 ~~authorized to make such employees available. The board may~~
29 ~~retain an executive director. The board may hire an independent~~
30 ~~general counsel to the authority and may engage consultants and~~

~~(20) To receive and hold assets, moneys and funds from any source, including, but not limited to, appropriations, grants, gifts.~~

~~(21) To procure insurance, guarantees and sureties the authority determines necessary or desirable for its purposes.~~

~~(22) To pledge the credit of the authority as the authority determines necessary or desirable for its purposes.~~

~~(23) To do all acts and things necessary or convenient for the promotion of its purposes and the general welfare of the authority and to carry out the powers granted to it by this act or any other acts.~~

~~(d) Intergovernmental cooperation agreements. The authority shall have the power and its duty shall be to enter into and to implement fully such intergovernmental cooperation agreements with cities as are approved by a majority of the board. The following shall apply:~~

~~(1) A city may enter into an intergovernmental cooperation agreement in which it, consistent with this act, covenants to cooperate or agree in the exercise of any function, power or responsibility with, or delegate or transfer any function, power or responsibility to, the authority upon the adoption by the governing body of such city of an ordinance authorizing and approving the intergovernmental cooperation agreement.~~

~~(2) An ordinance that authorizes a city to enter into an intergovernmental cooperation agreement with the authority shall specify:~~

~~(i) the purpose and objectives of the agreement;~~

~~(ii) the conditions of the agreement; and~~

~~(iii) the term of the agreement, including provisions relating to its termination.~~

~~(e) Limitation. Notwithstanding any purpose or general or specific power granted by this act or any other act, whether express or implied, the authority shall have no power to pledge the credit or taxing powers of the Commonwealth.~~

~~Section 204. Term of existence.~~

~~The authority shall exist for a term of at least seven years. If, after seven years, an assisted city has had annual operating budgets and five-year financial plans approved by the board for at least the three immediately preceding years, the Secretary of Community and Economic Development shall certify that the authority is no longer needed; and the provisions of this chapter will no longer be in effect 90 days following that certification. Upon termination of the authority, records and documents of the authority shall be transferred to the director of finance of the city. The authority shall submit a final report on its activities and the financial condition of the city and its corporate entities to the Governor and General Assembly within 60 days of its termination.~~

~~Section 205. Fiscal year.~~

~~The fiscal year of the authority shall be the same as the fiscal year of the Commonwealth.~~

~~Section 206. Annual budget of authority.~~

~~(a) Budget. Before March 1 of each year, the authority~~

1 ~~shall adopt a budget by a majority of the board setting forth in~~
2 ~~reasonable detail the projected expenses of operation of the~~
3 ~~authority for the ensuing fiscal year, including the salary and~~
4 ~~benefits of the executive director and any other employees of~~
5 ~~the authority, and the projected revenues of the authority to be~~
6 ~~derived from investment earnings and any other moneys of the~~
7 ~~authority which are estimated to be available to pay the~~
8 ~~operating expenses set forth in the budget. A copy of the~~
9 ~~authority's budget shall be submitted to the Governor and to the~~
10 ~~General Assembly. The authority or its designated~~
11 ~~representatives may be afforded an opportunity to appear before~~
12 ~~the Governor and the Appropriations Committee of the Senate and~~
13 ~~the Appropriations Committee of the House of Representatives~~
14 ~~regarding the authority's budget.~~

15 ~~(b) Limit on operating expenses. Following the submission~~
16 ~~of the authority's budget to the Governor and the General~~
17 ~~Assembly and any hearing held by an appropriations committee~~
18 ~~under subsection (a), the General Assembly, by concurrent~~
19 ~~resolution with presentment to the Governor, in accordance with~~
20 ~~section 9 of Article III of the Constitution of Pennsylvania,~~
21 ~~may limit the operating expenses of the authority. In that~~
22 ~~event, it shall be unlawful for the authority to spend more for~~
23 ~~operating expenses than the limit established for that fiscal~~
24 ~~year by the concurrent resolution. If the General Assembly does~~
25 ~~not adopt a concurrent resolution prior to May 30, the~~
26 ~~authority's budget shall be deemed approved for that fiscal~~
27 ~~year.~~

28 ~~(c) Funding. After July 1, 2005, upon request of the~~
29 ~~authority and pursuant to the limits established in subsection~~
30 ~~(b), the city shall annually fund the budget of the authority,~~

1 ~~including its reasonable and necessary expenses and costs~~
2 ~~incurred for consultants engaged by the board to carry out its~~
3 ~~duties.~~

4 ~~(d) Examination of books. The chairperson and minority~~
5 ~~chairperson of the Appropriations Committee of the Senate and~~
6 ~~the chairperson and minority chairperson of the Appropriations~~
7 ~~Committee of the House of Representatives shall have the right~~
8 ~~at any time to examine the books, accounts and records of the~~
9 ~~authority.~~

10 ~~Section 207. Annual report to be filed; annual audits.~~

11 ~~The authority shall file an annual report with the~~
12 ~~chairperson and the minority chairperson of the Appropriations~~
13 ~~Committee of the Senate and chairperson and the minority~~
14 ~~chairperson of the Appropriations Committee of the House of~~
15 ~~Representatives, which shall make provisions for the accounting~~
16 ~~of revenues and expenses. The authority shall have its books,~~
17 ~~accounts and records audited annually in accordance with~~
18 ~~generally accepted auditing standards by an independent auditor~~
19 ~~who shall be a certified public accountant, and a copy of his~~
20 ~~audit report shall be attached to and be made a part of the~~
21 ~~authority's annual report. A concise financial statement shall~~
22 ~~be published annually in the Pennsylvania Bulletin.~~

23 ~~Section 208. Limit on city borrowing.~~

24 ~~The city and its corporate entities may not borrow or receive~~
25 ~~funds for any lawful purpose unless the city has entered into an~~
26 ~~intergovernmental cooperation agreement with the authority and~~
27 ~~there is an approved financial plan in effect.~~

28 ~~Section 209. Budget proposal by authority.~~

29 ~~For any fiscal year beginning after December 31, 2004, the~~
30 ~~authority shall submit a proposal for a balanced operating~~

~~1 budget and capital budget to the mayor or chief executive
2 officer and the governing body of the assisted city at least 100
3 days prior to the beginning of the fiscal year of the assisted
4 city. The budget and finance departments of the assisted city
5 shall work in cooperation with the authority to formulate the
6 proposal. The mayor or chief executive officer and the governing
7 body of the assisted city shall not pass a budget prior to the
8 receipt of a balanced budget proposal from the authority.~~

~~9 Section 210. Financial plan of an assisted city.~~

~~10 (a) Requirement of a financial plan. An assisted city shall
11 develop, implement and periodically revise a financial plan as
12 described in this section.~~

~~13 (b) Elements of plan. The financial plan shall include:~~

~~14 (1) Projected revenues and expenditures of the principal
15 operating fund or funds of the assisted city for five fiscal
16 years consisting of the current fiscal year and the next four
17 fiscal years.~~

~~18 (2) Plan components that will:~~

~~19 (i) eliminate any projected deficit for the current
20 fiscal year and for subsequent fiscal years;~~

~~21 (ii) restore to special fund accounts money from
22 those accounts used for purposes other than those
23 specifically authorized;~~

~~24 (iii) balance the current fiscal year budget and
25 subsequent budgets in the financial plan through sound
26 budgetary practices, including, but not limited to,
27 reductions in expenditures, improvements in productivity,
28 increases in revenues or a combination of these steps;~~

~~29 (iv) provide procedures to avoid a fiscal emergency
30 condition in the future; and~~

~~(v) enhance the ability of the assisted city to
access short-term and long-term credit markets.~~

~~(c) Standards for formulation of plan.~~

~~(1) All projections of revenues and expenditures in a
financial plan shall be based on reasonable and appropriate
assumptions and methods of estimation, all such assumptions
and methods to be consistently applied. The financial plan of
an assisted city shall not include projected revenue that in
order to be collected requires the enactment by the General
Assembly of new taxing powers for the assisted city.~~

~~(2) All revenue and appropriation estimates shall be in
accordance with accounting standards applicable to cities as
promulgated by the Government Accounting Standards Board.
Revenue estimates shall recognize revenues in the accounting
period in which they become both measurable and available.
Estimates of city-generated revenues shall be based on
current or proposed tax rates, historical collection patterns
and generally recognized econometric models. Estimates of
revenues to be received from the State government shall be
based on historical patterns, currently available levels or
on levels proposed in a budget by the Governor. Estimates of
revenues to be received from the Federal Government shall be
based on historical patterns, currently available levels or
on levels proposed in a budget by the President or in a
congressional budget resolution. Nontax revenues shall be
based on current or proposed rates, charges or fees,
historical patterns and generally recognized econometric
models. Appropriation estimates shall include, at a minimum,
all obligations incurred during the fiscal year and estimated
to be payable during the fiscal year or in the 24-month~~

~~period following the close of the current fiscal year and all obligations of prior fiscal years not covered by encumbered funds from prior fiscal years. Any deviations from these standards of estimating revenues and appropriations proposed to be used by an assisted city shall be specifically disclosed and shall be approved by a majority of the board.~~

~~(3) All cash flow projections shall be based upon reasonable and appropriate assumptions as to sources and uses of cash, including, but not limited to, reasonable and appropriate assumptions as to the timing of receipt and expenditure thereof, and shall provide for operations of the assisted city to be conducted within the resources so projected. All estimates shall take due account of the past and anticipated collection, expenditure and service demand experience of the assisted city and of current and projected economic conditions.~~

~~(d) Form of plan. Each financial plan shall, consistent with the requirements of an assisted city's home rule charter or optional plan of government:~~

~~(1) be in such form and shall contain:~~

~~(i) for each of the first two fiscal years covered by the financial plan, such information as shall reflect an assisted city's total expenditures by fund and by lump sum amount for each board, commission, department or office of an assisted city; and~~

~~(ii) for the remaining three fiscal years of the financial plan, such information as shall reflect an assisted city's total expenditures by fund and by lump sum amount for major object classification;~~

~~(2) include projections of all revenues and expenditures~~

~~for five fiscal years, including, but not limited to,
projected capital expenditures and short-term and long-term
debt incurrence and cash flow forecasts by fund for the first
year of the financial plan;~~

~~(3) include a schedule of projected capital commitments
of the assisted city and proposed sources of funding for such
commitments; and~~

~~(4) be accompanied by a statement describing, in
reasonable detail, the significant assumptions and methods of
estimation used in arriving at the projections contained in
such plan.~~

~~(e) Annual submission of plan. An assisted city shall
develop, and the authority shall review and act upon, an initial
five-year financial plan as soon as practicable after the
effective date of this act. During each subsequent fiscal year,
the mayor or chief executive officer of each assisted city
shall, at least 70 days prior to the beginning of its fiscal
year or on such other date as the authority may approve upon the
request of the assisted city, prepare and submit its proposed
five-year plan. At the same time the plan is submitted, the
mayor or chief executive officer shall also submit to the
authority:~~

~~(1) the mayor's or chief executive officer's proposed
annual operating budget and capital budget which shall be
consistent with the first year of the financial plan and
which shall be prepared in accordance with the assisted
city's home rule charter or other optional plan of
government; and~~

~~(2) a statement by the mayor or chief executive officer
that such budget:~~

~~(i) is consistent with the financial plan;~~
~~(ii) contains funding adequate for debt service payments, legally mandated services and lease payments securing bonds of other government agencies; and~~
~~(iii) is based upon reasonable and appropriate assumptions and methods of estimation.~~
~~(f) Authority review and approval of plan.~~
~~(1) The authority shall promptly review each financial plan, proposed operating budget and capital budget submitted by the assisted city. In conducting such review, the authority shall request from the city controller of the assisted city an opinion or certification prepared in accordance with generally accepted auditing standards, with respect to the reasonableness of the assumptions and estimates in the financial plan. The city controller and other elected officials shall comply with any such request from the authority. Not more than 30 days after submission of a financial plan and proposed operating budget, the authority shall determine whether:~~
~~(i) the financial plan projects balanced budgets, based upon reasonable assumptions as described in this section, for each year of the plan; and~~
~~(ii) the proposed operating budget and capital budget are consistent with the proposed financial plan.~~
~~If the authority determines that these criteria are satisfied, the authority shall approve such financial plan by a majority vote.~~
~~(2) The authority shall not be bound by any opinions or certifications of the city controller of the assisted city issued pursuant to this subsection.~~

~~(3) If the authority fails to take any action within 30 days on a financial plan, the financial plan as submitted shall be deemed approved. However, if during the 30 days a written request by two members of the authority board for a meeting and vote on the question of approval of the financial plan has been submitted to the chairperson and a meeting and vote do not take place, the financial plan shall be deemed disapproved.~~

~~(g) Authority disapproval of plan.~~

~~(1) If the authority disapproves the proposed financial plan, the authority shall, when it notifies an assisted city of its decision, state in writing in reasonable detail the reasons for such disapproval, including the amount of any estimated budget imbalance.~~

~~(2) The assisted city shall submit a revised financial plan to the authority within 15 days of such disapproval, which revised plan eliminates the budget imbalance. Not more than 15 days after the submission of such revised financial plan, the authority shall determine whether the revised plan satisfies the criteria set forth in subsection (f)(1). If the authority determines that these criteria are satisfied, the authority shall approve such financial plan by a majority vote. If the authority shall not so approve the financial plan, then the authority shall, in accordance with section 211(e), certify the assisted city's noncompliance with the financial plan to the Secretary of the Budget, the President pro tempore of the Senate and the Speaker of the House of Representatives.~~

~~(h) Revisions to plan.~~

~~(1) The plan shall be revised on an annual basis to~~

1 ~~include the operating budget for the next fiscal year and to~~
2 ~~extend the plan for an additional fiscal year. In addition,~~
3 ~~the mayor or chief executive officer of a city shall, within~~
4 ~~90 days of assuming office, propose revisions to the~~
5 ~~financial plan or certify to the authority that he or she~~
6 ~~adopts the existing plan. An assisted city may, during the~~
7 ~~course of a fiscal year, submit proposed revisions to the~~
8 ~~financial plan and shall submit a proposed revision for any~~
9 ~~amendment to the city's operating or capital budget.~~

10 ~~(2) The authority shall review each proposed revision~~
11 ~~within 20 days of its submission. The authority shall approve~~
12 ~~the revision if it will not, based on reasonable assumptions,~~
13 ~~cause the plan to become imbalanced. Proposed revisions shall~~
14 ~~become part of the financial plan upon the approval of a~~
15 ~~majority of the authority board, unless some other method of~~
16 ~~approval is permitted by authority rules and regulations~~
17 ~~approved by a majority or pursuant to an agreement with the~~
18 ~~city contained in an intergovernmental cooperation agreement.~~
19 ~~If the authority fails to take action within 20 days on a~~
20 ~~proposed revision, such submission shall be deemed approved~~
21 ~~unless a written request for a meeting and vote has been made~~
22 ~~in accordance with subsection (f)(3) in which event, if a~~
23 ~~meeting and vote does not take place, the proposed revision~~
24 ~~shall be deemed disapproved.~~

25 ~~(3) If the governing body of a city adopts a budget~~
26 ~~inconsistent with an approved financial plan, the assisted~~
27 ~~city shall submit the enacted budget to the authority as a~~
28 ~~proposed revision to the plan. The authority shall review the~~
29 ~~proposed revision within 30 days of its submission, in~~
30 ~~accordance with the criteria set forth in subsection (f) and~~

~~the approval process set forth in paragraph (2).~~

~~(i) Supplemental reports. Within 45 days of the end of each fiscal quarter, or monthly if a variation from the financial plan has been determined in accordance with section 211(c), the mayor or chief executive officer of an assisted city shall provide the authority with reports describing actual or current estimates of revenues and expenditures compared to budgeted revenues and expenditures for such period reflected in its cash flow forecast. Each report required under this section shall indicate any variance between actual or current estimates and budgeted revenues, expenditures and cash for the period covered by such report. An assisted city shall also provide periodic reports on debt service requirements in conformity with section 211(b).~~

~~(j) Effect of plan upon contracts and collective bargaining agreements.~~

~~(1) A contract or collective bargaining agreement in existence in an assisted city prior to the approval by the authority of a financial plan submitted pursuant to this section shall remain effective after approval of such plan until such contract or agreement expires.~~

~~(2) After the approval by the authority of a financial plan submitted pursuant to this section, an assisted city shall execute contracts and collective bargaining agreements in compliance with such plan. If an assisted city executes a contract or a collective bargaining agreement which is not in compliance with the plan, the contract or agreement shall not be void or voidable solely by reason of such noncompliance, but the assisted city shall submit to the authority a proposed revision to the plan which demonstrates that~~

1 ~~revenues sufficient to pay the costs of the contract or~~
2 ~~collective bargaining agreement will be available in the~~
3 ~~affected fiscal years of the plan.~~

4 ~~(k) Effect of plan upon certain arbitration awards.~~

5 ~~(1) After the approval by the authority of a financial~~
6 ~~plan submitted pursuant to this section, any determination of~~
7 ~~a board of arbitration established pursuant to the provisions~~
8 ~~of the act of June 24, 1968 (P.L.237, No.111), referred to as~~
9 ~~the Policemen and Firemen Collective Bargaining Act,~~
10 ~~providing for an increase in wages or fringe benefits of any~~
11 ~~employee of an assisted city under the plan, in addition to~~
12 ~~considering any standard or factor required to be considered~~
13 ~~by applicable law, shall take into consideration and accord~~
14 ~~substantial weight to:~~

15 ~~(i) the approved financial plan; and~~

16 ~~(ii) relevant market factors, such as the financial~~
17 ~~situation of the assisted city, inflation, productivity,~~
18 ~~size of work force and pay and benefit levels in~~
19 ~~economically and demographically comparable political~~
20 ~~subdivisions.~~

21 ~~(2) Such determination shall be in writing and a copy~~
22 ~~thereof shall be forwarded to each party to the dispute and~~
23 ~~the authority. Any determination of the board of arbitration~~
24 ~~which provides for an increase in wages or fringe benefits of~~
25 ~~any employee of an assisted city shall state with specificity~~
26 ~~in writing all factors which the board of arbitration took~~
27 ~~into account in considering and giving substantial weight to~~
28 ~~the factors referred to in paragraph (1).~~

29 ~~(3) Any party to a proceeding before a board of~~
30 ~~arbitration may appeal to the court of common pleas to~~

review:-

~~(i) consideration under paragraph (1); or~~

~~(ii) failure of the board of arbitration to issue a determination under paragraph (2).~~

~~(4) An appeal under paragraph (3) must be commenced not later than 30 days after the issuance of a final determination by the board of arbitration.~~

~~(5) The decision of the board of arbitration shall be vacated and remanded to the board of arbitration if the court finds:-~~

~~(i) that the board of arbitration failed to take into consideration and accord substantial weight to the factors referred to in paragraph (1); or~~

~~(ii) that the board of arbitration has failed to issue a determination under paragraph (2).~~

~~(6) If, after the exhaustion of all appeals, the final arbitration award is not in compliance with the approved financial plan, the award shall not be void or voidable solely by reason of such noncompliance, but the assisted city shall submit to the authority a proposed revision to the plan which demonstrates that revenues sufficient to pay the costs of the award will be available in the affected fiscal years of the plan.~~

~~Section 211. Powers and duties of authority with respect to financial plans.~~

~~(a) Formulation and approval of plan. To advance the financial recovery of each assisted city, the authority shall require the assisted city to submit a five-year financial plan in accordance with section 210. With regard to the formulation of such plan, the authority shall:-~~

~~(1) Consult with an assisted city as it prepares the financial plan.~~

~~(2) Prescribe the form of the financial plan.~~

~~(3) Prescribe the supporting information required in connection with such plan, such information to include at a minimum:~~

~~(i) debt service payments due or projected to be due during the relevant fiscal years;~~

~~(ii) payments for legally mandated services included in the plan and due or projected to be due during the relevant fiscal years; and~~

~~(iii) a statement in reasonable detail of the significant assumptions and methods of estimation used in arriving at the projections in the plan.~~

~~(4) Exercise any rights of approval or disapproval and issue such recommendations as are authorized by this act in accordance with the standards for formulation of the plan set forth in section 210(c).~~

~~(b) Authority functions after plan is approved. After a financial plan has been approved, the authority shall:~~

~~(1) Receive and review:~~

~~(i) the financial reports submitted by the mayor or chief executive officer of a city under section 210(i);~~

~~(ii) reports concerning the debt service requirements on all bonds, notes of the assisted city and lease payments of the assisted city securing bonds or other government agencies for the following quarter, which reports shall be in such form and contain such information as the authority shall determine, and which shall be issued no later than 60 days prior to the~~

~~beginning of the quarter to which they pertain, and shall be updated immediately upon each issuance of bonds or notes, by the assisted city or execution of a lease securing bonds of another government agency, after the date of such report to reflect any change in debt service requirements as a result of such issuance; and~~

~~(iii) any additional information provided by the assisted city concerning changed conditions or unexpected events which may affect the assisted city's adherence to the financial plan. The reports described in subparagraph (ii) shall be certified by the city controller.~~

~~(2) Determine, on the basis of information and reports described in paragraph (1), whether an assisted city has adhered to the financial plan.~~

~~(c) Variation from the plan. If the authority determines, based upon reports submitted by an assisted city under subsection (b) or independent audits, examinations or studies of the assisted city's finances obtained under subsection (i)(3), that an assisted city's actual revenues and expenditures vary from those estimated in the financial plan, the authority shall require the city to provide such additional information as the authority deems necessary to explain the variation. The authority shall take no action with respect to an assisted city for departures from the financial plan in a fiscal quarter if:~~

~~(1) the city provides a written explanation for the variation that the authority deems reasonable;~~

~~(2) the city proposes remedial action which the authority believes will restore the assisted city's overall compliance with the financial plan;~~

~~(3) information provided by the city in the immediately~~

~~succeeding quarterly financial report demonstrates that the assisted city is taking such remedial action and otherwise complying with the plan; and~~

~~(4) the assisted city submits monthly supplemental reports in accordance with section 210(i) until it regains compliance with the financial plan.~~

~~(d) Authority may make recommendations. The authority may at any time issue recommendations as to how an assisted city may achieve compliance with the financial plan and shall provide copies of such recommendations to the mayor or chief executive officer and the governing body of the city and to the officials named in section 203(b)(5).~~

~~(e) When Commonwealth shall withhold funds.~~

~~(1) The authority shall certify to the Secretary of the Budget an assisted city's noncompliance with the financial plan during any period when the authority has determined by the vote of a majority that the assisted city has not adhered to the plan and has not taken acceptable remedial action during the next quarter following such departure from the plan.~~

~~(2) The authority shall certify to the Secretary of the Budget that an assisted city is not in compliance with the plan if the assisted city:~~

~~(i) has no financial plan approved by the authority, or has failed to provide requested documents or has failed to file a financial plan with the authority;~~

~~(ii) has failed to file mandatory revisions to the plan or reports as required by section 210(h), (i), (j) or (k); or~~

~~(iii) has not been compelled to file a financial~~

1 plan, a mandatory revision to the plan or a report
2 through a mandamus action authorized under subsection
3 (j).

4 ~~(3) If the authority certifies that an assisted city is~~
5 ~~not in compliance with the financial plan under paragraph (1)~~
6 ~~or (2), the Secretary of the Budget shall notify the city~~
7 ~~that such certification has been made and that each grant,~~
8 ~~loan, entitlement or payment to the assisted city by the~~
9 ~~Commonwealth shall be suspended pending compliance with the~~
10 ~~financial plan. Funds withheld shall be held in escrow by the~~
11 ~~Commonwealth until compliance with the plan is restored as~~
12 ~~set forth in paragraph (4). Funds held in escrow pursuant to~~
13 ~~this subsection shall not lapse pursuant to section 621 of~~
14 ~~the act of April 9, 1929 (P.L.177, No.175), known as The~~
15 ~~Administrative Code of 1929, or any other law.~~

16 ~~(4) The authority shall, by majority vote, determine~~
17 ~~when the conditions which caused an assisted city to be~~
18 ~~certified as not in compliance with the financial plan have~~
19 ~~ceased to exist and shall promptly notify the Secretary of~~
20 ~~the Budget of such vote. The Secretary of the Budget shall~~
21 ~~thereupon release all funds held in escrow, together with all~~
22 ~~interest and income earned thereon during the period held in~~
23 ~~escrow, and the disbursements of amounts in the city account~~
24 ~~shall resume.~~

25 ~~(f) Exemptions. Notwithstanding the provisions of~~
26 ~~subsection (e), the following shall not be withheld from an~~
27 ~~assisted city:~~

28 ~~(1) funds granted or allocated to an assisted city~~
29 ~~directly from an agency of the Commonwealth or from the~~
30 ~~Federal Government for distribution by the Commonwealth after~~

~~the declaration of a disaster resulting from a catastrophe;
and~~

~~(2) pension fund payments required by law.~~

~~(g) Effect of Commonwealth's failure to disburse funds.—The provisions of subsection (e) shall not apply and an assisted city shall not be found to have departed from the financial plan due to the Commonwealth's failure to pay any money, including payment of Federal funds distributed by or through the Commonwealth, due to the assisted city from moneys appropriated by the General Assembly.~~

~~(h) Assisted city to determine expenditure of available funds.—Nothing in this act shall be construed to limit the power of an assisted city to determine, from time to time, within available funds of the assisted city, the purposes for which expenditures are to be made by the assisted city and the amounts of such expenditures then permitted under the financial plan of the assisted city.~~

~~(i) Documents and examinations to be reviewed or undertaken by the authority.—The authority shall:~~

~~(1) receive from an assisted city and review the reports, documents, budgetary and financial planning data and other information prepared by or on behalf of such assisted city and which are to be made available to the authority under this act;~~

~~(2) inspect and copy such books, records and information of an assisted city as the authority deems necessary to accomplish the purposes of this act; and~~

~~(3) conduct or cause to be conducted such independent audits, examinations or studies of an assisted city's finances as the authority deems appropriate.~~

1 ~~(j) Remedies of authority for failure of an assisted city to~~
2 ~~file financial plans and reports. In the event that an assisted~~
3 ~~city shall fail to file with the authority any financial plan,~~
4 ~~revision to a financial plan, report or other information~~
5 ~~required to be filed with the authority pursuant to this act,~~
6 ~~the authority, in addition to all other rights which the~~
7 ~~authority may have at law or in equity, shall have the right by~~
8 ~~mandamus to compel the assisted city and the officers, employees~~
9 ~~and agents thereof to file with the authority the financial~~
10 ~~plan, revision to a financial plan, report or other information~~
11 ~~which the assisted city has failed to file. The authority shall~~
12 ~~give the assisted city written notice of the failure of the~~
13 ~~assisted city to file and of the authority's intention to~~
14 ~~initiate an action under this subsection and shall not initiate~~
15 ~~such an action earlier than ten days after the giving of such~~
16 ~~notice.~~

17 ~~Section 212. Limitation on assisted cities to file petition for~~
18 ~~relief under Federal bankruptcy law.~~

19 ~~(a) Bankruptcy filing approval. Notwithstanding any other~~
20 ~~provision of law, no city or assisted city shall be authorized~~
21 ~~to file a petition for relief under 11 U.S.C. Ch. 9 (relating to~~
22 ~~adjustment of debts of a municipality), unless such petition has~~
23 ~~been submitted to, and such filing has been approved in writing~~
24 ~~by the Governor. The Governor is designated, in accordance with~~
25 ~~11 U.S.C. § 109(c)(2) (relating to who may be a debtor), as the~~
26 ~~organization of the Commonwealth which shall have power to~~
27 ~~approve or disapprove the filing of any such petition of a city~~
28 ~~or assisted city, and to approve or disapprove any plan of~~
29 ~~readjustment of the debts of such city or assisted city~~
30 ~~prepared, filed and submitted with the petition to the court, as~~

1 ~~provided under 11 U.S.C. Ch. 9.~~

2 ~~(b) Review of bankruptcy petition.~~

3 ~~(1) When any such petition shall be submitted to the~~
4 ~~Governor for approval, accompanied with a proposed plan of~~
5 ~~readjustment of the debts of a city, the Governor shall make~~
6 ~~a careful and thorough investigation of the financial~~
7 ~~condition of such city, of its assets and liabilities, of its~~
8 ~~sinking fund, and whether the affairs thereof are managed in~~

6 (B) LEGISLATIVE INTENT.--

7 (1) IT IS THE INTENT OF THE GENERAL ASSEMBLY TO:

8 (I) PROVIDE CITIES OF THE SECOND CLASS WITH THE
9 LEGAL TOOLS WITH WHICH SUCH CITIES CAN PERFORM ESSENTIAL
10 MUNICIPAL SERVICES; AND

11 (II) FOSTER SOUND FINANCIAL PLANNING AND BUDGETARY
12 PRACTICES FOR CITIES OF THE SECOND CLASS, WHICH CITIES
13 SHALL BE CHARGED WITH THE RESPONSIBILITY TO EXERCISE
14 EFFICIENT AND ACCOUNTABLE FISCAL PRACTICES, SUCH AS:

15 (A) INCREASED MANAGERIAL ACCOUNTABILITY;

16 (B) CONSOLIDATION OR ELIMINATION OF INEFFICIENT
17 CITY PROGRAMS AND AUTHORITIES;

27 (H) REVIEW OF COMPENSATION AND BENEFITS OF CITY
28 EMPLOYEES; AND

29 (III) EXERCISE ITS POWERS CONSISTENT WITH THE RIGHTS

1 (2) THE GENERAL ASSEMBLY FURTHER DECLARES THAT THIS
2 LEGISLATION IS INTENDED TO REMEDY THE APPARENT FISCAL
3 EMERGENCY CONFRONTING CITIES OF THE SECOND CLASS THROUGH THE
4 IMPLEMENTATION OF SOVEREIGN POWERS OF THE COMMONWEALTH. TO
5 SAFEGUARD THE RIGHTS OF THE CITIZENS TO THE ELECTORAL PROCESS
6 AND HOME RULE, THE GENERAL ASSEMBLY INTENDS TO EXERCISE ITS
7 POWER IN AN APPROPRIATE MANNER WITH THE ELECTED OFFICERS OF
8 CITIES OF THE SECOND CLASS.

9 (3) IT IS FURTHER DECLARED THAT THIS LEGISLATION IS
10 INTENDED TO OPERATE CONCURRENTLY AND EQUALLY WITH THE ACT OF

12 FINANCIAL RECOVERY ACT.

13 SECTION 103. LEGISLATIVE FINDINGS.

14 IT IS HEREBY DETERMINED AND DECLARED AS A MATTER OF
15 LEGISLATIVE FINDING THAT:

16 (1) CITIES OF THE SECOND CLASS HAVE ENCOUNTERED
17 RECURRING FINANCIAL DIFFICULTIES WHICH MAY AFFECT THE
18 PERFORMANCE OF NECESSARY MUNICIPAL SERVICES TO THE DETRIMENT
19 OF THE HEALTH, SAFETY AND GENERAL WELFARE OF RESIDENTS OF
20 SUCH CITIES.

21 (2) IT IS CRITICALLY IMPORTANT THAT CITIES OF THE SECOND
22 CLASS MAINTAIN THEIR CREDITWORTHINESS.

23 (3) DUE TO THE ECONOMIC AND SOCIAL INTERRELATIONSHIP
24 AMONG ALL CITIZENS IN OUR ECONOMY, THE FISCAL INTEGRITY OF
25 CITIES OF THE SECOND CLASS IS A MATTER OF CONCERN TO
26 RESIDENTS OF THE ENTIRE COMMONWEALTH, AND THE FINANCIAL
27 PROBLEMS OF SUCH CITIES HAVE A DIRECT AND NEGATIVE EFFECT ON
28 THE ENTIRE COMMONWEALTH.

29 (4) BECAUSE CITIES OF THE SECOND CLASS CONSUME A
30 SUBSTANTIAL PROPORTION OF THE PRODUCTS OF PENNSYLVANIA'S

1 FARMS, FACTORIES, MANUFACTURING PLANTS AND SERVICE
2 ENTERPRISES, ECONOMIC DIFFICULTIES CONFRONTING CITIES OF THE
3 SECOND CLASS DETRIMENTALLY AFFECT THE ECONOMY OF THE
4 COMMONWEALTH AS A WHOLE AND BECOME A MATTER OF STATEWIDE
5 CONCERN.

6 (5) BECAUSE RESIDENTS OF CITIES OF THE SECOND CLASS
7 CONTRIBUTE A SUBSTANTIAL PROPORTION OF ALL COMMONWEALTH TAX
8 REVENUES, A DISRUPTION OF THE ECONOMIC AND SOCIAL LIFE OF
9 SUCH CITIES MAY HAVE A SIGNIFICANT DETRIMENTAL EFFECT UPON
10 COMMONWEALTH REVENUES.

11 (6) THE FINANCIAL DIFFICULTIES OF CITIES OF THE SECOND
12 CLASS CAN BEST BE ADDRESSED AND RESOLVED BY COOPERATION
13 BETWEEN GOVERNMENTAL ENTITIES.

14 (7) THE CONSTITUTION OF PENNSYLVANIA GRANTS
15 MUNICIPALITIES AUTHORITY TO COOPERATE WITH OTHER GOVERNMENTAL
16 ENTITIES IN THE EXERCISE OF ANY FUNCTION OR RESPONSIBILITY.

17 (8) THE COMMONWEALTH RETAINS CERTAIN SOVEREIGN POWERS
18 WITH RESPECT TO CITIES OF THE SECOND CLASS, AMONG THEM THE
19 POWERS TO AUTHORIZE AND LEVY TAXES, TO AUTHORIZE THE
20 INCURRING OF INDEBTEDNESS AND TO PROVIDE FINANCIAL ASSISTANCE
21 THAT MAY BE NECESSARY TO ASSIST CITIES IN SOLVING THEIR
22 FINANCIAL PROBLEMS.

23 (9) THE COMMONWEALTH MAY ATTACH CONDITIONS TO GRANTS OF
24 AUTHORITY TO INCUR INDEBTEDNESS OR ASSISTANCE TO CITIES OF
25 THE SECOND CLASS IN ORDER TO ENSURE THAT DEFICITS ARE
26 ELIMINATED AND ACCESS TO CAPITAL MARKETS IS ACHIEVED AND
27 MAINTAINED.

28 (10) SUCH CONDITIONS SHALL BE INCORPORATED INTO
29 INTERGOVERNMENTAL COOPERATION AGREEMENTS BETWEEN THE
30 COMMONWEALTH OR ITS INSTRUMENTALITIES AND CITIES OF THE

1 SECOND CLASS.

2 (11) CITIES OF THE SECOND CLASS AND THE COMMONWEALTH
3 WILL BENEFIT FROM THE CREATION OF AN INDEPENDENT AUTHORITY
4 COMPOSED OF MEMBERS EXPERIENCED IN FINANCE AND MANAGEMENT
5 WHICH MAY ADVISE SUCH CITIES, THE GENERAL ASSEMBLY AND THE
6 GOVERNOR CONCERNING SOLUTIONS TO FISCAL PROBLEMS CITIES OF
7 THE SECOND CLASS MAY FACE.

8 (12) THE CREATION OF SUCH AN AUTHORITY WILL ALLOW SUCH
9 CITIES TO CONTINUE TO PROVIDE THE NECESSARY MUNICIPAL
10 SERVICES FOR THEIR RESIDENTS AND TO CONTRIBUTE TO THE ECONOMY
11 OF THE COMMONWEALTH.

12 (13) SEVERAL TASK FORCES HAVE STUDIED THE FISCAL
13 CONDITION OF A CITY OF THE SECOND CLASS AND HAVE PUBLISHED
14 FINDINGS AND SUGGESTIONS REGARDING THE FISCAL STRUCTURE OF
15 THE CITY AND ACTIONS THAT COULD BE TAKEN CONCERNING
16 PRESERVATION OF THE FINANCIAL VIABILITY OF THE CITY INTO THE
17 FUTURE. THOSE REPORTS, WIDELY KNOWN AS THE COMPETITIVE
18 PITTSBURGH REPORT, THE PGH 21 REPORT AND THE GOVERNOR'S
