7 CHAPTER 7

8 MISCELLANEOUS PROVISIONS

9 Section 701. Federal funds.

10 All moneys received from the Federal Government for the
11 construction of the projects specifically itemized in this act
12 are also hereby appropriated for those projects.

13 Section 702. Allocation of funds.

14 Whenever as determined by the Department of Transportation
15 that the full estimated financial costs of the projects itemized
16 in this act are not necessary for the proper design, acquisition
17 or construction of such projects, the excess funds no longer
18 required may be allocated by the Department of Transportation to
19 increase the estimated costs of any one or more of the projects
20 specifically itemized in a capital budget.

21 Section 703. Estimated useful life.

22 The General Assembly states that the estimated useful life of
23 the highway capital projects itemized in this act is 30 years.

24 Section 704. Effective date.

25 This act shall take effect immediately.
