AN ACT

1 Establishing the Pennsylvania Youth Commission; ~~and~~ providing <—
2 for powers and duties, for report to the General Assembly and
3 for Pennsylvania Youth Commission Scholarship; AND MAKING AN <—
4 APPROPRIATION.

5 The General Assembly of the Commonwealth of Pennsylvania
6 hereby enacts as follows:

7 Section 1. Short title.

8 This act shall be known and may be cited as the Pennsylvania
9 Youth Commission Act.

10 Section 2. Declaration of policy

11 (a) Findings and declarations.--The General Assembly finds
12 and declares as follows:

13 (1) Public office is a public trust between elected
14 officials and the citizens they represent.

15 (2) Despite age or voting record, each individual

1 residing in this Commonwealth is part of the public trust.

2 (3) Voting is the foremost means of direct participation
3 in government for the citizenry. Youth under 18 years of age
4 are not yet eligible to vote, and the youngest eligible
5 voters between 18 and 24 years of age consistently produce
6 the lowest number of voters.

7 (4) The ability and responsibility of the citizenry to
8 participate in the political process is a foundation of our
9 government and an issue of utmost significance. In order to
10 maintain a lasting knowledgeable and participatory electorate
11 and the full functionality of the political process and the
12 public trust, additional focus should be placed on the youth
13 of our Commonwealth.

14 (5) As each generation moves forward, a new generation
15 of voters will become eligible to participate directly in the
16 democratic process, necessitating the call for a body that
17 will serve as the conduit to awareness, understanding and
18 participation in our government, its decisions and its
19 importance.

20 (6) The creation of a body that will focus directly on
21 the issues and concerns facing forthcoming participants in
22 the democratic process of this Commonwealth will result in
23 numerous and positive outcomes.

24 (b) Legislative intent.--It is the intent of the General
25 Assembly that this act provide for and enhance the awareness,
26 understanding and participation of the youth of this
27 Commonwealth in the democratic process through a means separate
28 from the ability to vote. It is the further intent of the
29 General Assembly to establish a commission that will empower
30 youth who are not yet eligible to vote. Through this commission,

1 it is the intent of the General Assembly to tap the invaluable
2 resource of young minds and ideas that have been consistently
3 disassociated with public officials, government and the status
4 quo of the political process, and in turn produce involved
5 citizens, leaders and pillars of young adulthood.
