---

## A RESOLUTION

1 Recognizing the week of May 11 through 17, 2008, as "National  
2 Women's Health Week" in Pennsylvania.

3 WHEREAS, "National Women's Health Week" is a national effort  
4 to raise awareness about manageable steps women can take to  
5 improve their health; and

6 WHEREAS, Many of the leading causes of death among women can  
7 be successfully prevented or treated if the warning signs are  
8 detected early enough; and

9 WHEREAS, According to the United States Department of Health  
10 and Human Services, getting regular checkups, being physically  
11 active, eating a healthy diet, not smoking and following general  
12 safety rules are five health habits for improving women's

1 health; and

2 WHEREAS, "National Women's Health Week" stresses the  
3 importance of taking appropriate health actions based on  
4 individual backgrounds and risk factors; therefore be it

5 RESOLVED, That the House of Representatives recognize the  
6 week of May 11 through 17, 2008, as "National Women's Health  
7 Week" in Pennsylvania in an effort to raise awareness about  
8 women's health issues.
