

THE GENERAL ASSEMBLY OF PENNSYLVANIA

SENATE BILL

No. 106 Session of
2007

INTRODUCED BY MUSTO, MARCH 2, 2007

REFERRED TO TRANSPORTATION, MARCH 2, 2007

AN ACT

1 Amending Title 66 (Public Utilities) of the Pennsylvania
2 Consolidated Statutes, providing for the use of alternate
3 railroad lines in third class cities.

4 The General Assembly of the Commonwealth of Pennsylvania
5 hereby enacts as follows:

6 Section 1. Title 66 of the Pennsylvania Consolidated
7 Statutes is amended by adding a section to read:

8 § 2710. Use of alternate railroad lines in third class cities.

9 All railroads operating in this Commonwealth that transport,
10 within the boundaries of a third class city, a waste material to
11 be used for beneficial use shall first consider and use any
12 alternate railroad line that does not go through the municipal
13 boundaries of the third class city. If, in the opinion of the
14 commission, an alternate railroad line outside the boundaries of
15 the third class city is not available to transport the waste
16 material to be used for beneficial use, then the material may be
17 transported on a railroad within the boundaries of the third
18 class city, provided that the railroad line with the shortest

1 distance within the city is used.

2 Section 2. This act shall take effect immediately.
