27 Section 3. Title 25 is amended by adding a section to read:

28 § 1327.1. Government service facilitation.

29 (a) Legislative findings.--The General Assembly finds and  
30 declares as follows:

1       (1) Individuals who move into this Commonwealth, or move  
2       from one political subdivision to another in this  
3       Commonwealth, often have difficulty accessing government  
4       services and participating fully in the rights and  
5       responsibilities which accrue to residents.

6       (2) Requiring citizens to stand in multiple lines at  
7       multiple agencies at various levels of government is not an  
8       efficient means to provide necessary services to citizens or  
9       an efficient use of government employee resources.

10       (3) Failure to make appropriate and timely changes  
11       concerning residency has led to problems for citizens  
12       concerning voting rights and incorrectly transmitted tax  
13       information and withholding.

14       (4) The General Assembly has, in the past, assisted  
15       individuals with reducing the governmental burdens associated  
16       with geographic moves through methods such as combining the  
17       driver's license and voter registration processes.

18       (5) In order to make the government more people  
19       friendly, it is imperative to interconnect systems so that  
20       information provided to the government can be accessed in  
21       such a manner as to provide new residents with appropriate  
22       contact information and the full panoply of government  
23       interaction.

24       (b) General rule.--Notwithstanding any prohibition found in  
25       any other law, regulation or rule, a commission which processes  
26       a voter registration application shall provide information as  
27       follows:

28       (1) Within 14 days of receipt, the commission shall  
29       provide, in the manner prescribed by the secretary, the  
30       department with the applicant's full name, address of

1 residence and mailing address, if different from the address  
2 of residence. The requirements of this paragraph may be met,  
3 with the approval of the secretary, by current law and  
4 practices concerning transmission of information from a  
5 commission to the department.

6 (2) Within 14 days of receipt, the commission shall  
7 provide, in the manner prescribed by the secretary, each  
8 political subdivision which contains the applicant's address  
9 of residence with the applicant's full name, address of  
10 residence and mailing address, if different from the address  
11 of residence.

12 (c) Duties of department.--Notwithstanding any prohibition  
13 found in any other law, regulation or rule, upon receipt of  
14 information from a commission under subsection (b), the  
15 department shall provide the Department of Revenue, the  
16 Department of Public Welfare and the Department of  
17 Transportation with the applicant's full name, address of  
18 residence and mailing address, if different from the address of  
19 residence. The method of providing information shall be  
20 determined by the secretary in conjunction with the Department  
21 of Revenue, the Department of Public Welfare and the Department  
22 of Transportation, and may include electronic mail, facsimile or  
23 other secure method which accomplishes the requirements of this  
24 subsection without undue expense or delay.

25 (d) Responsibility of recipient agencies.--Any State agency  
26 or political subdivision which receives information regarding an  
27 applicant under subsection (b) or (c) shall determine if an  
28 applicant meets the residency requirements applicable to the  
29 services provided or duties imposed by that State agency or  
30 political subdivision and shall transmit to the applicant

1 information concerning the rights and responsibilities of that  
2 applicant which fall within the scope of the authority provided  
3 to the State agency or political subdivision.

4 (e) Notice on voter registration application.--Each voter  
5 registration application shall contain, in a manner prescribed  
6 by the secretary, notice that the applicant's name, address and  
7 mailing address will be provided to the Department of  
8 Transportation, the Department of Public Welfare, the  
9 Department of Revenue and relevant political subdivisions to  
10 ensure the applicant's full access to the rights and  
11 responsibilities attendant to residence.

12 (f) Definitions.--The following words and phrases, when used  
13 in this section, shall have the meanings given to them in this  
14 subsection unless the context clearly indicates otherwise:

15 "Political subdivision." The term shall have the same  
16 meaning as the term is defined in 1 Pa.C.S. § 1991 (relating to  
17 definitions).

18 Section 4. This act shall take effect in 60 days.
