
THE GENERAL ASSEMBLY OF PENNSYLVANIA

HOUSE BILL

No. 2450 Session of
2012

INTRODUCED BY ROAE AND MOUL, JUNE 6, 2012

REFERRED TO COMMITTEE ON EDUCATION, JUNE 6, 2012

AN ACT

1 Providing for payment to certain students at State system
2 universities; establishing the Responsible Students First
3 Grant Fund; providing for the powers and duties of the
4 Department of Education and the Secretary of Education;
5 establishing the Job-ready Major Evaluation Advisory
6 Committee; and providing for the powers and duties of the
7 committee.

8 The General Assembly finds and declares that:

9 (1) Responsible students at institutions of higher
10 education pursue a course of study and select an academic
11 major that is likely to lead to gainful employment
12 opportunities.

13 (2) While many students at the institutions of the State
14 System of Higher Education select academic majors that are
15 likely to lead to gainful employment, other students do not
16 choose academic majors that are likely to do so.

17 (3) Many job vacancies in this Commonwealth are a result
18 of employers not being able to find job applicants with the
19 required educational background for the available jobs.

20 (4) Students would be better served by completing higher
21 education degrees in academic majors that provide a

1 reasonable chance of getting a job that utilizes their major.

2 (5) Students at institutions of the State System of
3 Higher Education would more carefully select their academic
4 majors if additional funding was provided for students who
5 select job-ready majors at the institutions they attend.

6 (6) Institutions of the State System of Higher Education
7 would better serve the residents of this Commonwealth if all
8 of their students, rather than just some of them, completed
9 courses of study that are likely to lead to gainful
10 employment.

11 (7) Scarce tax money appropriated to the State System of
12 Higher Education would be better utilized if it was
13 redirected to public school districts for early education
14 programs rather than to postsecondary education courses of
15 study that are likely to result in a graduate's being unable
16 to get a job after earning a degree that does not make the
17 person job-ready.

18 The General Assembly of the Commonwealth of Pennsylvania
19 hereby enacts as follows:
