 DIGIROLAMO, ELLIS, EVERETT, FLECK, GABLER, GINGRICH, GRELL,  
 HAHN, HESS, HICKERNELL, KNOWLES, MILLARD, PAYNE, PYLE, QUINN,  
 READSHAW, ROCK, ROEBUCK, ROSS, SCHRODER, SWANGER, VULAKOVICH  
 AND PICKETT, JANUARY 19, 2011

INTRODUCED AS NONCONTROVERSIAL RESOLUTION UNDER RULE 35, JANUARY  
 19, 2011

A RESOLUTION

1 Congratulating Penn Manor's rocket team on its national and  
 2 international competition victories.

3 WHEREAS, In July 2010, the four-person rocketry club from  
 4 Penn Manor High School in Millersville placed first in the  
 5 national Team America Rocketry Challenge, which the team won by  
 6 flying its rocket without breaking the raw egg inside; and

7 WHEREAS, Seniors Jordan Franssen, Brendan Stoeckl, Nate  
 8 Bernhardt and Tyler Funk, led by physics teacher Brian  
 9 Osmolinski, began designing the rocket in the fall of 2009 and  
 10 built it in January and February of 2010; and

11 WHEREAS, The team traveled to Great Britain for the  
 12 international competition at the Farnborough International Air  
 13 Show; and

14 WHEREAS, Against teams from England and France, the members  
 15 of the Penn Manor team flew their rockets the closest to the  
 16 competition goal of flying 825 feet with a total air time of 40

1 to 50 seconds, posting the best score to win the international  
2 fly-off; and

3 WHEREAS, The international rocketry challenge is the  
4 culmination of three separate competitions, the Team America  
5 Rocketry Challenge, UKAYRoC and the French Rocketry Challenge;  
6 therefore be it

7 RESOLVED, That the the House of Representatives congratulate  
8 Penn Manor's rocket team on its national and international  
9 competition victories; and be it further

10 RESOLVED, That a copy of this resolution be sent to Penn  
11 Manor High School, 100 East Cottage Avenue, Millersville, PA,  
12 17551-1518.
