THE GENERAL ASSEMBLY OF PENNSYLVANIA

HOUSE BILL

No. 2010 Session of 2017

INTRODUCED BY O'BRIEN, WATSON, CALTAGIRONE, MILLARD, BARBIN, BRADFORD, DONATUCCI, DRISCOLL, HILL-EVANS, SCHLOSSBERG AND SOLOMON, DECEMBER 21, 2017

REFERRED TO COMMITTEE ON URBAN AFFAIRS, DECEMBER 21, 2017

AN ACT

Amending Title 1 (General Provisions) of the Pennsylvania 1 Consolidated Statutes, in rules of construction, further 2 providing for definitions. 3 4 The General Assembly of the Commonwealth of Pennsylvania 5 hereby enacts as follows: 6 Section 1. Section 1991 of Title 1 of the Pennsylvania Consolidated Statutes is amended by adding a definition to read: § 1991. Definitions. 8 9 The following words and phrases, when used in any statute 10 finally enacted on or after September 1, 1937, unless the context clearly indicates otherwise, shall have the meanings 11 12 given to them in this section: * * * 13 14 "Blighted property." The term includes: 15 (1) A premises: 16 (i) ascertained to be a public nuisance due to 17 physical condition or use and regarded as such at common 18 law and deemed to be a danger to public health, safety

enacted by the act of November 10, 1999 (P.I.491, No.45), known as the Pennsylvania Construction Code Act; or (ii) the condition of which contains an attractive nuisance created by physical condition, use or occupancy, including, but limited to, abandoned wells, shafts, basements, excavations and unsafe fences or other structures, or a safety risk, including, but not limited to, unauthorized entry or unsafe equipment. (2) A dwelling that has been condemned or otherwise deemed unfit for occupancy or use by the local authority having jurisdiction due to dilapidated, unsanitary, unsafe, vermin-infested condition or lacking in the facilities and equipment as required by the Pennsylvania Construction Code Act. (3) A structure determined to be a fire hazard or otherwise that could easily catch fire or cause a fire and endanger public health, safety and welfare. (4) A vacant or unimproved lot or parcel of ground located in a predominantly developed neighborhood that has become a place for the accumulation of trash and debris or haven for rodents and other vermin by reason of neglect or lack of maintenance. (5) A property that is vacant and has not been rehabilitated within one year from receipt of notice for corrective action as issued by the local authority having jurisdiction, except a property where a valid construction permit is in place.	Т	and wellate of public nursance as regulated by a locally
known as the Pennsylvania Construction Code Act; or (ii) the condition of which contains an attractive nuisance created by physical condition, use or occupancy, including, but limited to, abandoned wells, shafts, basements, excavations and unsafe fences or other structures, or a safety risk, including, but not limited to, unauthorized entry or unsafe equipment. (2) A dwelling that has been condemned or otherwise deemed unfit for occupancy or use by the local authority having jurisdiction due to dilapidated, unsanitary, unsafe, vermin-infested condition or lacking in the facilities and equipment as required by the Pennsylvania Construction Code Act. (3) A structure determined to be a fire hazard or otherwise that could easily catch fire or cause a fire and endanger public health, safety and welfare. (4) A vacant or unimproved lot or parcel of ground located in a predominantly developed neighborhood that has become a place for the accumulation of trash and debris or haven for rodents and other vermin by reason of neglect or lack of maintenance. (5) A property that is vacant and has not been rehabilitated within one year from receipt of notice for corrective action as issued by the local authority having jurisdiction, except a property where a valid construction permit is in place.	2	adopted property maintenance code and any compatible code
(ii) the condition of which contains an attractive nuisance created by physical condition, use or occupancy, including, but limited to, abandoned wells, shafts, basements, excavations and unsafe fences or other structures, or a safety risk, including, but not limited to, unauthorized entry or unsafe equipment.
