INTRODUCED AS NONCONTROVERSIAL RESOLUTION UNDER RULE 35,
MARCH 26, 2019

A RESOLUTION

1 Designating the week of April 21 through 27, 2019, as "Earth
2 Week" in Pennsylvania.

3 WHEREAS, "Earth Day" was first held on April 22, 1970, in
4 response to a growing environmental movement that was concerned
5 about the continued deterioration of natural environments; and

6 WHEREAS, On that first "Earth Day," more than 20 million
7 Americans demonstrated in support of the environment,
8 precipitating the creation of the United States Environmental
9 Protection Agency and the passage of numerous pieces of Federal
10 and State legislation aimed at protecting the environment; and

11 WHEREAS, Today, "Earth Day" is considered to be the largest
12 secular observance in the world and is celebrated by more than 1
13 billion people worldwide; and

14 WHEREAS, The annual observation of "Earth Day" brings

1 together communities, organizations and individuals from around
2 the planet to foster support for environmental initiatives and
3 programs; and

4 WHEREAS, While "Earth Day" remains an important day to focus
5 on the need to protect the environment, many college campuses
6 and environmental groups now dedicate an entire week to "Earth
7 Day" activities and thus unofficially celebrate "Earth Week";
8 and

9 WHEREAS, The Commonwealth would benefit by joining these
10 institutions and organizations in observing "Earth Week" in
11 order to recognize the importance of protecting our planet and
12 create additional conservation-related educational
13 opportunities; therefore be it

14 RESOLVED, That the House of Representatives designate the
15 week of April 21 through 27, 2019, as "Earth Week" in
16 Pennsylvania.
