
THE GENERAL ASSEMBLY OF PENNSYLVANIA

SENATE BILL

No. 730 Session of
2023

INTRODUCED BY A. WILLIAMS, BOSCOLA, CAPPELLETTI, SCHWANK, COSTA,
DILLON AND KANE, JUNE 2, 2023

REFERRED TO LAW AND JUSTICE, JUNE 2, 2023

AN ACT

1 Providing for the Jayanna Powell Hit-and-Run Direct Notification
2 System and for definitions; requiring registration of motor
3 vehicle repair facilities; and imposing penalties.

4 The General Assembly of the Commonwealth of Pennsylvania
5 hereby enacts as follows:

6 Section 1. Short title.

7 This act shall be known and may be cited as the Jayanna
8 Powell Hit-and-Run Direct Notification Act.

9 Section 2. Legislative findings.

10 The General Assembly finds and declares as follows:

11 (1) Hit-and-run accidents, in which the driver flees the
12 scene of an accident, result in the death of 1,500 Americans
13 each year according to the American Automobile Association.
14 Approximately 60% of the victims of these accidents are
15 pedestrians.

16 (2) Fleeing the scene of an accident is prohibited under
17 75 Pa.C.S. §§ 3742 (relating to accidents involving death or
18 personal injury) and 3744 (relating to duty to give

1 information and render aid) due to the duty of motorists
2 involved in an accident to render aid and provide
3 information. It is in the best interest of the public for
4 motorists involved in accidents that result in serious bodily
5 injury or death to stay at the scene of an accident and to
6 submit to authorities for questioning.

7 (3) On November 18, 2016, a driver traveling at a high
8 rate of speed struck eight-year-old Jayanna Powell of West
9 Philadelphia as she walked home from school, resulting in her
10 death. The driver fled the scene of the accident, leaving
11 Jayanna's family aggrieved and without hope for justice.

12 (4) The driver who struck Jayanna, aided by an
13 accomplice, took the vehicle to a repair facility two
14 counties away from Philadelphia so as to evade detection. In
15 order to more quickly identify and apprehend motorists who
16 have fled the scene of an accident, the General Assembly
17 deems it necessary to implement a system of direct
18 notification to motor vehicle repair facilities of all
19 vehicles involved in hit-and-run accidents.
