The purpose of the Title 44 codification is to repeal acts that are obsolete, modernize terminology and clarify the law without making substantive changes. However, this legislation does provide for alternatives related to the use of firearms by constables.

This act shall take effect in 60 days.

ANALYSIS:

This bill is a codification of existing laws; it is not intended to make substantive changes. The enactment of House Bill 1607 is not expected to have a negative fiscal impact on Commonwealth funds.
