SUMMARY: Amends the First Class Township Code to permit the purchase of used equipment from another governmental unit without advertising and bidding. This legislation would take effect in 60 days.

ANALYSIS: This legislation permits first class townships to purchase used equipment, apparatus, appliances, vehicles or related parts from another municipality, a county, school district, municipal authority, council of government or the state or Federal government without advertising, bidding or price quotations as otherwise required by the Code.

FISCAL IMPACT: This legislation would have no adverse impact on Commonwealth funds. It is probable that this legislation will save first class townships money as they could purchase used goods, reduce advertising expenses, and reduce costs preparing bidding specifications.
