SUMMARY: Allows workers' compensation insurers to provide sole proprietors, partners in partnerships, and members of LLCs with workers' compensation coverage. This legislation will take effect immediately.

ANALYSIS: This legislation would amend the Workers' Compensation Act of 1915 to add a new section which would authorize insurers to voluntarily provide workers' compensation coverage to sole proprietors, partners in partnerships, and members of LLCs. The coverage will have to be equivalent to normal workers' compensation coverage.

The legislation states that for the purposes of premium charges, the wages of the aforementioned shall be at least equal to the minimum payroll of a corporate officer, and no more than the maximum payroll of a corporate officer, pursuant to underwriting rules approved by the Insurance Department. It is a rebuttable presumption that the wages of a sole proprietor/ etc. are at least equal to the minimum payroll of a corporate officer for the purposes of calculating compensation.

This legislation also repeals Section 1526 of the act, which allowed insurers to provide coverage to loggers who are sole proprietors.

FISCAL IMPACT: This legislation will have no adverse impact on Commonwealth funds
