HOUSE BILL NO. 1203

PRINTERS NO. 1598

PRIME SPONSOR: Lawrence

COST / (SAVINGS)

FUND	FY 2010/11	FY 2011/12
Motor License Fund	\$0	See Analysis

SUMMARY: Amends the Vehicle Code to permit owners of antique or classic vehicles to display vintage Pennsylvania license plates from the year of the manufacture of the vehicle as their official plate.

ANALYSIS: This legislation would amend Section 1340 of the Vehicle Code (relating to antique, classic and collectible plates) to permit owners of antique or classic motor vehicles to display on their vehicles a vintage license plate from the model year of the vehicle.

The bill will limit the vintage plates to those issued between 1906 and 1975. The plate must be provided by the owner and be legible from a reasonable distance, and PennDOT may deny a request for cause.

The application fee for PennDOT to process these requests is \$75. The plates will replace any antique or classic plate issued by PennDOT.

FISCAL IMPACT: This legislation will provide PennDOT savings as they will not have to produce an antique plate while collecting \$75 per application. It is impossible to predict the number of applications that will be received, therefore, the amount of revenue received is indeterminable.
