SUMMARY: Amends Title 75 (Vehicle Code) to provide for the operation of implements of husbandry between farms and schools for agriculture-related educational events. This legislation would take effect in 60 days.

ANALYSIS: This legislation amends Section 1302 of Title 75, which exempts from registration implements of husbandry used exclusively for agricultural operations, by providing for travel on highways from a farm to a school that is hosting an annual agricultural-related educational event. The distance from the farm to the school cannot exceed 25 miles.

The legislation also amends Section 1502 of Title 75 pertaining to the current licensing exemption for a person 14 years of age or older to operate an implement of husbandry on the road between farms, to permit daytime travel to an annual agricultural-related educational event hosted by a school. The implement driven cannot exceed 11 feet and the school must be within 25 miles of the farm.

FISCAL IMPACT: This legislation would have no adverse fiscal impact on Commonwealth or municipal funds.
