SUMMARY:

Senate Bill 193 amends the Public School Code concerning the employment of school health personnel. It would take effect immediately.

ANALYSIS:

This legislation requires that a school nurse who is not certified in cardiopulmonary resuscitation (CPR) by a Department of Health-approved certifying agency by July 1, 2014, must complete CPR training within one year. A person hired for a position as a school nurse after July 1, 2014, must be CPR- certified or complete CPR certification through a Department of Health-approved certifying agency within one year of the hire date. In addition, a school nurse must complete CPR recertification within the time frame established by the approved certifying agency.

FISCAL IMPACT:

Enactment of this legislation will have no adverse impact on Commonwealth funds.
