HOUSE BILL NO. 791

PRINTERS NO. 3024

PRIME SPONSOR: Hennessey

COST / (SAVINGS)

FUND	FY 2015/16	FY 2016/17
General Fund	\$0	\$0

SUMMARY: House Bill 791, Printer's Number 3024, creates a freestanding act authorizing public school districts to implement senior local tax reduction incentive volunteer exchange programs.

ANALYSIS: This legislation creates the Senior Tax Reduction Incentive Volunteer Exchange Program Act authorizing public school districts in the Commonwealth to establish volunteer programs providing a credit against real property taxes due in exchange for volunteer service in the school. Participants shall be (1) at least 60 years of age, (2) a resident of this Commonwealth for at least 90 days, and (3) own real property in this Commonwealth. The rate of real property tax credit for volunteers shall be established by the school district. The types of volunteer services must enhance the academic program of the school district. The program shall not replace or supplant existing job positions.

The act shall take effect immediately.

FISCAL IMPACT: Enactment of this legislation will have no adverse fiscal impact on Commonwealth funds. Any credit provided to eligible seniors against school district real property taxes due is at the discretion of the school district. Each school district interested in providing a program as authorized under this act would need to measure the reduced costs from the benefits of the volunteer service against the reduction in property tax revenue collections.
